MEDFORD MERCHANTS HOLD MONTHLY MEET

The meeting of Medford Merchants association Monday night in the Presbyterian church annex was the first the association has held for three months. There were about 45 present and a sumptuous banquet was served by the ladies of the church.

The following new members were voted into the association: Geo. Brown and sons and Von der Helten Brothers of Eagle Point, D. H. Miller and Merritt and company of Gold Hill.

E. H. Warner, delegate to the state meeting at La Grande made a report and touched briefly on several of the principal topics discussed. He said the members all over the state have never forgotten the grand time they had in Medford two years ago and have a warm spot in their hearts for the city and her people.

R. E. Hoke, manager of the Medford cannery factory, told what they are doing at the factory and said their greatest trouble is in getting products to pack. They are now working principally on tomatoes and can pack double the amount they are receiving. They have no trouble in

selling their pack as it is strictly first class. The next meeting will be held the third Monday in October.

QUIMET EASILY DEFEATED BY UNIVERSITY STUDENT

GREENWICH, Conn., Sept. 22.—Francis Quimet, amateur national golf champion, was beaten 2 up and 1 to play this afternoon by Grant Peacock, a Princeton university student, at the first round of the Greenwich Country club's invitation golf tournament. Peacock's feat caused a sensation.

PRESIDENT RETURNS TO PRINCETON TO VOTE

WASHINGTON, Sept. 22.—President Wilson left here at 8 o'clock for Princeton, N. J., where he will vote at the primary election. He will return to Washington this evening.

ASHLAND ITEMS

No more war news by special service, at least until further notice. The fiat has gone forth, "No money, no bulletins." The service cost \$15 per week, spot cash, without discount or trading stamps. Interest has lagged for some time past, and Kitchener's pessimistic prophecy that the struggle would last for three years dampened the ardor of those who didn't pay a cent. In the early days of the campaign pro-Tenton's sympathizers, with loud language and much of it, recklessly offered to wager many pretzels, with but few takers, that "Papa Wilhelm" would be eating fraut inside the walls of Paris before the idea of September. Then came a slump when the Belgian hare, British lion and Russian bear assumed the offensive. Result, the French frog-eating bon vivants wear a smile of complacency which bids fair to become permanent, whereas the visage of the average champion of the kaiser exhibit about as much expression as a dum-dum sausage. These facial characteristics, however, are subject to change without notice. In the meantime, the Mail Tribune will furnish its unrivalled service, bulletins or no bulletins, arriving here promptly at 5 p. m., with dispatches almost twenty-four hours later than competitors. Now is the time to subscribe before the peace pact gets in its work.

Honolulu Visitor

Dr. J. T. Wayson of Honolulu, T. H., was in the city Saturday on a tour of inspection of his tract in the Rogue river orchard holdings, north of town, being cared for by A. H. Davenport. He is a native of Washington and has been in the islands over twenty years, engaged in private practice and government employment. He reports the advance in sugar promises to be a boon to the planters of Hawaii. His trip to the coast was a hurried one in order to consult San Francisco specialists over eye and ear troubles. In physical appearance, Dr. Wayson closely resembles United States District Attorney Reames.

Mr. and Mrs. D. L. Minkler, old-time residents here, have gone to San Jose, Cal., for an extended visit with relatives.

Realty Activity

As an index of renewed interest in business conditions, one firm in town, the Beaver Realty company, report prospective deals in one week involving \$20,000.

W. P. Moore, "From Missouri," particularly that portion in and about Versailles, is visiting his three daughters here, Mrs. W. H. McNair and her sisters, the Misses Helen and Gertrude.

Ed Hughes started for Calgary, Alberta, Tuesday morning to investigate prospects for a real estate deal in the way of exchanging Canadian for Oregon properties.

Mr. and Mrs. A. T. Warner returned the last of the week from Evansville, Ind., whither they went recently with the remains of Mrs. Reed, the mother of Mrs. Warner, who was buried in southern Indiana, the former home of the family.

Talent Industrial Fair

C. H. Farmer and daughter Alta and Miss Maude Halley were Gold Hill excursionists who remained in that town over Sunday visiting with friends.

Conductor W. W. Blalock and wife are touring the Denver, Salt Lake and Yellowstone Park localities of the Yellowstone Park region.

The city is being billed for the Talent industrial fair, to be held Wednesday of this week, and in view of the multiplicity of events occurring within the next few days, the fact should not be lost sight of that Talent puts up the best kind of entertainment when she undertakes it.

Miss Elsie Harner, daughter of Mr. and Mrs. J. L. Harner, left Monday for Los Angeles to enter an art school.

Mrs. Mary J. Westlake, sister of Mrs. W. K. Smith, returned to Oakland, Cal., Monday, after a visit with relatives here and at various other points as far north as Vancouver, B. C.

NOTICE

Notice is hereby given that the undersigned will apply to the city council at its meeting to be held October 6, 1914, for a license to sell malt, spirituous and vinous liquors in quantities less than a gallon at its place of business, 13 South Front street, city of Medford, for a period of six months.

Dated September 21, 1914.

O. M. SELSBY, Trustee.
