RIGHT OF WAY PACIFIC HIGHWAY

(From the Siskiyou News)

J. P. Churchill and Solon H. Williams, who some time ago were appointed by the county board of supervisors to obtain the rights of way for the state highway from the Oregon line south as for as Gazelle, have completed their work as far as Hornbrook, and Tuesday Mr. Williams filed their report with the board covering the route from the state line as far south as Hornbrook. The report is substantially as follows:

To the Hon, Board of Supervisors, Siskiyou County, Cal.

We, your committee appointed to secure rights-of-way for the California state highway from Yreka to Hornbrook, beg leave to report as

ages; to Thomas Herbig, \$300; to \$150; to Mrs, Bertha Hoopengarner centration will take place at Celays, Joseph Silva, \$250; to Gasper Alves. \$7570; to Manuel Perry, \$100.

We recommend that condemnation suits be commenced in the following cases: Mary A. O'Neil estate, Emma Panianni, Thomas McCaulley, Margaret Milcs, William Price estate, E. L.

We have at all times taken into stand, consideration the fact that the construction of the state highway will eral Carranza that his troops in takenhance the value along its route.

have publicly stated and the division regon stated also that seven machine engineer assured the writer that as guns, plenty of rifles and ammunisoon as the rights-of-way are secured tion and two carloads of cannot construction will begin so that early ammunition were abandoned by the in 1915 Siskiyou county will have its enemy. share of the highway in useable con

The early completion of the high-way can only be assured by the hearty FOURTH DEATH FROM co-operation of your board and earnest desire on the part of each and every member to help in every way possible.

The immediate beneficial result to the county as a whole can already be inte sections.

The district attorney is ready and tion willing to begin proceedings in cases where it is necessary to condemn at once and the superior judge will try these cases as soon as they are pre sented to him.

Very respectfully submitted, J. P. CHURCHILL, SOLON H. WILLIAMS.

from Hornbrook to the state line cost 8.40 cents per gallon. just \$25. The grading for that section will be completed in 60 or 70 COST \$400,00 FOR MILITIA

Villa From the North, Obregen on the West, Gonzales on the East, to Begin Aggressive Campaign Upon Metropolis-Few Fortified Towns Still to Be Captured.

EL PASO, Tex., July 10.-The speedy movement of General Villa's City to resume the campaign against report of its transactions soon rould be given to the press.

With Guadalajara in constitutionalist hands and San Luis Potosi beleged by the revolutionists, there remain only two or three points of defense for the federals between the national capital and the southern edge of the territory controlled by the revolutionists. Op the east, General Pablo Gonzales, with an army of 20,000 men, holds dominion from the border to San Lais Potosi, twenty-four hours by rail from Mexico City.

Where Commands Are

In the center, General Villa's division occupies the country from of Mexico.

. To the west, General Obregon has stretched his lines as far as Guadalajara, second largest city in the republic, and within six hours' ride by they blew both doors from the safe. railroad to the central goal.

Once San Luis Potosi is captured the three military divisions of the constitutionalists' forces will converge on Mexco City, according to assertions made in El Paso today by both Carranga and Villa followers. Engineer Kittredge has issued the

following public statement: "We wish to call the attention of that there are a few of their number from Torreon that the internal peace track-walker, who surprised them as who seem to disregard the county's conference was finally ended and a they were robbing the train, and good and our efforts to lay a good took him away with them to prevent pavement. These people are damaging the pavement by driving onto the concrete before it gets set. They have disregarded road closed signs and removed barricades in order to get onto the new pavement.

"We expect a section in front o Mr. Hanley's place to go to pieces cer, heard a noise behind him, and under heavy and continued traffic, turning, looked down the barrels of and lately two automobiles carrying taxpayers of Jackson county delib erately removed barricades near the said the engineer, "and I stopped. Pacific & Eastern Railway company's erossing and drove across the pave-

"We have endeavored to make the passing of local traffic as easy a possible, and, although our temporary and the bandits forced the engineer roads have been disagreeable to pass over, nearly every resident along the been able to get in and out, either by his own efforts or ours. With tw the road have co-operated with us i an effort to make a good pavemen and to keep off the pavement unt the "road closed" signs were re trackwalker, said to be William moved, regardless of their persons Christopher, appeared. The robbers opinions as to the hardness of the announced they would take him pris- pavement, and for this we are very grateful.

"Many people who are not familia with concrete when laid in a thin slab wonder at the length of time they are so hard, and doubtless those who dis-"We were greefed with a fusillade regard orders do not realize that the nally when the surface is hard, bu new, as when it is soft. The only difference is that in the soft concrete a track is left on the surface, indi cating the damage, while in the olde concrete which is hardened on top the erack is made on the under side of the pavement and does not show on top, since the surface is in com-

on top, since the surface is in compression.

"These cracks are of the worst possible nature, for the bond and cementing qualities in the adjoining
particles are lost and the under side.

The compression is the compression of the compression of the surface and the surface side.

The compression of the surface side is determined. The compression of the surface side is about the surface side. particles are lost and the of the payement shuttered. Month later, under heavy and continuous traffic, pot holes develop on the sar face over these shattered places, and then these same taxpayers who caused the damage during the first three or four weeks after laying are the loudest in defaming concrete and those who laid it. And with all due respect for the opinions of the auto ists and farmers regarding the set ting qualities of cement, it is to be remembered that the state highway engineer, and not the travelers, i held responsible for the pavement and therefore his orders, and not the inclinations of each individual should be followed.

"Until the entire road will be opened, people traveling between Medford and Central Point will fine the temporary road extending northward from Central avenue and leading into the Pacific highway at Me Benson's place, to be quite service special grand jury to investigate the able. The farmers along this route have very kindly opened this route to the public during the construction

"The highway department knows and appreciates the fact that the federal grand jury to investigate the people of the county as a whole are co-operating with them in every way possible and realize that the public just as indignant at the vandatism of the few as those in charge are. "F. A. KITTRDEGE."
