The Government, and the Army and Navy, Mrs. Geris. The Royal Family, Nobility and Gentry, Mrs. Snedcor, while Mrs. Crews closed the program with Middle Class and Peasantry. Current Events by Mrs. Stoddard proved a most interesting addition to the program.

H. Van Elliott of this city and Miss Nellie Decker of Roseburg were united in marriage in the latter city last Sunday. They will make their home in this city where Mr. Elliott has business interests. Miss Decker is one of Roseburg's most popular society girls. Mr. Elliott is well known in the valley having been connected with the Medford Fish and Poultry company for the past three years.

Olive Rebecca Lodge No. 28 held a social at their hall Tuesday night. The hall was decorated to represent Halloween. The evening's entertainment consisted of befitting games, followed by a banquet. A very enjoyable evening was had by all. The next social evening will be held the middle of November.

Mrs. John Jennings of Restoniel Manor, Cornwall, England, has recently arrived on a visit to her daughter, Mrs. A. T. Lathrop, Penbro orchard. Mrs. Jennings left England on September 17th, and in spite of the unsettled conditions due to the European war had a quick and safe passage.

On Wednesday evening the Pythian Sisters held their monthly social session. The hall was beautifully decorated with autumn leaves in keeping with Halloween. The evening was concluded by a banquet.

Mrs. Wilbur Jones of Ross Lane left Friday morning for Eugene where she will be a week-end guest of her daughter and son, Maude Newbury and Donald Newbury, who are students at the University of Oregon.

The Parent-Teachers' circle of the Roosevelt school met Friday afternoon with an enthusiastic attendance.

The boys of the Third, Fourth, Fifth and Sixth grades, under the direction of Miss Keutner and Miss Wortman, gave a folk game, and the pupils of the Fifth and Sixth grades under the leadership of Mrs. Gallinger, gave an Indian club exhibition. Both of these numbers were greatly appreciated and showed a great deal of careful training on the part of the teachers. This is a continuation of the work in physical education which is being done in the school by the teachers, a part of which was shown during the teachers' institute.

The Roosevelt school has purchased a beautiful new piano. The circle heartily endorses this movement and the plan received the support of the circle.

Mrs. E. E. Gore gave a short talk on the Ashland Normal bill, urging each member to give her support to this measure.

The subject for discussion was punctuality. Mrs. Bunce read a most helpful paper showing the value of time and the necessity of being punctual in all of the business of life.

Miss Fielder talked of punctuality from the teachers' view point. A discussion by the members followed.

The meeting closed with two very interesting readings by Miss Calkins which were greatly enjoyed.

The next meeting will be held the third Friday in November.

A joint meeting of the Parent-Teachers circles was held Friday evening at the Presbyterian church. Nearly a hundred were present to hear Mr. George Briscoe, city superintendent of the Ashland schools on the subject of school survey.

Because of his position as an educator in southern Oregon and his relation to the State University, Mr. Briscoe's remarks were received with authority, and he was listened to with much interest and attention. He has recently made a survey of the Ashland schools and spoke in emphatic terms of the benefits accruing from the same.

Mrs. C. O. Power presided and Mr. Ben Sheldon gave a talk urging the favorable endorsement of the reopening of the Southern Oregon Normal at Ashland.

Miss Calkins gave two dialect readings that were also much enjoyed. An informal discussion of the advisability of a local school survey followed the meeting.
