THE MILLION DOLLAR MYSTERY AT IT TONIGHT

Episode No. 8.—The Widow of a Woman. The conspirators determine to get rid of Norton, who is too active against them. They carry out several dastardly schemes, all of which fail. Finally, in desperation, they decide to throw him through a man-hole and let him drown in the sewer. Their plan progresses successfully. He is thrown through the man-hole, but fate, playing his side of the battle, brings about his rescue after a terrible struggle for life in the darkness of the sewer. The countess says he bears a charmed life. They decide that to estrange Florence and Norton, who are secretly engaged, will help them. Braine and the countess form a shrewd plan which the countess artfully carries out whereby Florence is deceived into believing Norton false to her and she flees from the countess' apartment in heart-broken grief. Always 10c.

Presbyterian Church

Next Sunday is Rally Day in the Presbyterian church. Sunday school in the morning at 10 a. m. Church services at 11 a. m. Christian Endeavor at 6:30 p. m. All Sunday school scholars and all church members and adherents are urged to be present. At 7:30 p. m. Dr. Hodges, representing the State University of Oregon, will give a stereopticon lecture on the evil effects of alcohol on the physical system. All interested in the temperance question in any way are urged to hear this lecture that they may vote right.

SECOND SUIT AGAINST KING

Another suit was filed this morning in the circuit court against George F. King, oil and timber promoter in connection with his Gachina-Panama oil project, for alleged breach of contract. The plaintiff is Charles F. Young, judgment for \$1000 is asked, and the attorney is Gus Newbury. Young's action was first combined with the suit of W. A. Stewart against King, but to wipe away a possible technicality a separate action was filed. Suits by other stockholders in King's project are probable.

Friends of King maintain that a vote of confidence, and two years more time was given him for the working out of his development plans at a meeting of the stockholders Wednesday evening in the Jackson County Bank building. It was claimed that out of 18 or 20 present all but two or three signed the petition. The other side of the issue say that instead only two or three signed, and that holders of \$250 stock were in the majority. Some of those credited with signing the "vote of confidence" are reported to be making plans for the filing of suit against King for the recovery of their investments.

WET VS. DRY DEBATE SUNDAY

Earle Albert Rowell and Edward Adams Cantrell, both of Portland, will debate the prohibition question Sunday night at 8 p. m. in the Medford Auditorium. Both men are experienced platform men and pleasing and interesting speakers. Both sides of this important question will be clearly presented. The debate will draw a large crowd since all voters are called upon to express themselves Nov. 3rd, and it is not often both sides can be heard in the same evening. The public generally and ladies especially are cordially invited to attend. The question to be debated is "Resolved That Prohibition in Oregon Will Be Detrimental to the Fundamental Interests of the People." Mr. Cantrell will affirm and Mr. Rowell will deny.

With Medford trade is Medford made.

URIC ACID IN MEAT CLOGS THE KIDNEYS

Take a glass of Salts if your Back hurts or Bladder bothers you—Drink more water.

If you must have your meat every day, eat it, but flush your kidneys with salts occasionally, says a noted authority who tells us that meat forms uric acid which almost paralyzes the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To neutralize these irritating acids, to cleanse the kidneys and flush off the body's urinous waste get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate sluggish kidneys, also to neutralize the acids in urine, so it no longer irritates, thus ending bladder weakness.

Jad Salts is inexpensive; cannot injure, and makes a delightful effervescent lithia water drink.

THAW HEARING SET FOR OCTOBER 12
