

TRI-COUNTY MEET AT KLAMATH UPON DATE OF RODEO

Secretary Streets of the Commercial club has received the following letter regarding the date of the tri-county boosters meet from Secretary Wilde of the Klamath Chamber of Commerce:

"Owing to the date of June 23 conflicting with dates of other meetings to be held in Ashland and Grants Pass on or about the same date, we deem it inadvisable to have the Tri-County Scenic Wonders convention in this city on the 23rd.

"The date of July 3 has been suggested as the proper date, the Elks Rodeo being in progress on the 3rd, 4th and 5th, and perhaps a number of your people will be in attendance.

"We realize that at this time the business men of Klamath Falls will be so busy in connection with the Rodeo, which will bring several thousand people to our city from California points and neighboring towns in Oregon, that it will be almost impossible for us to give attention and courtesies to our visitors that we otherwise should.

"However, if the date of July 3 meets with favor from your people, we will be pleased to have you with us on that date, and we will do all in our power to take care of you in the usual Klamath Falls manner."

QUIMET FARES BADLY WITH BRITISH GOLFERS

PRESTWICK, June 19.—Francis Quimet, American open champion, again fared badly today in the British championship contest. He took 85 strokes for the third round of 18 holes, bringing his total for the first three rounds to 250. With only one more round to play, this left him in a hopeless position, 24 strokes behind the leading competitors.

John Henry Taylor, five times winner of the open championship title, and its present holder, led the field at the end of the third round with an aggregate of 226.

Harry Vardon, also five times holder of the title, followed closely, with an aggregate of 228.

WESTINGHOUSE STRIKERS SIGN MONSTER PETITION

PITTSBURGH, Pa., June 19.—Thousands of Westinghouse strikers assembled at the Turtle Creek playgrounds today and signed a monster petition setting forth that the signers are members of the union and they stand for the demands made on the company two weeks ago.

Picketing continued during the night, but there was no semblance of disorder until the Union Switch and Signal force went to work this morning. One arrest was made near the works. Bridget Kenny, secretary of the union, commanded the pickets last night.

NATIONAL PROHIBITION PARTY IN SESSION

CLINTON, Mo., June 19.—The big question that confronts the American public today is: "Which has the greater value—the revenue derived from the liquor traffic or the lives of the men and women it ruins?" declared Mrs. Leonora M. Lake of St. Louis, in addressing the national conference of workers of the prohibition party today.

Carnival in Full Swing.

Only two days of the carnival are left.

Of all the attractions Elizabeth the Living Doll, is the greatest drawing card. She is 32 inches tall, weighs 27 pounds and is 21 years old. She converses in six languages, and entertains the crowds with musical instruments and sings all the latest popular songs.

The fun producing devices are the Trip to Mars and Pilgrim's Progress which are crowded all during the evenings.

Many other attractions are lined up on the carnival grounds.

Free open air vaudeville attractions are held each night.

Today has been designated as Grants Pass day and Saturday as everybody's day.

GRANTS PASS MAN RUNS AMUCK WITH GUN AND IS SHOT

GRANTS PASS, Ore., June 19.—William Redzom, a journeyman butcher ran amuck with a couple of guns Wednesday and took a shot at Chief of Police Lewis, when the latter came to arrest him, and was shot in the shoulder by the officer, captured and locked up in jail. Later he was examined as to his sanity and was sent to the Asylum for Insane at Salem.

Redzom came here some time ago and worked in several meat markets. Wednesday morning he suddenly became enraged at Herbert Smith, a merchant who is receiver for a meat market in which Redzom formerly worked, and he threatened to kill Smith.

Going to the Rogue River Hardware store, he forcibly took possession of a revolver and ammunition, then crossing the street to the Grants Pass Hardware company's store, he seized another revolver and more ammunition, and started out with the avowed intention of committing murder.

The officers were notified and started after Redzom, who opened fire on the chief and was in turn shot down by the officers. Attempting to evade the officers even after being shot he started down the street tossing the guns and ammunition into the weeds, and he was quickly surrounded and captured. After his arrest he talked incoherently and claimed that he was "Prince, the Awful, of Germany," and reiterated his threat to kill Herbert Smith.

BUILDS AIRSHIP TO CROSS ATLANTIC

NEW YORK, June 19.—The aeroplane now being built for Rodman Wannamaker, in which an attempt will be made to cross the Atlantic ocean, will carry three pilots, according to announcement today.

Lieutenant John C. Porte of the British navy, who has been selected by Mr. Wannamaker, will have Aviator Hallett in the flying boat with him from New Foundland to the Azores, where the first stop will be made. At the Azores it is planned to pick up John Lansing Callan.

The distance from St. Johns, N. F., to the islands is 1199 miles, and Lieutenant Porte believes he can do it in 29 hours. The consumption of gasoline to the Azores will lighten the load to such an extent that Callan's weight will make no difference.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

Kerosene the clean, cheap, fuel

Do you realize the convenience and economy of the modern oil stove? The fuel—kerosene—is the cheapest you can get—clean, safe, easy to handle. The stove has been perfected until it is as good as a wood or coal range for any kind of cooking. The

New Perfection OIL COOK STOVE

will cook a quick, light breakfast for you, or it will cook a big dinner with roast and bread and pastry. The New Perfection doesn't overheat the kitchen. It doesn't smoke or taint the food. Think of the comfort of summer cooking in a cool kitchen. No wood or coal to lug; no ashes to dirty up the house. Why not ask your dealer to show you the New Perfection.
