ARGUE AGAINST RE-HEARING FOR LABOR LEADERS

CHICAGO, May 16.—Charles W. Miller, former United States district attorney for Indianapolis, who prosecuted the dynamite conspiracy against a number of labor leaders in 1912, appeared again for the government today in the United States circuit court of appeals when the re-hearing on the granting of new trials to Olaf A. Tveitmo of San Francisco, Richard K. Houlahan of Chicago and William Bernhardt, Cincinnati, came up for oral argument. Originally, thirty of the convicted men filed appeals for new trials. The United States circuit court of appeals upheld the conviction of twenty-four and granted new trials for six. As to the three of the latter, Tveitmo, Houlahan and Bernhardt, the government requested a re-hearing, which was granted.

Miller said the court properly held that the general conspiracy had been established and that twenty-four of the defendants were directly connected with the conspiracy to transport dynamite and nitro-glycerine on passenger trains. The evidence, he said, must be largely circumstantial, but "every link in the chain of circumstances is present and that the verdict of the jury is sustained by substantial evidence on every point; that a clear prima facie case was established against Tveitmo, Houlahan and Bernhardt."

The government lawyer next took the cases of the three defendants individually, touching on the evidence brought out in the trial of the case, and argued that the testimony was such that the defendants were not entitled to new trials. Elijah Zoline, for the defense, replied that the three men had not been convincingly called with the conspiracy at the trial, and were entitled to a new hearing.

UPWARD TREND IN STOCK MARKET

NEW YORK, May 16.—Surface conditions served to promote a more cheerful feeling in the securities market this week, and in consequence there was an upward movement in stocks. The slow, cautious manner in which quotations were raised gave a fair representation of the extent of the change in sentiment. Speculators were hopeful, but cautious. So far as the news went, it was mainly encouraging; nevertheless, none of the important questions overhanging the market was disposed of definitely.

The satisfactory progress of Mexican affairs, the undiminished prospects for record-breaking crops, and expectations of an early decision in the freight case all helped the market. Advice from the steel trade were less pessimistic. General conditions, however, were as backward as heretofore. It was thought probable speculation would be under restraint until at least some of the more pressing problems now confronting the market were settled.

Foreign exchange rose to the highest point for more than four years, and \$3,000,000 more gold was engaged for shipment to Europe. The continued accumulation of funds here and the slackness of demand for commercial purposes deprived the exportation of gold of influence on the money market.

VILLA'S BRIGADES KEEN FOR MARCH AGAINST SALTILLO

HIPOLITO, Mex., May 16.—The army of General Villa was early astir today in preparation for its advance against the federal garrison of Saltillo. The men seemingly always cheerful, were in excellent spirits. News that a constitutional party of 300 men had surprised and routed 400 federalists near Paredon yesterday filtered through the ranks, putting the men in good humor and serving to start the improvised folk-songs in which the Mexican soldier delights.

Scarcely a single company but has several favorite minstrels who improvise verses on the happenings of the campaign and the camp. General Villa has realized the effect of music on the spirits of his men and the organization of bands and choruses has been encouraged. These sing endless verses composed by themselves eulogizing Villa, Carranza, their guns and horses.

There is a keen rivalry between the men of the different brigades over badges distinguishing the commands and proudly displayed. The men are well clothed, but are not distinctively uniformed. There is a sprinkling of khaki uniforms, but the greater number wear blue overalls. The men, however, wear colored bands with the name of the brigade printed on them in black to distinguish their commands. Usually these are worn on the left arm, but sometimes are made to serve as a hatband. The band of the Zaragoza brigade, said to be the crack organization of the army, is white. This brigade is commanded by Raoni Madero, brother of former President Madero, who but a short time ago when his brother met his tragic death in Mexico, was a Cornell undergraduate.

STEAMSHIP OFF WITH SHELLS AND AMMUNITION

NEW YORK, May 16.—The steamship Panaman, recently chartered by the war department, sailed today for Galveston. She carried ammunition, consisting chiefly of shells for field pieces and small arms, and food-stuffs for the troops. Fourteen ordnance experts from the Springfield arsenal, under command of Captain Maish, were passengers. They will join General Funston's brigade.

EDEN PRECINCT

Mrs. A. Hearn and Mrs. E. G. Coleman, Mrs. L. A. Reames of Phoenix were trading in Medford Thursday.

W. Tryan, a cousin of Mrs. W. S. Stancilffe came over from Smythe River, Del Norte county, in his auto to meet a party of relatives who will spend the summer on the beach while in the valley he made a flying trip to Phoenix to visit his aunt, Mrs. Lilly Blackwood and his cousin Mrs. Stancilffe.

