ELKS ENJOY FUMIGATION

About 250 Elks and 150 visitors gathered at the lodge rooms last evening at the final smoker in the old quarters to give them a "fumigation" before moving to their beautiful new building, which will be ready in the near future. Fumigation pots in the form of cans of "Velve" and cob pipes were worked overtime while they enjoyed an interesting program prepared by the committee, J. J. Buchter, Lee Jacobs, E. H. Giddis, W. H. McGowan and N. S. Bennett.

Among the main features were the usual battle of wit between Gus Newbury and Judge Kelly, which was a draw; music by the Elks' orchestra, songs by the Elks' quartet of Ashland and the Varsity Trio, Messrs. Rapley and French Bros., vaudeville performers; an impressive bit of oratory by Mr. Vining of Ashland, a four-round boxing contest by Freddie Hurst of Medford and Bud Shanrook of Seattle; barnyard and other imitations and funnel soles by Jake Weiss.

After the program, all repaired to the banquet room, where Messrs. Bigham and McQuirk's "home-crown" steelheads had been roasted to a turn and spread with other delicacies prepared by N. S. Bennett and assistants.

Had Lung Trouble, and Expected to Die

With the civilized world anxiously seeking a specific for Lung Trouble, the number of recoveries brought about through the use of Eckman's Alternative medicine for Throat and Lung Troubles, is attracting universal attention. For fifteen years Eckman's Alternative has been used and the reports of recoveries in many supposed hopeless cases indicate that this medicine is doing a wonderful amount of good. Read this:

"Gentlemen: I was laid sick in November, 1908, with a very bad cold and dizzy spells. The doctor then pronounced my case as Malignant Fever. I grew steadily worse. Had two consultations held over me, and the verdict was that the fever had affected my lungs and that my case was hopeless; only gave me two months to live. My children had tried most all kinds of treatment and none did me any good, so he asked my husband if he objected to his trying a proprietary medicine. So I began on your Alternative. I was in bed from November 10, 1908, on February 25, 1909, and was thought dying several times. Today I am healthier and stronger than ever."

MR. H. E. BRILEY (Always remembered under my name) Eckman's Alternative has been given by many years to be used. LADIES! LOOK YOUNG, DARKEN GRAY HAIR

Use Grandma's Sage Tea and Sulphur Recipe and nobody can tell. Brush it through hair.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wiry and scraggly, just a few applications of Sage Tea and Sulphur restores its appearance a hundred fold.

Don't stay gray! Look young! Either prepare the tonic at home or get from any drug store a 50 cent bottle of "Wyeeth's Sage and Sulphur Hair Remedy." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
