

T. R. SAYS OLD PARTY'S FOSSILS IN ALL REFORMS

COLUMBUS, O., Sept. 28.—Addressing an audience in Memorial Hall here tonight, Col. Roosevelt criticized the old party as "fossilized" found little save inefficiency and incompetency in their programs affecting labor, combinations, and the tariff, and pointed to the progressive platform as the only one showing the way to true reform.

"The attitude of the present democratic administration on the tariff and trusts," he described as firing "so as to hit it if it is a bear and to miss it if it is a calf."

The colonel explained his opposition to state ownership in most instances because of the superior efficiency of most privately conducted enterprises. The distribution of the mails, water and light he said fall naturally within the province of the state, but in general state regulation and supervision were to be perfected to state ownership.

On the subject of corporations, the former president said that the war time advance in food stuffs and the plight of the cotton growers emphasized the need of properly regulated and supervised combinations for the benefit of the great and small alike. The war, he added, has shown the need of combinations among business men, especially small business men. But, he said, they were prohibited by laws which prohibit all combinations, good or bad.

Colonel Roosevelt took the declension in the International Harvester case, recently handed down as an illustration of the evil effect of condemning all combinations.

"The court in the Harvester case," said the colonel, "decided that what the Harvester company had done was beneficial to the country as a whole, but that it was illegal."

GALICIA CLEAR OF AUSTRILIANS NOW

LONDON, Sept. 29, 6:30 a. m.—A Petrograd dispatch to the Reuter Telegram company states that an army messenger has announced that the Russians have almost completely cleared Galicia of the enemy, who has taken refuge in the passes of the Carpathian mountains. The same source confirms reports of the destruction of the Austrian army.

An eye-witness states that two German corps took part in the battle of Jaroslau, according to the same dispatch. Russians had to take most of the enemy's trenches at the point of the bayonet.

LOBERT SCHEDULED AS PHILLY HEAD

PHILADELPHIA, Sept. 29.—It was reported in baseball circles here today that unless there is an unexpected hitch, John B. Lobert, third baseman of the Philadelphia National league team, will be made manager of the club at a meeting of the directors of the organization to be held this week. The contract of Charles S. Dooin, who has managed the Phillies for several years, expires with the close of the present season.

Lobert has been with the local team since 1911, when he figured in a big trade between the Philadelphia and Cincinnati clubs.

POOR EYESIGHT BARS ENGLISH RECRUITS

NEW YORK, Sept. 29.—The British consulate was besieged yesterday by a small army of men waiting to enlist. More than 300 were examined. Particular attention is given to the applicant's sight. More than 30 per cent, it was said, were turned away because of defective vision. About 250 registered yesterday and await the order to proceed to Canada.

All Tahama Crew Safe
WASHINGTON, Sept. 29.—Commandant Berthoff of the revenue cutter service received word today from Unalaska that all the officers, members of the crew and other persons aboard the cutter Tahama, when she was wrecked on an Alaskan reef on September 21, have been found and are safe.

CLOSE RACE IN NEW YORK STATE; GOV. GLYNN WINS

NEW YORK, Sept. 29.—Whether James Waldsworth Jr., or M. Calder is the republican nominee for the United States senate from New York and whether William Sulzer or Fred Davenport is the progressive nominee for governor will not be known until all the ballots cast up-state yesterday are counted.

David Jayne Hill was hopelessly distanced. Although the progressives cast an extremely light vote, they have an interesting fight on. With approximately half of the election districts in the state reported, Davenport is leading Sulzer by about 1000.

Governor Glynn defeated John A. Hennessey for the democratic nomination for governor with ease. The estimate at Tammany Hall that the governor would win by 75,000 in this city will not fall far short of being correct. He also leads up state.

District Attorney Whelan had a runaway race against Harvey D. Hinman and Job Hedges for the republican gubernatorial honors, showing surprising strength both up and down state.

Ambassador James W. Gerard proved an easy victor over Franklin D. Roosevelt and James S. McDonough in the race for the democratic senatorial nomination.

MORMONS HELD AS ENGLISH SPIES

LONDON, Sept. 29, 11:50 a. m.—Thirty Mormon missionaries appeared in the offices of the American relief committee today, having arrived in London after much trouble from the various war zones. Most of them came from Germany and Austria, but a few are from Belgium and France. Those who had been in Germany and Austria had been arrested as English spies and they expressed some difficulty in proving their nationality.

