EAGLE POINT EAGLES

The Eagle Hotel has changed hands again, Mr. Denny having rented it to Miss Louisa Blass for a term of three months.

Jerry Phillips and his two little children, spent Tuesday night with us. He is from Josephine county and was on his way up to Trail where he expects to send his children to school this winter. A gentleman by the name of Cornell was also here the same night.

Tuesday night was rather a noted night in our little town. That night was the night for the regular meeting of the town council and notices had been posted that James Vogel would apply for the renewal of his license to sell liquors, etc., and the way the council stood two of the resident members were for and two against the renewal, there was and in but four of the members of the council living in the town as George Fisher had sold out his interests here and been in Klamath county, working this summer and Art Nichols had moved up on Big Butte but by some means or other they both happened to be in town that night and took their seats in the council and the license was granted. Among other things the council did was to cut the salaries of the town officers all to fifty cents. The recorder's salary they cut in half, allowing him \$10 a month, and the town treasurer's from \$5 a month to \$10 a year and the town marshal from \$15 to \$5 a month and now they threaten to resign and leave us without any officers except four councilmen and the mayor and as the present members of the council stand, two dry and two wet, and if each side should contend for men to fill the vacancy on their side, they may have trouble getting the tangle unravelled.

On the same night there was a meeting of the friends of our minister, Rev. L. L. Simmons, for the purpose of contributing to his worldly wants. There was about 30 or 35 persons present and the evening exercises was opened by a prayer by Rev. McKee and then the chairman called on our Eagle Point correspondent to give a talk on "The experiences of a minister in the early history of the church work on the Pacific coast." and he gave a brief account of his experiences in California and Oregon as a "Circuit Rider," after which he had instrumental music by Miss Goff of Kansas City, and then her father, Mr. S. E. Goff, entertained us with a recitation of a German comic piece and when he was encored he responded with another comic piece. Then his wife was called on and she rendered a poem on the subject of temperance and when encored related an incident caused by a young lady giving a young man his first glass of wine. Then came the singing which continued until after 10 o'clock when the various contributions were given which amounted to \$10 in cash and \$7.70 in useful articles, after which the audience was dismissed by a short prayer by the writer. Our visitors remarked that the event was one of the most pleasant occasions in their travels.

Mr. Goff and family started the next day for Seattle, Wash., but they said that they will long remember the pleasant day they spent in Eagle Point.

John Higginbotham of Butte Falls and his brother W. A. Higginbotham of Prospect and George H. Stonnard of Ashland spent the night with us last Tuesday and while here John Higginbotham paid up a little of an arrear on his subscription to the Weekly Mail Tribune and another year in advance and secured one of those nice maps of the United States that goes as a premium.

Born, October 6, to Mr. and Mrs. H. G. Meyer of Lake creek a 7 1/2 pound girl and Grandpa Herman Meyer, is as proud as a grandpa can be.

Mrs. Arthur Pool and Mrs. S. J. Day were out Thursday visiting friends in Eagle Point. Mr. Knight, the owner of the Alaventa orchard, came out on the P. & E. Thursday morning and went over to the orchard. He says that he has a fine lot of apples and that he intends to keep his Newtowns for a while until the market opens.

PARIS, Oct. 12, 11:15 a. m.—A German aeroplane at a quarter past 1 this morning dropped bombs between two railroad trains that were in the act of pulling out of the North Railroad station. The missiles did not explode and were later found imbedded two feet in the earth.

To The Public. It has been reported around that I didn't drive my horse King Seal, in the race he won at Salem, the 2:10 pace. Will say that I drove him in that race and have driven him in every race that he was in since I have owned him. I bought him in the fall of 1912 and his record was 2:15. That fall I lowered it to 2:13 3/4 and in 1913 2:11 3/4, and this fall at Salem in the 2:10 pace of 2:09 in winning races. 174 T. L. TAYLOR.
