SOME AMERICANS WISH TO REMAIN NEAR WAR

WASHINGTON, Sept. 4.—Assistant Secretary Breckinridge of the war department, in charge of relief work, concerning those whereabouts some doubt had been expressed, was in Geneva, Switzerland, yesterday. He reports 1500 Americans have been sent out of Switzerland on special trains and that many others have gone out by their own means. About 1000 wish to remain.

PARIS AWAITS GERMANS

(Continued from page 1) Advantage of the free trains placed at their disposal by the government for the purpose of clearing Paris and its environs, so far as possible, of all civilians which might hamper the military operations. Most of these people are going to the south or west of France. The military governor of the city has put at the disposal of non-combatants 15 trains of 25 cars each. Passage on them is to be entirely free. They will run today, tomorrow and Sunday, and convey refugees to points outside the military zone.

RUSSIA BEARS BRUNT

(Continued from page 1) Meager German Reports. The meager German reports received here indicate that the Germans are more than holding their own on the border of East Prussia, but the Russian general staff, according to the point of view, held in London, does not seem greatly concerned over the status of the campaign in this territory evidently being willing to await the outcome of movements further eastward before throwing Russia's full strength against Prussia.

ALBANIA'S KING HAD SHORT AND FEVERISH REIGN

PARIS, Sept. 4.—A dispatch from Durazzo, Albania, to the Havas Agency, timed Wednesday evening, tells of the departure of Prince William of Wied, whose brief reign has been a troublous one. It appears that a meeting of protest was held in the city and the police intervened. Armed citizens assembled before the Royal Palace and the apartment of the minister of finance and demanded the payment of their salaries. Controlier Travesky calmed the crowd with promises that payment would be made.

In the afternoon Italian sailors landed and occupied the streets in the vicinity of the royal palace and Prince William and his princess, accompanied by Turkan Pasha, Akis Pasha, Sami Bey, Ekrem Bey and the diplomatic corps, left the palace at 6 o'clock. The international commission assembled in the garden and presented its respects to the prince and princess, who then proceeded to the quay. Volunteers and Italian sailors lowered the flag on the royal palace.

An Italian yacht was placed at the disposal of the prince, and after a salute from the Italian cruiser Libia, steamed in the direction of Venice.

NIGHT ATTACK BY GERMANS COSTLY

LONDON, Sept. 4, 1:50 a. m.—Referring to the heavy casualties suffered by the Coldstream Guards, a correspondent of the Daily Telegraph states that it is largely due to the fact that a company of the guards found themselves suddenly surrounded at night by Germans. When their position was revealed through a German officer's challenge, the guards turned their Maxims on the Germans and mowed them down in great numbers. Before the guards could retire, however, they suffered heavily both in officers and men.

BUTTE UNIONIST GRANTED HABEAS CORPUS BRIEFS

BUTTE, Mont., Sept. 4.—Federal Judge George M. Bourquin today issued an order directing Governor S. V. Stewart, officers and the military commission of the National Guard, now in charge of Butte, to appear before him next Monday and show cause why writs of habeas corpus should not be issued in behalf of three men arrested by the state troops.

The petition for the order was filed by H. J. Maury, candidate for county attorney on the socialist ticket and names Edward Evans, D. W. Malone and James Chapman as the prisoners held wrongfully, it is alleged. Malone and Evans when arrested carried revolvers according to Provost Marshal Conley. Chapman was a member of the committee that deported miners who refused to join the new union.

The executive committee of the new union has named John Doran, acting president during the absence of Muckle McDonald, who up to noon had not been taken by the military forces. Active search for McDonald has ceased.

Mother Stanislaus Tells of Recovery

Throat troubles, like continued cough and colds, often seriously affect the lungs. If you have not found any relief from the treatment you have tried, investigate the many reports showing benefits, and, in numerous cases, complete recoveries, brought about by the use of Eckman's Alternative. This is a medicine for Throat and Lung Troubles, favorably known for more than fifteen years. Read this case:—

Convict of St. Anne, Sanford, Fla. "Gentlemen: In February, 1911, four doctors examined my throat and pronounced the necessity of an operation. Having heard of Eckman's Alternative, I determined as a last resort to try it. After taking four or five bottles large pieces of diseased tissue came away. I continued the Alternative, to my grateful and daily relief. In two months I was restored to perfect health. I would be glad to write or talk to any person who may have a light about it. I would like them to see and hear from my own lips, if they so desire, all I would say of it." (Signed) MOTHER M. STANISLAUS. (Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Straborn Colds and in supplanting the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists. Price \$1 and \$2 a Bottle.
