## Announcement

Mrs. B. E. Haney wishes to announce to her friends and patrons and the public that she will open a new dressmaking establishment in Medford on Thursday, September 10th.

Mrs. Haney is an experienced dressmaker, having been engaged in this work in the valley for the past twenty-five years. She has recently spent some time in San Francisco, studying the latest methods and styles, and making other preparations for her new establishment, which will be complete in every particular.

In addition to the regular line of work, she will also be provided with hemstitching and pleating machines, and solicits this line of work as a specialty.

Orders will also be taken for figure models, to enable those who wish to do so to do their own dressmaking. With the aid of one of these models, which are molded so as to exactly reproduce the figure, a perfect fit can be obtained by anyone.

Quarters have been secured in the rear of Moe & Company's new store, at No. 125 East Main street, where Mrs. Haney will be pleased to greet all of her old patrons. All engagements previously made for fall work will be carried out as promised, and the new enterprise will not be allowed in any way whatever to interfere with the satisfactory execution of such orders.
