New Heater Gives Heat and No Smoke

To the Editor: In the issues of July 7th and 8th of the Mail Tribune I have read with interest Mr. Phipps' correspondence with the Standard Oil company relative to the smokeless orchard heater, also a suggestion for a covering to prevent against frost.

I am glad that thought is being directed along these lines because I believe that agitation is bound to improve our present system of frost protection, and the valley needs the improvement. We lose too much money every year by frost.

Rheumatic Throat Is Common Trouble

Should Be Treated in Blood To Prevent Recurrence. There are successful gages that stop rheumatism in the throat, but to prevent their frequent return, the blood must be put in order. The best remedy is R. S. R., as it influences all the functions of the body to neutralize the irritants or waste products and to stimulate their excretion through the proper channels. Rheumatism in the throat is a dangerous indication, as it means that the blood is loaded with more uric acid than the kidneys can excrete, and may thus lead to serious general disturbance. The action of R. S. R. stimulates cellular activity. It prevents the accumulation of irritants in local spots. It enables the arteries to supply quickly the new red blood to replace worn-out tissue. For this reason uric acid that finds the throat an easy prey to its breaking-down influence, is scattered and eliminated. In other words, R. S. R. prevents a chronic condition by enabling all the noxious things of the body to secrete healthy mucus. Its influence is shown in a marked improvement of the bronchial tubes, whereby the huskiness of voice with thick, grayish expectorations is overcome. R. S. R., well diluted with water, means a blood bath, since it is welcome to any stomach and at once enters into the blood. R. S. R. is free of all minerals and contains ingredients wonderfully conducive to well-balanced health. You can get it at any drug store, but do not accept anything else. There is danger in substitutes. R. S. R. is prepared only by The Swift Specific Co., 528 Swift Bldg., Atlanta, Ga. Our Medical Dept. will give you free instruction by mail on any subject of blood disorders. Write today.
