

ASHLAND OFFERS CHICKEN DINNER TO MEDFORDITES

ASHLAND, July 16.—Crowded houses on three successive occasions testified to the estimate which music lovers attending chautauqua placed upon the merits of the Dixie Jubilee Singers. In the words of a listener, these concerts were "the embodiment of the irresponsible optimism of the colored race expressing itself not only in audible form but also in melodious accents unexcelled."

Missionary Societies

The allied missionary societies of the various churches utilize a morning hour devoted to opportune topics. Tuesday morning the little folk occupied the stage in a charming exercise founded upon Longfellow's famous poem entitled "The Building of the Ship." At the same hour Dr. Gilbert was discussing the merits of a sound financial system, whether applied to Wall street and other moneyed centers or throughout the land in general. Specifically his talk in this instance dwelt upon the issuance of stocks, bonds and other securities, the marketing of the same and the fluctuations to which such securities are liable. The official program facetiously refers to the ages of those eligible to membership in Dr. Gilbert's classes as ranging from 18 to 86, which indirectly means that both young and old may profit thereby.

Tuesday, Dr. Parsons' subject was, "Religious Institutions of the Bible," and today "The Social Institutions of the Bible," were discussed.

Drama is Studied

Beginning with this week, Prof. Berchtold and the members of the local Study club are making grand stand plays in the pagoda on Chautauqua heights. The department of literature occupies an hour daily, lectures being added to discussions of questions pertaining to the drama, modern thought, and outlines of foreign literature.

Between these complex exercises, the W. C. T. U. School of Methods manages to gain a hearing each week day at the hands of a skillful leader. Object lessons in the line of sane and temperate living are portrayed not only by oral admonition but also by facts and figures in poster type. The Montessori educational system is being demonstrated by Mr. Stromber, of Yreka, Cal., under the auspices of the Ashland federation of womens clubs. This lady brings with her a unique exhibit of over 1000 articles, the products of the inventive genius and manual application of children of tender years. This display is a wonder and worthy of inspection. It is the first of its kind to be introduced into southern Oregon.

New Auditorium

Agitation for a new chautauqua auditorium goes on apace. Present quarters are inadequate, the building having been erected in 1892. Later on it was somewhat enlarged. Estimates call for a structure 120x140, affording double the capacity of the present one. Dressing rooms, modern stage, and more fireproof safeguards are also called for. A better finished interior is contemplated than the present rustic effect. Friends of chautauqua demand that the building question be settled before the adjournment of this assembly. Delays are dangerous, and they wish to see some tangible evidence in the way of new and commodious quarters the present summer instead of putting off the matter until 1915. One generous and public spirited citizen of Ashland, pledges \$500, provided nine other individuals each come forward with a like amount. Several mechanics prefer labor instead of cash. Manager Billings estimates that about \$12,000 will cover the cost of the much needed improvement.

Athletic Classes Grow

The athletic classes under Prof. Larimore are witnessing a prodigious growth. Nearly 200 are enrolled in the swimming squad. Aquatic sports are not optional to those who join these classes. A prerequisite is that the young folks must learn to swim, and no bath room tactics are allowed. "Sink or Swim" is the rule, and the young folks under competent instructors, readily take to the water.

Neither politics nor politicians are supposed to enter into or upon the chautauqua exercises. The only exception to the rule thus far has been in the case of Dr. Smith, democratic candidate for governor, who was in town Ohio day, and being a native son of the Buckeye state, was prevailed upon to address the Ohioans. The genial speaker was at his best in an informal speech brimful of the sentiment of neighborly courtesy and good will to everybody.

Boost for Normal

Time at the round table Tuesday afternoon was given over to a boost

BAN PLACED UPON MICROBE KILLER AND OTHER FAKES

WASHINGTON, D. C., July 16.—The U. S. department of agriculture has recently issued a large number of notices of judgment involving shipments of drug products adulterated or misbranded in violation of the Food and Drugs Act.

