

NEWS FROM COUNTRY CORRESPONDENTS

ASHLAND AND VICINITY

The "Sona" league, otherwise known as the Southern Oregon Natural Attraction association, an organization composed of boosters in the counties of Jackson, Josephine and Klamath is agitating the question of alignment of the three counties through its commercial bodies into a common band of workers for the advancement of the general good.

The Sander brothers are among the busiest young men either in this or any other town. The quartet consists of Joe, Will, Henry and Leo, and they certainly believe in diversified industries and moreover carry their ideas into practical effect.

Atletics are being given an impetus at the east side school by the introduction of both volley and basketball. Prof. Milan supervises the sport, and two teachers are delegated daily to assist in the work.

Mrs. Harold Alkin, of Medford, formerly Miss May Rose, was in town Tuesday, visiting numerous relatives here.

Mrs. J. W. McCoy, wife of the cashier of the First National Bank, was in Medford, Apple Day, visiting with the family of Judge Calkins.

Apple Day was kept more in the breach than in the observance. The notable display was in the windows of the Citizens Bank where an even six boxes of Newtowns Spitz, Ben Davis, Willowtwig, Red Cheek and Lamber-twig specimens were viewed with admiration.

Frank Snyder of Buncom is very busy with his beans. Orpha Lewis of Hugoom is visiting her friends at Watkins.

Mrs. Phillips and Mrs. Culy were the guests of Mrs. A. D. McKee on Tuesday.

Mrs. Nina Remmen entertained the Ladies Aid Thursday afternoon. Mrs. C. C. Scott returned Saturday from attending the State Federation of Clubs at Eugene.

Mrs. J. B. Webster attended the marriage of E. Wild and Miss Carrie Gallop in Medford last Thursday.

Mrs. Anderson of Grants Pass is visiting her daughter, Mrs. H. Ager, of this place.

J. F. Hittson of Medford was in town Wednesday in the interests of his candidacy for sheriff.

Mrs. Harrison M. Wild of Chicago was the guest of Mrs. J. B. Webster the past week. Mrs. Wild came west to attend the marriage of her son which took place last week.

Mr. and Mrs. G. Yost, Mr. and Mrs. V. Barnum and daughter, Marlon, Mr. and Mrs. S. P. Cope and son, Mr. and Mrs. W. J. Elmer and J. F. Wortman went to Medford Saturday evening to hear Governor West speak. While the governor is not an orator he told in a straight forward manner the conditions in state affairs and how he met them and had the sympathy of the audience throughout his speech.

The Pacific highway is nearing completion in this place. The crew from the south have one a short distance to cement until they reach the place where the cement work ended on the north.

Senator Chamberlain and a number of Medfordites were in town Wednesday. The senator renewed old acquaintances and made new ones.

The Commercial club is again agitating the question of a small municipal levy for publicity purposes, in lieu of a direct appropriation by the council for such needs, inasmuch as there is a difference of opinion as to the legality of the latter plan.

On the basis of an approximate valuation of \$3,000,000 for Ashland, a 3/4 mill levy in the city budget affords about \$2200 revenue for the upkeep of the library, and a levy of 6-10 of a mill in behalf of the park commission yields \$1800. These are very low and increases will be asked by the respective boards. The park commission is entitled to two mills under the charter, while the library's needs increase year by year.

A committee from the commercial organization has been appointed to take up the publicity feature with the city authorities. Incidentally they might also ask for the \$500 balance out of a \$600 appropriation made for postage purposes specifically for three years ago.

W. I. Hickory and family left on Tuesday for their winter home in San Diego, after a residence in Ashland of nearly a year. The family came here from Great Falls, Mont., and find it very agreeable to pass the several seasons in various latitudes ranging from Montana to Southern

California, their stay in southern Oregon being the happy medium between two extremes.

Stirring accusations in Monday's Tidings are causing no developments thus far. Republicans are ignoring the entire matter. Greer, however, is a live wire, and will stir up a hornet's nest if he considers such a course necessary.

"WET" LEAGUE IN FIGHT OVER COIN

Only Two "Taxpayers and Wage Earners"

BREWERS PUT UP FUNDS

KNOWING THAT OREGON DRY MEANS BETTER BUSINESS FOR ALL LINES SAVE ONLY SALOONS.

BY ORTON E. GODWIN, Publicity Department, Committee of One Hundred.

The great campaign to make Oregon "wet" has failed.

The exposure by Dr. Cora Talbott, secretary of the "Taxpayers" and Wage Earners' League, that the organization consisted of two persons, Mrs. Duniway and Dr. Talbott, and was financed by the brewers and distillers to make Oregon "wet," threw the fat into the fire.

The brewers and distillers know that all kinds of business save theirs is better in a dry town.

They know this has been proved by figures and facts from Salem, Oregon City, Roseburg, Albany, Newberg, Ashland, Corvallis, Pendleton and many other towns.

Organization Spreads Untruths. So they organized the "Taxpayers" and Wage Earners' League" to spread misinformation about Oregon dry.

They know bank deposits in dry towns have increased in number and amount. They know bad debts are almost unknown in all dry towns. They know collections are better. They know arrests from drunkenness are almost unknown. They know every dry town in Oregon is prosperous.

So, they became desperate. "Taxpayers' League is 'Joke.' Then they organized the joke "Taxpayers" and Wage Earners' League." Dr. Talbott was secretary. She became disgusted when she learned money was being collected by the brewers and distillers by the use of her name, and she resigned.

Then Mrs. Duniway advertised lavishly, announcing that the money the "league" was using was provided by the brewers.

The campaign of misinformation carried on by employees of the league, who are also employees of the breweries and distilleries, is now known all over Oregon.

Brewers Spending Your Money. Every man, woman and child has to spend \$20 a year with the saloons.

If you do not drink, some one else has to pay YOUR share. So, it is YOUR money the Oregon brewers and Eastern distilleries have been using to persuade YOU Oregon wet will do YOU good. It is believed they expect to spend over \$200,000 of YOUR money.

They know Oregon dry will put them out of business and help every other kind of business in the state. Although the breweries and distilleries know Oregon dry is for better business, prosperity and more work, they are fighting it.

No Saloons; Better Business. We have had bad times with the saloon, haven't we? Why not try no saloon? It can't make things worse and is certain to make things better.

The reason is: Money spent on the saloon cannot be spent for groceries. Money spent in the saloons—much of it goes East. Money spent for dry goods and groceries stays in the towns and makes better business.

The members of the Committee of One Hundred are all Oregonians. Most of them are business men. They ask you to vote Oregon dry, because they know, as the brewers also know, that Oregon dry means better business, lower taxes, more work and a return to prosperity.

For the experience of all Oregon dry towns has proved this to be the case.