J. M. Kernan of Edgewood, had a large order of tomato plants from C. Carey's sent by express last week. They have found out that tomatoes can be grown very successfully in that part of California the last few years.

About fifty friends of Mr. and Mrs. W. M. Carless gave them a pleasant surprise at their home in Phoenix Wednesday evening. Games and music were the amusements. Refreshments of strawberries, cake and coffee were served.

Friday evening of last week 64 of the friends of Mrs. J. Rose surprised her at the old Colver home in Phoenix. Games, music and refreshments made one of the most pleasant parties of the season.

The track meet at Talent Thursday was a grand success and several hundred enjoyed the day's sports. Many came from distant towns. Sixty from Gold Hill, 62 from Phoenix, 34 from Ashland, several from Brownsboro, Grants Pass and Central Point 22.

Talent did everything possible for the pleasure of their guests. The sports were well conducted. Gold Hill and Bell View got most of the prizes in high jumps, races and ball throwing, but Central Point won the base ball game. The management of Talent school is second to none in the county and the townspeople spare nothing to help their able corps of teachers.

RECESS IN TRIAL OF BECKER UNTIL FIRST OF WEEK

NEW YORK, May 16.—A recess today in the trial of Charles E. Becker, former police lieutenant, accused of instigating the murder of Herman Rosenthal, the gambler, halted until Monday the second presentation of the story of the now famous tragedy of the underworld.

District Attorney Whitman announced yesterday that he expected to finish the presentation of the state's case on Monday and the defense probably will present its rebuttal by the middle of this week. From this, a verdict may be expected by a week from today.

Until yesterday, the story of the alleged plot for the murder of Rosenthal had been given but few new touches and the testimony of Rose, corroborated by Valloa and Webber, remained as the chief evidence on which District Attorney Whitman based his case against Becker. Then, however, Mr. Whitman sprang a surprise by calling Mrs. Lillian Rosenberg, widow of "Letty Louie" of one of the four gunmen executed on April 13 last.

Mrs. Rosenberg admitted that her testimony at the trial of the gunmen had little or no basis of truth, but declared that she had so testified to save her husband from the electric chair.

In making this admission and in telling under oath of the meeting in her flat between her husband, the other gunmen and Rosa, when the murder of Rosenthal was planned, she made it appear certain that no mistake had been made in the conviction of the gunmen, of whom her husband was one.

TRAVERS' CHANCES FOR CHAMPIONSHIP GOOD

SANDWICH, England, May 16.—Jerome D. Travers, amateur golf champion of the United States, has an excellent chance of carrying off the British amateur honors, according to spectators who today followed a foursome in which Travers was the star. Travers and Francis Onimet, the open champion of the United States, played with Harold H. Hilton and Michael Scott and lost by three and two. Their defeat, however, was declared to have been due to the extremely poor showing made by Onimet. Travers never made a mistake throughout the game. He drove long and putted admirably. Enormous interest is displayed in the forthcoming championship contest.

Swedish Mass Meeting

A Swedish mass meeting will be held at Smith's hall on Sunday, May 24, at 2 o'clock, and all persons of Scandinavian birth or extraction are requested to attend. Many requests have been made from all over the valley in regard to properly celebrate a national mid-summer feast, with an old-fashioned May pole and typical folk games. As there are nearly 800 Scandinavians in Rogue River valley, it was deemed proper to call a mass meeting and decide when and where to celebrate the mid-summer feast, as well as to discuss other matters in connection with the welfare of the Scandinavians in this vicinity. It is expected that the lately organized Swedish singing club will render some songs and noted Scandinavians from far and near have promised to participate in and encourage the enterprise.

GENERAL APATHY IN COMMAND OF MEDFORD ELECTION

The chief feature of the primary election in Jackson county Friday was the woeful lack of interest. A large percentage of the votes came out at the solicitation of personal friends. On many of the ballots if the Medford wards the voter was so much interested in having a voice in naming of the ticket that he did not vote for governor, but only for the friend. A survey of the registration books shows also that many heavy property owners and business men did not go near the polls, leaving the duty of citizenship to others.

Practically all the woman vote cast in this city was between 2 and 5 o'clock. It is estimated that about one-seventh of the women vote balloted.

Not a substantial bet was put upon the result. The wagering was chiefly between supporters of Chief Hittson and Summerville, and this was mostly hats.

The disappointment of the primary was the showing of Amos Walker, republican candidate for sheriff. He made a thorough campaign, and found sentiment strong in his favor. When it came to the voting, however, it was different. The dopesters picked Walker to beat Singler.

County Clerk Gardner will begin the official count of the ballots Monday. None of the contest will require this feature to decide the contest.
