TUBERCULOSIS

In addition to plenty of fresh air and proper diet, those suffering from or who are predisposed to Tuberculosis are recommended to use Eckman's Alterative to stop night sweats, banish fever and hasten recovery. This medicine, by reason of its successful use during the past warrants the fullest investigation possible by every sufferer. Eckman's Alterative is most efficacious in bronchial catarrh and severe throat and lung affections, and in upbuilding the system. It contains no marcotics, nor narmful or habit forming drugs. Accept no substitutes field by leading druggists. Write to the Eckman Laboratory, Philadelphia, Pa, for booklet telling of receverles.
