

## FINAL HONORS TO ADLAI STEVENSON PAID BY ILLINOIS

BLOOMINGTON, Ill., June 16.—With business suspended and the city draped in mourning, Bloomington paid final honors today to former Vice-President Adlai E. Stevenson. The body lay in state in the rotunda of the courthouse for two hours while thousands filed past. The procession to the church was headed by a band, a troop of the Illinois National Guard and surviving members of the Stevenson Escort club, a famous marching organization of the campaign of 1892, which accompanied the vice-president-elect to the inauguration at Washington. There followed 300 miners from the McLean county mine, of which Mr. Stevenson was for many years president, members of the Bar association, the mayor and city officials and numerous local organizations.

The Second Presbyterian church, the largest in the city, held but a fraction of those assembled. The services were conducted by Rev. J. N. Elliott and Rev. Edgar D. Jones of Bloomington and Rev. Martin D. Hardin of Chicago, the latter a son-in-law of Mr. Stevenson. The interment at the Bloomington cemetery was private. The list of honorary pallbearers included many men prominent in law, politics and business, headed by James S. Ewing, former ambassador to Belgium and long Mr. Stevenson's law partner; former Governor Joseph W. Fifer, Congressman Fitzhenry and former Congressman Sterling.

Among those present were former Vice-President Fairbanks, former Governor Francis of Missouri, and Governor and Mrs. Dunne.

## TO CLOSE STORES SATURDAY EVENINGS

That the Medford merchants have progressive ideas is shown by their action in the Merchants' association meeting Monday night, when they voted to close all stores on Saturday evenings during July and August, provided it can be arranged with the merchants who were absent, and a committee was appointed with power to act.

It was also decided that on July 4 stores will be closed all day, excepting the meat markets and grocery stores, and they will remain open in the morning, the hours to be announced later.

The association will send a delegate to the state meeting of the Merchants' association in La Grande, June 22 to 24, leaving his selection with the executive committee.

The meeting was held in the basement of the Methodist church, and the banquet was served by the ladies of the church. The meetings and banquets will be dispensed with during the warm months, and the next one will be held the third Monday in September.

## MOST PERFECTLY FORMED MIDGET IN THE WORLD

The Foley & Burk Carnival Co. with car loads of amusement devices arrived in Medford from Redding, Cal., yesterday

and have now spread their tents of amusements, concessions and riding devices, preparatory to amusing the people of this vicinity for a week under the auspices of the baseball club.

With the carnival company is Elizabeth, better known as the living doll—the leading feature and drawing magnet with the shows. Elizabeth is only 21 years of age, 27 inches high and 32 pounds in weight. Nature has endowed this little lady with a perfect symmetrical figure—and a pleasant chic demeanor, full of life and vivacity, her accomplishments are many—a charming musician and vocalist, a clever dancer, and as a linguist she is a wonder, speaking fluently in six languages, Hungarian, Spanish, Italian, German, French and English and is always glad to entertain visitors. Be sure and see her in the living doll pavilion next to the Ferris wheel.

## DOWNWARD MOVE IN STOCK MARKET

NEW YORK, June 16.—The stock market closed heavy. Prices of stocks suffered because of the unwillingness of speculators to buy in view of the uncertain outlook. Pressure lifted for a while in the afternoon, but the downward movement was in progress again at the close.
