## JACKSONVILLE ITEMS

Mrs. Ella Cook has returned from a week's visit with Mrs. Blaine Klum of Medford.

Miss Corinne Linn returned from Eugene and Portland the first of the week, where she has been spending the summer.

Mrs. J. H. Thatcher and daughter of National City, Cal., are guests at the home of the former's daughter, Mrs. Walter Kito.

Ed Wendt and family have returned from Bly, Ore., where they have been located for the past two years. They were accompanied by Miss Marie Obenchain.

Mrs. G. R. Woodson left for Montague, Cal., the first of the week, where her husband is employed.

Dr. R. E. Golden and Roy Ulrich left for Cougar creek Thursday on a hunting trip.

Mr. and Mrs. Ralph Jennings were recent visitors from Applegate.

Miss Ekron Gall left for Albany yesterday, where she will enter school.

Mrs. W. P. Kentner and children left for Eugene the first of the week, where they will make their home. They were accompanied by Mrs. T. J. Kenney.

Mr. and Mrs. Leslie Rodgers of Klamath Falls have been visiting the latter's mother, Mrs. Ella Margreiter.

Mr. and Mrs. Chester Cook of Daisy creek, Josephine county, are guests at the home of Miss Clara Abbott.

Mrs. Lewis Ulrich entertained on Wednesday afternoon in honor of her cousin, Mrs. Mart Armstrong, of Benson, Neb. A two-course luncheon was served, miniature traveling bags marking the place of each guest. Following were those present: Mrs. Fred Fick, Mrs. Blaine Klum, Mrs. Harry Lay, Mrs. R. E. Golden, Mrs. Charles Nunan, Mrs. B. M. Collins, Mrs. Major Wilson, Mrs. W. H. Johnson, Mrs. J. Reter and Mrs. F. C. Smith.

Mrs. John Dunnington is spending the week with relatives on Williams creek.

Miss Leila Prim left for Wellen one day last week, where she is teaching school.

Mrs. Frank Neil and daughter, Frances, left for Portland recently, where Miss Frances will attend school.

Miss Estella Levy and Miss Mollie Britt were Medford visitors Friday afternoon.

## ASHLAND ITEMS

The second crop of strawberries is in the market. These are not confined to specimens only, but have been on sale in crate lots for the past week or two.

T. W. Younger, general superintendent of Southern Pacific motor power, was in the city Thursday. A number of other railway officials were of his party occupying the private car "San Jose."

Miss Minnie Poley, a graduate of the state university the present year, left for the north, Thursday. She will teach at Stayton, near Salem, the ensuing term.

Big preparations are being made for the normal booster meeting to be held Wednesday, September 25. Very appropriately the gathering will be held on the Normal grounds. The invitation is general, inasmuch as Ashland desires an expression of opinion from one and all. Time not occupied with speechifying will be monopolized by a basket picnic and games.

The city council is represented on

the fire department by an active member, Councilman Louis Werth, who enlisted recently as a volunteer, having been called to the colors by virtue of an emergency caused by a disabled member of the regular force. A pitiful case involving the abandonment of a family by a worthless husband, and made doubly worse by the depth of degradation to which the wife and mother has fallen, is occupying the attention of the city authorities. In all probability four young children will have to be committed to the care of the Portland Aid Society. In the meantime a number of vagrants who are indirectly responsible for this state of affairs, at least as far as the woman is concerned, go unpunished.

Miss Bessie Wagner, daughter of J. M. Wagner, and a last year's graduate of the state university, leaves today for Myrtle Point to teach in the high school of that town.
