# VON KLUCK ENGAGED IN ATTEMPT TO OUTFLANK ALLIES AND CUT THROUGH CENTER OF LEFT WAGED ALONG

On Left Wing of Allies Battle Continues With Great Violence, States French Official Statement-Nothing New in Center-German Attacks in Woevre District Fail.

PARIS, Oct. 7, 1:39 p. m .- The following official communication was given out in Paris this afternoon: "On our left wing the battle still

continues with great violence. The opposing fronts extend into the region between Lens (nine miles northeast of Arras), and Labassee (13 miles southeast of Lille.) and are lengthened by masses of cavalry which are in grips as far as the vicin- + ity of Armentieres (nine miles northwest of Lille and virtually on the + Beigian frontier.)

"On the front extending from the | Somme to the Meuse there is nothing +

"In the Woevre district the enemy | made a new effort to stop our progress, but his attacks again failed.

"In Russia, the German army, defeated in the battle of Augustowo. which lasted from September 25 to October 3, endeavored to arrest the Russian pursuit at prepared positions along the line of the Wirballen uation in the western arena of the frontier. At Lyck the Russian troops war, says the fighting on the German continue their advance and at several right wing in France has been suc places they have penetrated into cessful. East Prussia. To sum up, the Gerbeen brought to an end by a comsiderable losses."

### BORDER GUARD OPPOSITE NACO IS REINFORCED

NACO, Ariz., Oct. 7.—Three troops and three of the tenth arrived here today from Donglas to reinforce the American border guard opposite min Hill and his garrison are under siege by Governor Maytorena. There are now fourteen troops of United States cavalry here, with two machine gun platoons, and Colonel C. A. Hatfield, brigade commander, is expected this afternoon to assume charge of the American forces.

The reinforcement of the American troops on border patrol followed closely upon the report that one or the other of the contending Mexican dian unrest. factions might make an advance via American territory. General Hill began digging trenches parallel to the border line last night and explained that it was a preparation to meet Maytorena, whom he expected to advance over American territory. But today, soon after the six additional troops of American cavalry arrived. he ordered the trenches filled up. Colonel Guilfoyle, commanding the American troops, had informed both Hill and Maytorena that any armed Mexicans found on American soil would be fired upon.