A shipment by the Wm. Radam Microbe Killer Co., New York, N. Y., from the state of New York into the state of Minnesota, consisting of 539 boxes and 322 cartons of Radam's Microbe Killer, was alleged to be misbranded for the reason that statements appearing on the labels of the packages regarding the curative and therapeutic effect of the product were false and fraudulent. This case was one of the first brought by the government under the Sherley amendment to the Food and Drugs Act, passed August 23, 1912. The purpose of this amendment is the more effectual prevention of interstate traffic in that class of preparations or patent medicines purporting to be "cure-alls." A circular accompanying the shipment represented the medicine as being a remedy for practically every ailment to which the human system is subject.

In this case after a jury had found for the government, the court ordered the goods destroyed by the U. S. marshal.

Misbranding of Fernet Milano

A product called "Fernet Milano" shipped into Michigan by Pasquale Gargiulo, doing business under the name and style of P. Gargiulo & Co., New York, N. Y., was alleged to be misbranded. The product, offered for sale under the name of another well-known article, "Fernet Milano" was merely an imitation and the label failed to bear a statement of the quantity or proportions of alcohol contained in the article which was shown to be 33.7 per cent by volume. The article, furthermore was labeled as to create the impression that it was of foreign manufacture, when as a matter of fact it was made in the United States. The defendant pleaded guilty and the court imposed a fine of \$40.

The William A. Webster Co., Memphis, Tenn., was charged with the interstate shipment of quantities of adulterated and misbranded wine of coca leaves, acetanilid and sodium bromide compound tablets. "Antivomit Tablets," aspirin tablets, cold tablets, quinine tablets, salol tablets, and sodium salicylate tablets; and misbranded bismuth and calomel compound tablets. The company pleaded guilty and the court imposed a fine of \$10 with costs of \$12.95.

Other Misbrands
Two other cases against the same company, alleged the shipment of a quantity of neuralgic pills, and diarrhoea catomel pills, which were adulterated and misbranded in both instances. The labels stated that the pills in each shipment contained respectively 1-20 and 1-16 grain of morphine sulphate, each, when as a matter of fact the morphine content was much less than represented. In each case the court imposed a fine on the defendant company of \$10 with costs of \$12.95.

Other cases were as follows:
Product, Oil Rosemary Flowers and Oil of Red Thyme. Shipper, James B. Horner, New York. Charge, adulteration. Fine, \$125.

Product, Soluble Hypodermic Tablets. Shipper, Wm. A. Webster Co., Memphis, Tenn. Charge, adulteration and misbranding. Fine, \$10 and costs.

Product, Acetanilid Compound Tablets. Shipper, Burroughs Bros., Mfg. Co., Baltimore, Md. Charge, adulteration and misbranding. Fine, \$20.

Product, Nurito. Shipper, Magistral Chemical Co., New York, N. Y. Charge, misbranding. Fine, sentence suspended.

In behalf of the Southern Oregon Normal, figuratively speaking and without intent at irreverence it might be stated that Prof. Vining and Dr. Gilbert "led in prayer," while Ben Sheldon expounded the text. The contention was for the restoration of the normal school, not as a particular benefit for Ashland, but in justice to the needs of Oregon as a state.

Ashland is anticipating the visit of Medford on Thursday and arrangements are being made accordingly. The ladies of the Baptist church are planning a chicken dinner on that date. It will be served at fresco under the grateful shade of Chautauqua park. This intimation is given in due season, "Lest we forget."

NEW YORK, July 16.—William Rockefeller's seat on the New York stock exchange was posted today for transfer to his son, Percy A. Rockefeller.

LOUIS W. HILL OFFERS HANDSOME SILVER CUP AT OREGON STATE FAIR, SALEM, ORE., SEPT. 28 TO OCT. 3, 1914.

Louis W. Hill, president of the Great Northern Railway, has signaled his interest in the Oregon State Fair, to be held at Salem, Ore., Sept. 28 to Oct. 3, by offering a handsome silver cup as a special prize for the best individual farm exhibit.

Every farmer is urged to enter the contest and help make this affair a huge success.

