

LONG SPEECHES DELAY VOTE ON TOLLS REPEAL

Senator Brandagee, Republican, Talks in Favor of Measure—Last Stage of Spectacular Legislative Fight Waged—Vote to Be Taken Before Adjournment Late Tonight.

WASHINGTON, June 11.—By a vote of 55 to 36 on the first amendment offered today by the anti-repeal forces, it was apparent that the repeal forces lost no strength over night. The vote was on an amendment by Senator Works, republican, who sought to change the language reserving American rights to tolls exemption. Ten democrats voted for the amendment and thirteen republicans voted against it.

WASHINGTON, June 11.—Voting on further amendments to the repeal of the Panama canal tolls exemption halted in the senate today when Senator Brandagee, republican, made a long speech in favor of the bill. The prospect of other long speeches before the voting began upon the repeal itself, promised to extend the day session into the night and Majority Leader Kern planned to hold the senate in session until the vote was reached.

The last stage of the most spectacular of the legislative fight congress has seen since the democratic party came to power, attracted hundreds to the capitol, despite the wilting heat, and packed the senate galleries.

Claim Votes to Spare
Administration leaders reiterated that they had the votes to hold the measure intact as it now stands with the Norris Simmens compromise amendment, and pointed to the record votes of yesterday to sustain their contention.

In debate today reminders of the acrid changes of relation between the repeal and the foreign policy of the United States were not missing, and many observers looked upon the fight drawing to a close as one of the most bitter contests within the democratic party.

Root and Lodge in Seats
Senator Root returned to his seat to vote for the repeal. His absence yesterday in the voting on the compromise amendment was the subject of remarks, but the democrats who have openly acknowledged the influence of the republican senator in his stand for granting the president's request, has declared he would be present today. Senator Lodge, another republican supporting the democratic position, was also in his seat, awaiting the final vote. On the democratic side Senators O'Gorman and Chamberlain leading the fight against the repeal were watching the proceedings closely to force record votes on all the amendments.

A Dangerous Leader
Senator Clapp, republican, in opposition to repeal, declared President Wilson was a dangerous leader for democratic senators to follow. Reviewing the president's early writings, he declared the president was no more a democrat at heart than Senator Root or former President Taft. "He is leading his party to the same disaster which met another leader, who once declared, 'I am the state,'" added the senator.

REBEL ATTACK UPON MAZATLAN NOW UNDERWAY

ON BOARD U. S. S. CALIFORNIA, Mazatlan, Mex., June 11.—Heavy volley firing on the outskirts of Mazatlan was heard last night. It is believed the constitutionalists are advancing for a determined assault. In the opinion of observers, a well-directed general attack would result in the city's capture.

The besieging forces, it was learned today, stormed and captured a hill of strategic importance north of the city Tuesday night. A new walled cemetery also fell into their possession.

The discovery was made today that the breech plugs of all the federal garrison's guns at Fort Rosales, except one, were missing. The artillery officer in charge had decamped.

Fearing that the neutral zone recently designated for noncombatants might not be respected in the attack, the entire consular corps at Mazatlan sent a note today through Rear Admiral Howard, commanding the United States' Pacific fleet, to General Harbo, the constitutionalist commander, again requesting that the zone be safeguarded.

The German consul has sent a letter of thanks of Admiral Howard for protection German interests.

Japanese Minister Adachi, returning to Mexico City after an unsuccessful effort to reach the west coast, arrived safely, it is reported, at Guadalajara, where he was met by the secretary of the Japanese legation with a special train. The train carries three automobiles for use in case progress by rail is blocked. On the way out, the minister's train was delayed at Sayula, where the constitutionalists had torn up the tracks in their successful attack on the city.

CAFE SINGER GOT \$30,000 IN GEMS

SAN FRANCISCO, Cal., June 11.—A cafe singer, known professionally as Corinne Lesser, and as Mrs. Corinne Houston at a hotel where she lived with a man giving her the name of Jack Houston, who said he was her husband, was arrested today in connection with the theft Tuesday of \$30,000 in diamonds from the A. S. Samuels Jewelry company.

No charge was booked against her, but she and Houston, also arrested, will be held in detainee until it can be learned if a charge of receiving stolen goods will stand.

Joseph Fischler, confidential secretary of the jewelry company, has disappeared.

Fischler spent a part of Tuesday night in the company of Corinne Lesser, and Acting Chief Shea of the police department said today that he had evidence to show that Fischler had been lavishing jewelry on her for the last three weeks.

FOUR KILLED WHEN AUTO STRIKES TRAIN

OMAHA, Neb., June 11.—Four persons, two of them women, are dead today as a result of an automobile being run down late last night at a grade crossing near Millard by a Union Pacific passenger train.

Oscar King of St. Louis, Carl Baer of Omaha and one of the women, were killed instantly. The other woman died today in a hospital. Neither has been identified.

Baer, who was driving the automobile, became confused at the crossing and drove directly in front of the train.

