CARDINALS MEET TO PREPARE FOR ELECTION OF POPE

ROME, Aug. 21. (Delayed).—Twenty-three cardinals met late today in the first congregation of cardinals to arrange a temporary government of the church and prepare for the conclave in September, when a successor to Pope Pius X will be elected.

Cardinals Martinelli and Di Petro are ill and unable to be present. Cardinal Serafini Vannutelli, dean of the Sacred College, attended, but being incapacitated by an indisposition, his duties were performed by Cardinal Agliardi.

Breaking Fisherman's Ring
After taking the oath to maintain secret their discussion "even to the shedding of blood" the cardinals performed the traditional ceremony of breaking the fisherman's ring. The rite, however, was not literally carried out. According to the rules of the Sacred College, the ring should be broken and later reset and presented to the new Pope.

Today, after each of the members had identified the ring, it was found that none had the strength to break it, even though a hammer was employed. Aid was not at hand, as Cardinal Della Volpe had not permitted the presence of anyone except the cardinals and the latter finally decided that the symbolical ceremony would be properly observed if the symbol of office was scratched. This was done.

Testament of Pope
It is learned that the testament of the late Pope provides for the maintenance of about 400 little ones made orphans by the earthquake at Messina and Calabria in 1908. The Pope's sister Anna, who collapsed when the pontiff died, was better today and inquired about the arrangements for the funeral Saturday. She insisted on kneeling in bed to pray for the departed soul.

The outer walls of all the churches are placarded with notices from Cardinal Pompili, vicar general of His Holiness, stating that the chamberlain had given him officially the sad news of the death of Pius X on Thursday and instructed him to notify all the faithful and order that the bells in all the churches be tolled for one hour at sunset today and on Saturday. The clergy also are directed to say masses for the late pontiff "recommending his blessed soul to God."

Why Not
Get the best smoke, Gov. Johnson, and also patronize home.

POPE'S DOCTORS ASSERT PONTIFF DIED AUGUST 20

ROME, Aug. 22.—Dr. Marchiafava, one of the two physicians who were at the death bed of Pope Pius X, has given the Associated Press the following statement:

"The pope died Thursday, August 20, about 1:15 in the morning."

(Signed) "E. Marchiafava." When informed of the premature announcement in the United States of the pontiff's death and the claim made that it actually occurred prior to the time as officially announced, Dr. Marchiafava said he thought it ridiculous to doubt the exact hour at which the pope had passed away and decided the attempt to shorten his life by hours, in view of the fact that there are plenty of witnesses who saw him alive early Thursday morning.

Plenty of Witnesses
These include such outside and disinterested persons as Monsignor Falconio, former apostolic delegate in the United States, who, at about midnight of Wednesday insisted on entering the vatican, the doors of which were closed. He was given admittance and remained in the pope's bedroom for half an hour.

Dr. Andrea Amici, the other physician in attendance, when told of the American report, said:

"I can give you the best of documents showing the irrefutable truth."

With these words he produced his own written announcement of the death of the pontiff to the mayor of Rome. This announcement is as follows:

Official Announcement
"Most Illustrious Sir and Mayor: It is my sorrowful duty to inform you that today, August 20, at the hour of 1:15 a. m., His Holiness, Pope Pius X, known secularly as Giuseppe Carlo di Riez, ceased to live in the vatican palace, from bronchial pneumonia, aged 79 years. Dated August 20, 1914."

Prince Colonna, the mayor of Rome, has ordered a special cover, richly bound and lined with satin, for the death certificate. It bears the Roman coat of arms in the center and has the following inscription in silver letters:

"Death certificate of His Holiness, Pius X. Expired August 20, 1914."

Work has been begun by Contractor Anderson upon the new Evans creek concrete bridge. The old structure has been torn down and travelers must use the old ford above the bridge, but as the water is low, this works no hardship.
