ROOSEVELT ASKS VENUE CHANGE IN SUIT

OYSTER BAY, N. Y., Aug. 11.—

Theodore Roosevelt announced last night that his attorneys in the \$50,000 libel suit brought against him by William Barnes, Jr., republican state chairman, will ask to have the action brought to trial in some county other than Albany county, where Mr. Barnes resides, and where the venue of the action was laid by the plaintiff, Col. Roosevelt said his attorneys did not believe an impartial trial could be held in Albany county, and that if Mr. Barnes' attorneys would not consent to a change of venue, the court would be asked to grant it.

The colonel reiterated that he desired the case to be heard at as early a date as possible, and said he had instructed his attorneys not to file a demurrer. He added that an extension of twenty days in which to prepare his answer was obtained today in the supreme court. It is probable that the case will come to trial in October. Mr. Barnes' action was begun after Colonel Roosevelt, a few days ago, issued a statement in which, alluding to political conditions in this state, he attacked Mr. Barnes and the so-called by-partisan boss rule, mentioned also Charles F. Murphy, leader of Tammany Hall.

WEDDING BELLS

TERRILL-SMITH—At Ashland, August 9, Jay Terrill of Talent and Parthena E. Smith, also of Talent, were married at the residence of the officiating clergyman, Rev. W. T. Van Scoy.

Two sisters of the bride, May and Anna, and W. A. Morris of Rock Point accompanied the couple from Talent by auto.

The bride was born in Tennessee

and received her education in the Talent high school, and the Southern Oregon State Normal School. She has been a very successful teacher of this county for several years, the greater part of the time teaching in the graded schools of Talent.

The groom is a native of Jackson county, Brownboro being his birthplace. He received his schooling in the Talent schools.

The wedded pair are well known and popular young people of Talent. They will spend a few weeks at Coleman and Crater Lake, and after returning will go to housekeeping in Talent, where they will make their future home.

ANTIOCH ITEMS

Glass brothers have bought a hay baler from Freeman & Wiley and will bale hay for the farmers of Santa Valley.

Dave Cotterill of the Meadows passed through the valley Wednesday with a fine imported Percheron stallion. It is a beauty and they will keep it on their stock ranch in the Meadows.

Mr. and Mrs. James Dinklin of the Meadows were in Medford Friday doing business with the merchants.

W. O. Johnson and family are moving to Fort Klamath where they will go into the dairy business.

There is a shortage in the grain crop in this section on account of the long dry spell, the grain not filling good.

D. W. Sturgis of the Meadows was a Medford visitor Thursday.

Oscar Rodgers and family were Sunday visitors at the Huth ranch.

The phone line to the Meadows is nearly completed and will be appreciated by the residents of that section of the county.

Now the road work is stopped some of the boys are talking of going to Crescent City and Crater Lake to enjoy a well earned vacation.

Say you road knockers last year you howled about the mud holes in the roads, now it's rocks in the roads. If you had a paved road to Medford you would growl because it was too easy to ride on, as you could not keep awake to drive the horse.

Some men in an auto shot and killed a little fawn near Beagle last week on the public road, the party was seen to get out of the auto and put it in a grain sack, but they failed to get the number of the machine. They must have been near starvation to kill and carry away a poor little thing like that.

W. Morrison and family and W. C. Chapman and family visited with their son and daughter at Beagle last Sunday.