At the coroner's office the bodies of the four persons killed in last night's accident were identified. They were Oscar Krug, son of a well known brewer and his fiancée, Miss Vivian Ash and the latter's friend, Mrs. Kenneth Thompson of Blair, Neb. Charles Baer, the chauffeur, was the fourth person killed.

COLOMBIAN TREATY NEXT ON PROGRAM

WASHINGTON, June 11.—Secretary Bryan announced today that the Colombian treaty by which it is proposed to pay \$25,000,000 to the South American republic for the partition of Panama will go to the senate for action immediately after the disposition of the Panama tolls exemption repeal. The treaty has been ratified by the Colombian congress.

CROWD WITNESSES RELIGIOUS WEDDING KERMIT ROOSEVELT

MADRID, June 11.—The religious wedding ceremony of Kermit Roosevelt, son of Colonel Theodore Roosevelt and Miss Belle Wyatt Willard, daughter of Ambassador Willard, was performed today in the chapel of the British embassy here.

The ceremony was performed by the Rev. Dr. Samuel Watson, rector of the American church of the Holy Trinity at Paris, assisted by the Rev. Herbert Brown of the British embassy chapel here.

The maid of honor was Miss Elizabeth Willard, sister of the bride, and the bridesmaids were the Princess of Thurn and Taxis, Miss Katherine Page, Mile. Gilone Leveneur De Tillerens, and Miss Vivian Christian.

In spite of a drenching rain storm, a large crowd of spectators gathered outside the American embassy and the church to watch the arrival and departure of the bride and bridegroom and the wedding guests.

The party proceeded to and from the residence of Ambassador Willard and the church in automobiles and carriages.

The bride was dressed in ivory tulle and tulle with a court train and wore orange blossoms arranged with old lace and a long veil of tulle and lace.

The maid of honor was dressed in white tulle with a tunic of pale blue tulle and the bridesmaids in white tulle with tunics. All of them wore lace touched with yellow and had yellow ribbons tied under the chin and they carried bouquets of yellow orchids.

The wedding breakfast was served at the American embassy and a great reception was afterward held but the rain made it impossible for the guests to remain in the gardens of the embassy, which had been handsomely decorated for the occasion.

The bride and bridegroom plan to pass their honeymoon in the south of Spain.

IRISH HOME RULE BILL AMENDED

LONDON, June 11.—Premier Asquith announced in the house of commons today his intention to introduce the promised bill to amend the Irish home rule bill before any further progress is made by the house of lords with the second reading of the main measure. The Unionists thus have won the day with their insistent demand that he should take this action.

The lords will be entirely free to change the amending bill as they think proper, and it is generally assumed they will insert provisions for the unconditional exclusion of Ulster from the operation of the Irish home rule bill and also for the protection of the Protestant minority in the rest of Ireland.

The Unionists in this way will be enabled to test how far the government and the Irish Nationalists are prepared to go in the direction of a compromise.

The new bill is not likely to be brought into the house of lords before the week beginning June 21.

A Horse

"A horse, a horse, my kingdom for a horse," was not said in deeper despair than the cry that goes up from the home when in the great time of need, when sickness or accident befalls the household in the dead of night, when no helping hand and heart of sympathy is near to comfort and help—then is when the telephone comes to the rescue, summoning the doctor, the nurse and medicine, brings the friends and neighbors from any where. The cost then is not measured in money—the summoned relief may mean life itself, which is beyond price—yet the cost is the least consideration, only 5 cents a day, (no other charge) installed in your house, ever ready to summon help when in need, go for you every where, any time, day or night, all the time. We are doing this for 2000 households in Medford and can do the same for you. The Blue Book goes to press June 10. Let us put your name in it.

THREE MILK COWS KILLED BY EATING SPRAYED PRUNINGS

Cows belonging to W. H. Lewis and C. S. Eicher, of the north Central Point section, are alleged to have been poisoned through eating prunings from fruit trees sprayed with arsenate of lead. Mr. Lewis lost a pedigreed animal and Mr. Eicher two dairy cows.

The prunings are alleged to have been thrown in the county road from the Webb, Paxson and Palmer orchards, together with a partially filled keg of arsenate of lead. The last of the cows died Wednesday, and examination of the stomach and blood showed arsenical poisoning.

The matter has been put before Prosecutor Kelly to prosecute the parties for placing poison on the public highways, and probably a civil suit will be begun to recover damages for the lost cattle.

ASK FOOD SENT TO VERA CRUZ

WASHINGTON, June 11.—Movements of constitutionalist troops about the American positions on the outskirts at Vera Cruz are expected to relieve the pressure on the food supply there, which continues short. Consul Canada today recommended that the government send quantities of food to Vera Cruz and sell it at normal prices.

More wrecks on the railways between Vera Cruz and Mexico City are reported. Most officials here incline to the belief that they have been caused by the explosion of mines laid for the American advance.