Two hundred Mormon missionaries, headed by Elder Hiram W. Valentine, will remain in Europe and make their headquarters at Basel, Switzerland, from which point they will carry on their work as far as possible.

CZAR'S TROOPS IN UNG PROVINCE

LONDON, Sept. 29, 11:35 a. m.—An official communication issued at Buda Pest, according to a Rome dispatch to the Exchange Telegraph company, admits that the Russians have succeeded in crossing the Hungarian frontier at several points in the Ung district, despite the fact that reinforcements have been sent against them.

Ung is a county in the northeastern part of Hungary.

ITALY NOT TO MEDDLE IN AFFAIRS OF ALBANIA

ROME, via London, Sept. 29, 7:10 a. m.—"In view of the grave situation now existing throughout Europe," says the Tribune today, "Italy does not consider that the offer of the crown of Albania to a son of Abdul Hamid, ex-sultan of Turkey, is sufficiently important to justify intervention."

BURGOMASTER OF BRUSSELS FREED, INDEMNITY PAID

BRUSSELS, via London, Sept. 29, 10:21 a. m.—The release of Burgomaster Max again gives the picturesque mayor of the captured Belgian capital a chance to serve as intermediary between his people and the Germans, a position which he has filled with extraordinary originality.

When the invaders entered the city he procured liberal terms from them by guaranteeing good behavior on the part of his people. By means of posters, M. Max conveyed orders and war news to his people after the regular press had been suppressed and when this was forbidden he mounted the steps of the town hall every morning and read out the Belgian version of the war news, which did not always correspond with dispatches printed in official German papers.

Burgomaster Max was put in the jail from which he has just been released, over a dispute on the question of the payment of the indemnity demanded by the Germans, which was paid yesterday.

NEW COMET IN HEAVENLY SPHERE

CAMBRIDGE, Mass., Sept. 29.—The discovery of a new comet by Professor Clarence T. Haggerty of the New Mexico College of Agriculture and Mechanical Art was announced by the Harvard college observatory today. A telegram from Professor Haggerty to the observatory said that the comet was visible to the naked eye and gave its position as right ascension, nothing hours, five minutes, declination minus 45 degrees at 11:30 a. m., September 23.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not speak, nor sleep to do any good, had no appetite, and everyone thought I would not live. Some one advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine and my doctor said he could do me no good so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong. I have always recommended your medicine ever since I was so wonderfully benefited by it and I hope this letter will be the means of saving some other poor woman from suffering."—Mrs. MARTHA SNEYDY, Box 1144, Unionville, Missouri.

MALINES KEY TO ANTWERP RESIST GERMAN ASSAULT

LONDON, Sept. 29, 5:20 a. m.—An official communication given out by the Belgian government is contained in an Antwerp dispatch to the Reuter Telegram company. It says: "After bombarding Malines, 11 miles southeast of Antwerp, the Germans under cover of night re-entered unoccupied town but now have resumed their march therefrom."

"The Germans have directed the fire of their heavy artillery on the forts of Wavre, St. Catherine and Welheim about ten miles from Antwerp but with a result not justifying their great expenditure of ammunition. Our forts replied and the bombardment ceased."

"Between the Dendre and the Willebroeck canal, west of Waelheim, the offensive movement of the enemy

was promptly checked. The forts inflicted serious losses on the enemy and compelled his retreat."

HOW ANTI-SALOON LEAGUE INCREASES ITS MEMBERSHIP

THIRD LESSON IN PRACTICAL POLITICS

HOW ANTI-SALOON LEAGUE INCREASES ITS MEMBERSHIP

THIRD LESSON IN PRACTICAL POLITICS

Gather closer, children, because I want you to listen closely to how we Outside Agitators of the Anti-Saloon League have lined up Our Fight for the Oregon Legislature. You must keep repeating it in your mind until you fully understand it that our one Stock in Trade is Hysteria. That's what caught on with the Pittsburg Millionaires. By making the People think that we were trying to Save Men we could jam them full of every kind of tommyrot Emotional Stuff. The Politicians themselves Know that the Great Majority of Men and Women of this nation are Good; that they have real Heart Cords that respond to Noble Sentiments; that No subject excites a Kinder Sentiment in the Hearts of Men and Women than the pictures of Other Men and Women who have Fallen, nor a more instantaneous response than an Appeal for their Uplift. So the Politicians told us to bear down more heavily on Hysteria to make the People Think we were working for humanity, and not for Votes, or for Legislatures. "Bring the tears," was what our Political Instructor kept emphasizing, "the People won't Realize that its only Paid-For Acting."

