A brisk thunder shower fell over the valley Thursday afternoon, the storm center being in the Coker Butte, Phoenix, and Griffin creek districts. Medford received a good shower, though not in the direct path of the storm; the dust was laid on country roads, and gardens given a much needed drenching. While the storm was in progress lightning and thunder was experienced, and telegraph and telephone wires suffered slightly. The power company current faltered a time or two. The storm cooled off the air, the mercury dropping from 93 to 82 in an hour, and then began to soar again. The relative humidity was high.

System Awakens With Pure Blood

In Mind and Body the Change is Wonderful.

After the depression, the stagnation, the despair over some blood disorder, it is fine to wake up to what S. S. S. has accomplished for you after a few days' use. It puts the nerves and blood in harmony; it arouses the cellular activity of the liver, kidneys, lungs, and other excretory organs to remove from the blood the body wastes that cause nearly all sickness.

This means that all decay, all breaking down of the tissues, is checked and repair work begins. S. S. S. has such influence on all local cells as to preserve their mutual welfare and afford a proper relative assistance to each other. More attention is being given to catalytic medicine than ever before and S. S. S. is one of the highest achievements in this line. For many years people rebelled upon mercury, iodide of potash, arsenic cathartics and "dope" as remedies for blood sickness, but now the pure, vegetable S. S. S. is their safeguard.

You can get S. S. S. in any drug store, but insist upon having it. The great Swift Laboratory in Atlanta, Ga., prepares this famous blood purifier, and you should take no chance by permitting anyone to recommend a substitute. And if your blood condition is such that you would like to consult a specialist without charge, address Medical Dept., The Swift Specific Co., 537 Swift Bldg., Atlanta, Ga.
