does all that any wood or coal stove will do. It bakes, broils, roasts and toasts perfectly. The long chimneys concentrate the heat just under the utensils. It is not wasted or thrown out into the room. The New Perfection doesn't smoke or smell; doesn't taint the food. It burns kerosene, the clean, cheap fuel. Think of the comfort—no coal or wood to lug; no ashes to dirty the kitchen. Ask your dealer for the New Perfection.