So when we came to Oregon our very first work was to Line Up a lot of organizations that are Really Working for Human Uplift—Charitable and Temperance Organizations, and the like. We played on their Sympathies, asked them if "We were not their Brother's Keepers" and didn't forget a few tears. You see if we could Fool Them through the Tenderness of their Hearts we had a good show to Slip Over a lot of Members of the Legislature—and that, children, is what you must not forget that we Anti-Saloon Leaguers are after.

The Best Stroke we have done yet in Oregon is to take in our latest Charter Member, the Convicts at the State Prison. You see, children, everyone feels sorry for convicts. We figured it out that there were more Tears, more Real Hysteria hanging around the Convicts than anything we could light on. So we decided to hook up with the Convicts by admitting them to membership in "Our Fight" for the Oregon Legislature.

You see, children, the Convict is largely the product of Bad Eugenics and Hygienics, Violent Parentage, Impoverished Birth, Babyhood and Childhood Ignorance, Lack of Employment and a lot of Other Things which never Worry the Anti-Saloon Leaguer. But if we could only get the Convict to say that they were behind the bars because of alcohol then we could Inject more Hysteria into our Work in this way than in any Other Way.

So we got a few Real Christian People worked up over the subject and then went down to Salem to Fix it with the State Authorities to Make the Convicts lay all their troubles onto Alcohol.

Children, it was like taking candy from babies. The poor Convicts were told that if they Performed Right and put some Tears into it, they would Stand in with the Prison Officials and maybe would get their Freedom. You may not know, children, what the word Freedom sounds like to a Convict. If he would sandbag a lone wayfarer for a little silver or rob some windows, and orphans of their last cent to buy automobiles

for Shew, he would sign a Quitclaim Deed to his Soul to get that Freedom. He would even go further, Maybe, than we Field Agitators.

When the Convicts were told that all they had to do was to lay their imprisonment onto alcohol they couldn't get their names down fast enough. They Performed so splendidly that we recognized them as True Brothers of our Kind, fit to rank with the Pittsburg Millionaires and us Field Agitators as Charter Members of the Anti-Saloon League, and they were Unanimously Admitted on the Spot.

By thinking the Thing all over between now and our next lesson you will see, children, that it isn't True Temperance we are after, nor even Prohibition, but its the votes by talking Temperance, so we have to resort to Deceit, Exaggeration and Falsehood. That's what the Pittsburg Politicians told us.

"Never mind what you tell the People," they said, "so long as you can put a lump in the People's Throat. Don't appeal to their Reason, because you may get the People to Thinking about Practical Politics. If you can put a big Enough Lump in the Throat, it may not dissolve until after election day—and that's all we want. We maybe will have the Legislature. They'll have lots of time to dissolve the lump when their taxes begin coming in, when people begin moving out of the state, when thousands of men and women, including themselves maybe, have lost their jobs, when values begin decreasing, when incomes begin reducing, when hundreds of stores become vacant and when general Stagnation sets in.

That is the condition the Millionaires always want in a state, after they have captured a Legislature. Then they can buy up everything that Looks Good to them at their Own Price. When they control the Public Offices they can shift their Taxes onto the Other Fellow; they get so many people out of employment that Anyone is willing to work for Almost Anything; they pass all kind of Bills through their Legislature that give tem a Tighter Grip on the People.

That was why the Pittsburg Millionaires gave a "Put it Through" dinner at their own expense to some Portland Business Men at the Portland Hotel a few weeks ago; that is also why the Anti-Saloon League officers are telling all over the state that the Pittsburg Millionaires are going to bring a lot of factories to Oregon. They've told them that in Kansas for Thirty Years but Kansas is still waiting for her factories from Pittsburg. You see they are always trying to fool the Business Men.

The Portland Chamber of Commerce gave us quite a jolt, though, when they voted Four to One against Prohibition. Those Business Men generally see the Joker in Politics, that's why we try to Fool the Women so much. They don't always all stop to Think that maybe their own Husband, Brother, Father, Son or Daughter may be the one that Loses a Job; nor where the Bigger Taxes are coming from, nor who is going to make up the \$800,000 lost license revenues after all this Stagnation comes. Is it any Wonder that we have to Lie to the Women?
