SUFFRAGE SURE AS SUN RISING —CHAMP CLARK

Speaker of House Tells Delegation that Men Have Made a Bad Mess Out of Government—Votes for Women to be Secured Quicker by States than by Congress.

WASHINGTON, June 27.—Speaker Clark today told a delegation of women from the National American Woman's Suffrage association, that "woman's suffrage is an inevitable as the rising of tomorrow's sun."

"For six thousand years," said the speaker, "men have been trying to run the world and some think they have made a bad mess of it. I hope that when you women run it, you'll improve on it. I think women suffrage is inevitable. The only question you folks have to consider is to how most expeditiously get what you are after. You can get it quicker by the states than by congress."

All Not Fitted to Vote "In some places there is a great prejudice against woman suffrage. You want to remember one thing, that if you lose the fight, you are out for years. Whenever the subject comes up for a vote in Missouri I am going to vote for woman suffrage. This is not because all women are fitted to vote, and I may add that I would not like to say that all men are fitted to vote. If you ever do vote, I think it is coming certainly, and I hope you will vote for the best principle and the best men."

The speaker was addressing a group of women from 38 states, who had presented 200 petitions for woman suffrage in the form of resolutions adopted by suffrage organizations and mass meetings at the time of the nation-wide demonstration on May 2.

Call on Vice President The woman suffrage leaders in the delegation, included Dr. Anna Howard Shaw, Miss Jane Addams, and Mrs. Antoinette Funk of Chicago; Mrs. Helena Gardner, Mrs. Glenna Smith Tinnin, and Mrs. Raymond B. Morgan of Washington.

Vice President Marshall also received the suffragettes and later petitions to senators were left at the vice-president's office.

The suffragettes requested that all petitions be laid before congress before July. The suffrage association officials particularly emphasized that they were opposed to militant methods, were not fighting any party, but are seeking aid for the suffrage cause from individuals of every political faith.

Question up in Missouri Dr. Shaw called Speaker Clark's attention to the fact that under the initiative and referendum the suffrage question was being submitted to the voters in Missouri today. A telegram was sent to the suffrage leaders there, informing them of what the speaker had said. Dr. Shaw urged the vice-president to take a more decided stand on the suffrage question because she "believed he believed in suffrage."

"A, B, C" REPRESENTATIVES NEGOTIATING FOR PEACE BETWEEN MEXICO AND AMERICA.

BRIGHT OUTLOOK FOR REGENERATION CLAFLIN COMPANY

NEW YORK, June 27.—With the note-holders' committee acting as a funnel for claims pouring in from banks over the country, there were today increasing hope of regeneration for the H. B. Claflin company and its string of drygoods stores.

Confidence in the ultimate success of some re-organization plan which would put the crippled company on its feet was manifested in the attitude of Gregg and McGovern, counsel who filed involuntary petitions in bankruptcy for some of the creditors, at the same time the receivership on Thursday. The lawyers have expressed no intention of interfering with Joseph B. Martindale and Frederick A. Juillard, the receivers named in the equity proceedings, so long as they are convinced their clients are being protected. The voluntary petition is pending in the courts.

A voluntary statement was issued on behalf of the merchandise creditors, urging that the assets of the retail stores be guarded wherever possible.

VANITIE DEFEATS DEFIANCE EASILY

OYSTER BAY, N. Y., June 27.—For the first time since the start of the series of the contests designed to weigh the merits of the candidates seeking the honor of defending the America's cup against Thomas Lipton IV, Resolute was today compelled to stay out of the race.

Resolute's bowsprit, it had been recently discovered by her owners, is soft and defective. She will remain out of the contests until the Newport races. A heavy shower was falling when the other two yachts reached away on the first leg. They crossed the line in the following official times:

Vanitie, 1:15:05; Defiance, 1:15:12. Vanitie rounded the fourth mark at 4:03:15; Defiance at 4:16:15. The wind picked up somewhat as the boats started on the second leg, which was a beat to windward.

EGAN DEFEATED BY JACK NEVILLE MORNING'S PLAY

SEATTLE, Wash., June 27.—Jack Neville, the California champion set a new record for the links of the Seattle Golf club with 69 and beat H. Chandler Egan of Medford, Oregon, in four down at the end of the first round of 18 holes in the Pacific northwest championship finals today. It was a tremendous advantage the Californian held but the wonderful recuperative powers of the former national champion were what his friends were banking on for a reversal of the order before the last half of the match was finished.

