LAND FRAUD CASES TO BE PROBED IN FEDERAL COUR

WASHINGTON, Oct. 3,-United States District Attorney Reames left for Portland Friday, after concluding a series of conferences with the department of justice and the interior department, relative to contemplated prosecutions in Oregon for violations of the timber and stone act. The fact that a new attorney general was recently appointed made it advisable W. Mears, progressive candidate for presents itself, denouncing him in the for Mr. Reames to come to Washing- congress but has not been published port R. A. Booth who looks to ex-Preton for consultation before entering as yet in that journal; on those eases.

In the Williamson case, when an appeal was taken to. the supreme court four years aco, it was held material onl - by rule of land office. Since that time several locators in Oregon and Washington have been congressman in this district. inducing persons to file timber claims

perjury and subornation of perjury can be predicated on these oaths. Probably fifteen locators and about pat republicans? sixty clients are involved in the

Mr. Reames before leaving Washington said he would present these eases to the November federal grand jury. Mr. Reames goes direct to Medford.

Senator Lane will leave for Oregon upon adjournment and Senator Chamberlain later.

ROCKEFELLER ENLIGHTENING THE WORLD

D OCKEFELLER, through the Rockefeller Foundation, is to make a study of industrial relations, to ascertain changes come that will deprive mathe why and wherefore of labor wars and strikes.

. Rockefeller refuses to make a study of industrial rela- of affairs of the state. It is benefitions in his Colorado mines, or knowing them, to take any nated as a matter of evolution in steps to remedy conditions that have produced a labor war every thing. Every legally recog-

Rockefeller poses as anxious to better the world and nized political party is entitled to starts endless investigations of white slavery and labor representation,

Rockefeller refuses to better the world by remedying conditions in his own institutions that cause white slavery and perpetuate labor slavery.

Rockefeller spends his money to accumulate a mass of dry statistics of no use except to some theorist under pretense of preventing labor wars in the future.

Rockefeller also spends his money (ignoring statistics accumulated in his own properties) to prevent a settlement of labor wars of the present.

The causes of industrial wars are very generally understood. They can be mainly traced to the selfishness from Potchefstrom, the Transvaal, quested by Secretary Lane to tender people have been hostile to Germany and greed of the parties affected.

The cause of at least one labor war, that in Rockefel- by General Christian De Wet to ad- service employe and could not be re- ery is for a greater Roumania and ler's mines, has been so clearly set forth and so thoroughly dress a meeting of protest against moved, exploited that Rockefeller's probers do not need to waste the government's action in regard to In this contention Arant was sup- Transvivania.
