

# WATCH US ALL THIS WEEK

We Told You So. We Meant It

## THE ENTIRE STOCK IS GOING

The way that the public has responded to the call shows us beyond a doubt that the people of Medford and Jackson county know bargains when they see them. The past week has been all that we could expect, but we have hundreds and hundreds of articles that will be moved and if price will move them they will go. Sit down and consider this, can you afford to pass up a chance to buy Seasonable Merchandise at the prices we are selling them for? Can you make money any faster than buying what you will need this Summer, Fall and Winter at a saving of from 33 1/3 to 50 per cent? NO! Nor will the chance again be given you to do so. Better drop what you are doing and come at once while your size is still here. Read over the few items we list below. Hundreds more await you, as good and many better.