Egan was putting badly and every missed putt cost him something for Neville was not making a single mistake. When Egan missed a putt at the 13th hole he missed his chance for a squared match. He had been one down at the turn, and had lost the 10th and won the 12th. The 14th, 15th and 16th followed in a row and he was four down going to the 17th, but grabbed one back with a great three only to lose at the home green when he missed his brassie.

GOOD GAINS IN STOCK MARKET

NEW YORK, June 27.—The two hour session on the stock exchange today was barren of developments. Prices inclined slightly toward a higher level and the Claflin failure with its attendant circumstances appeared to be forgotten for the time. The market closed firm.

Good fractional gains were quite general in the early dealings and the list bore further evidence of its disposition to break away from the apprehension caused by the Claflin failure. St. Paul was strongest of the representative shares and May Department Stores was prominent in the special group, with an advance of 1 1/2.

VILLA TO FIGHT OWN WAY INTO CITY OF MEXICO

EAGLE PASS, Texas, June 27.—No sign that a definite understanding has been reached with the object of healing the breach between General Carranza and General Villa has been apparent at Carranza's headquarters, according to travelers who arrived today from Saltillo and Monterey. The utmost secrecy was maintained at Carranza's headquarters regarding developments and a strict censorship was enforced, they said. Traffic between Saltillo and Torreon has been somewhat interrupted for several days, and it was rumored, the arrivals said, that the railroad tracks had been heavily mined. The commanders of the constitutionalists of the east continue to confer with General Carranza and troops continue south from that point toward San Luis Potosi.

It was reported said the travelers that General Villa had expressed the intention of taking the burden of defeat of Huerta on his shoulders and that he was prepared to fight his own way into Mexico City without regard to what Carranza proposed to do. What the plans of General Carranza may be in view of this statement are unknown.

LODGE'S FRANK USED BY SUGAR TRUST

WASHINGTON, June 27.—Chairman Overman of the senate lobby committee had before him today a special report of postoffice investigators alleging the government was deprived of \$5400 postal revenues when certain so-called bet sugar lobby literature was circulated free under the frank of Senator Lodge of Massachusetts. Whether steps will be taken to compel the sugar interests concerned to pay that sum, has not been decided, but Mr. Overman declared today the investigation would be the basis of legislation to regulate the use of the franking privilege.

HUERTA WILLING CONSUL SILLIMAN RETURN TO POST

WASHINGTON, June 27.—President Wilson early today received a lengthy message from the American delegates at Niagara Falls and officials close to the executive express the opinion that a meeting between the Huerta and constitutionalist representatives was practically assured. The message received today is said to have reported the results of a conference between the American delegates and Minister Naou. While it is estimated in some quarters that an informal conference between the opposing Mexican factions will terminate in failure, it was made clear that President Wilson is viewing negotiations optimistically.

The state department was today notified through the Brazilian embassy that General Huerta was willing to have vice-consul Silliman return to his post at Saltillo. The request to Huerta to return the American consul, whom his troops imprisoned and threatened with death, to a territory over which he now has no control, was merely a formality and to preserve the good faith of the United States in respect of a promise it made when it secured the release of Silliman from his precarious position. The constitutionalists now entirely control Saltillo and the surrounding territory.

RELIEF CAMPS ESTABLISHED FOR SALEM REFUGEES

SALEM, Mass., June 27.—To insure sanitary conditions in the camps established for the homeless was the most pressing problem today confronting those in charge of the relief work in the fire stricken city.

Officials of the state militia and the state board of health co-operated in this work. Two official camps were in operation and preparations were made for the establishment of a third into which could be brought many persons at present scattered in various open places in the city.

In each of the tents provided for shelter there were four cots. In some cases nine or ten persons occupied a single tent. The militia found no difficulty in maintaining order throughout the night.

KOehler DISMISSED FROM ARTILLERY CORPS

WASHINGTON, June 27.—President Wilson has approved the sentence of dismissal imposed on Major Benjamin M. Koehler of the Coast Artillery corps by a court martial. Major Koehler was in command at Fort Terry, Plum Island, N. Y., when sensational charges were brought against him, and the trial was held behind closed doors.
