SEEK LYCEUM COURSE

An effort is under way to secure a lyceum course for Medford next winter including two foremost speakers, two musical attractions, and one o the greatest magicians now before the public. There are five numbers individual artist; Eugene Lauraunt are employed are closely watched. and Company. Mr. Lauraunt is considered the greatest living magician. An evening of mirth, magic and mu-

This course is being brought here through the efforts of the following committee: Mrs. E. E. Gore, Rev. Weston F. Shields, and C. R. Bowman, and is not in any way intended as a money making proposition. The directed solely toward giving Medford a good clean high class lyceum course. The secure the course, however, there must be an assurance of

laws are obeyed because they are an merely because they have powder and the branches. lead behind them. And as we look back over the past, we may well efforts of the above committee are wonder whether the peace movement wonder whether the peace movement would not have grown more rapidly SENATOR WORKS than it has had woman, who suffers more than man from the results of war, been consulted before hostilities

"Second: It is urged by some that woman's life is already full of care her attention away from the duties of the home. The answer made to this is that the exercise of the franthought and occupation that would enough to justify such legislation as chise might result in a change of The Kincald trial on an assault relieve the monotony of woman's is proposed by the three bills, our and battery charge was still in pro- work and give restful variety to her gress at 2:00 o'clock. The evidence activities. And surely the home will showed that Perdue had been eager not suffer if the mother, 'the child's possible," said he. "To attempt it to fight Kincaid and wanted to fight first teacher,' is able to intelligently him while the dance at Prospect, on discuss with her family the science the night of May 2nd, was still in of government and the art of success-

"Third: Many well-meaning men As Perdue approached, Kincald and women affirm that suffrage backed off removing his coat. Then would work a harm to woman by leshe charged Perdue and struck him on sening the respect in which she is the jaw. The fight that followed, al- held. This argument would have though of only 30 seconds duration, more weight had it not been emresulted in Perdue's getting knocked ployed against every proposition addown two or three times. Then while vanced in favor of the enlargement of Perdue was on the ground, struggling women's sphere. This objection was to rise, Kincaid hit him several more once raised to the higher education times on the face, one of the blows of woman, but it is no longer heard breaking his jaw. Bystanders pulled The same objection was offered each time the door has opened and woman Perdue had to spend several weeks instead of suffering degradation, has

"These objections, however honest-Witnesses said the affair could not ly advanced, have proven impotent to be called a fight as it was all one- retard woman's progress. May not sided. It seemed doubtful that Per- the fears sincerely entertained by the opponents of woman's suffrage found to be as groundless as those that once forced the widow in eastern us those that excleude mohammedan women from the social benefits and responsibilities which the women of the Christian world shares?

Women no Pollution

"Politics will not suffer by woman" entrance into it. If the political world has grown more pure in spite of the evil influences that have operated to debase it, it will not be polluted by the presence and participation in women. Neither should we doubt that woman can be trusted with the ballot. She has proven her in Matamoras, opposite Brownsville, self equal to every responsibility imluday. The messages which were posed upon her; she will not fail soclety in this emergency. Let her by a score of five up and three to vote and may that discernment which play. has throughout the ages ever enabled her to quickly grasp great truthsmade her 'the last at the cross and the first at the sepulchre'-so direct her in the discharge of her political duties as to add new stories to her and through her still further bless

The beetle is about a quarter of an inch long, yellow in color with a black stripe. It eats the foliage, erumping it up first into bunches Its eggs are laid in clusters at the end of the branches.

The beetle may be killed by arsenie spray soon after the buds open and by destroying the larvae when expression of the public opinion, not they hang in clusters at the ends of

WASHINGTON, July 17 .- Senator Works, republican, told the senate the administration's trust program filled him with amazement.

"If the business of the country is dishonest enough and oppressive condition would seem to be hopeless, and to remedy conditions by law imadd to the burdens of the people who deal with the business concerns sought to be regulated. Such legislation as this is more than likely to be as futile as it is unjust."

Senator Works also attacked the exemptions in favor of labor organ-

RAILROAD MANAGERS REQUEST MEDIATION

CHICAGO, July 17.-Formal rewas made today by the managers' committee of the fifty-eight roads, 55,000 of whose employes threaten to strike. Representatives of the men yesterday declined to join in the request for mediation

The managers in a letter notifying the men that they have requested mediation, flatly denied the allegation that the railroads have declined to accept the recommendation of previous government mediators.