NEWS FROM COUNTRY CORRESPONDENTS

EAGLE POINT EAGLETS

Mrs. A. B. Zimmerville and son Norman, were doing business in our town last Saturday.

Smith brothers have been cleaning out the old store building formerly occupied by G. W. Owings and removing the counters, show cases, shelves, etc., and by the time this is in print they will have moved their billiard and pool tables, etc., there and Mr. Whitman the barber, will move his shop into a part of the building.

Earl Croft, the foreman on J. H. Cooley's orchard, was in town Saturday and while here left the money to renew his subscription to the Daily Mail Tribune.

Last Sunday evening H. T. Dodge, Jr., wife and mother and Mr. and Mrs. Milow Parton all of Medford, came in for supper.

Mrs. S. H. Harnish who has been spending some time in Butte Falls returned home Saturday.

S. H. Harnish, our livery stable man, has bought out the dray and draying business.

Mrs. A. N. Thomas, who has been visiting some of her children who live in Montana, returned home while I was in Fort Klamath but I did not learn of it until Sunday. I also omitted to state that Wm. Hazelton had gone with Mr. Owings as far as Bly to work this summer.

While on the P. E. on my way to Medford Monday last, I met W. E. Hammel, one of our prominent orchardists and stock men. M. S. Wood, he was on his way to Medford to make the final arrangements for his marriage to Mrs. Rachel Woolery, tomorrow, Wednesday, but further mention will be made of the affair in my next.

Jeff Johnson, formerly one of the owners of the famous Johnson ranch on Rogue river and Elk creek, E. L. Ingal of Oakland, Cal., traveling salesman for G. Dunkel Speel Co., of San Francisco, Cal., a drygoods firm he had been in Eagle Point so as Geo. Brown & Sons, could order their fall and winter supply. Grandma Curtis and her daughter, Mrs. Painter were also on their way to Medford. Also Mrs. J. D. Arena, wife of the foreman on the C. Edgall orchard.

On the return trip was one of our townsmen, Fred Findley, who is now engaged in hauling wood to the railroad track between Eagle Point and Butte Falls, and his niece, Miss Bessie Traak of Grants Pass, who is on her way to Butte Falls to spend a while in the mountain air and visit her aunt and family.

I am requested to say by the road supervisor, Ed Dutton, that the bridge across Butte creek at Brownsboro has been repaired and is now in good condition.

FIRST EFFORT TO GET TOGETHER ON RAILROAD SCALE

CHICAGO, July 16.—A step toward the resumption of negotiations looking toward a settlement of the wage differences between 55,000 railroad engineers and firemen and the western railroads was taken today by the conference committee of the railroads in a letter asking for a definite statement of the submitted propositions of the union.

The letter was addressed to W. S. Stone, grand chief of the Brotherhood of Locomotive Engineers and W. S. Carter, the head of the Brotherhood of Locomotive Firemen and Engineers and which was in response to the formal notification of the result of the vote, in which nearly all the employees favored a strike.

The request of the managers' committee was in the following words: "Please advise this committee the definite propositions you are now supporting under the authority given you by this strike vote, and which we may understand to be the basis of settlement by which a strike may be averted."

The letter was signed by A. W. Trenhold, chairman of the managers' conference committee.

It is Just Natural To Admire Babies

Our altruistic nature impels love for the young infant. And at the same time the subject of motherhood is ever before us. To know what to do that will add to the physical comfort of expectant motherhood is a subject that has interested most women of all times. One of the real helpful things is an external abdominal application, said in most drug stores under the name of "Mother's Friend." We have known so many grandmothers, who in their younger days relied upon this remedy, and who recommend it to their own daughters that it certainly must be what its name indicates. They have used it for its direct influence upon the muscles, cords, ligaments and tendons as it aims to afford relief from the strain and pain so often unnecessarily severe during the period of expectancy.

A little book mailed by Bradford Regulator Co., 305 Lamar Bldg., Atlanta, Ga., refers to many things that women like to read about. It refers not only to the relief from muscle strain due to their expansion but also to nervous, morning sickness, caking of breasts and many other distresses.

For the children—a Free Treat.
