

BRITISH GAIN GROUND REGION OF YPRES AND ARRAS

LONDON, Oct. 31, 11:35 p. m.—Severe fighting continues with little intermission along the allies' line, especially toward the north. The German resistance is stubborn and fierce counter attacks are made by them frequently.

"Nevertheless, the British are steadily gaining ground. In a counter attack one brigade delivered a brilliant bayonet charge, accounting for many of the enemy, whose losses throughout the fighting are heavy."

The foregoing was issued at 11:15 by the official press bureau.

PARIS, Oct. 30, 11:41 p. m.—Officers returning here from the battlefront say that success for the allies has grown out of the series of furious conflicts on the extreme left wing lying near the coast, as well as in the vicinity of Ypres and Arras. Everywhere, they say, the Belgian, French and British forces have been able to resist the onslaughts of the German columns, and to reply with counter attacks so full of vigor that they carried the allies always still further forward in the movement to recapture Belgium.

The unhesitating manner in which the Germans threw their masses of men at the allies positions time after time, these officers say, caused astonishment. In the lines of the allies the impression prevails that it was the determination of the Germans to break through at any cost. Their heroic sacrifices were in vain, however, for after they had used themselves as a human battering ram they were compelled to fall back without having accomplished their task.

The opening of the dykes by the Belgians near the mouth of the River Yser placed a formidable obstacle in the way of the Germans, who were compelled to recross the river, and during this operation suffered severely from the allies' artillery.

The attacks of the Germans today are reported not to have been accompanied with the violence of their previous assaults.

On the entrenched positions of the Somme, Oise and Aisne frequent isolated actions occurred especially near Rheims. Both armies were so well buried in rifle pits and trenches, however, that no important change in the positions was brought about.

JAPANESE TO BOMBARD GERMANS AT TSING TAN

TOKIO, Oct. 31, 11 a. m.—It is officially announced that a general attack was opened at dawn today on the German position at Tsing Tan. The shelling of the fortress continues at this hour. The spirits of the allied troops are said to be high.

The emperor's birthday is being celebrated today.

LOSS OF LIFE ON HOSPITAL SHIP STILL UNCERTAIN

WHITBY, Eng., Oct. 31, via London, 11:10 p. m.—The loss of life on the British hospital ship, which crashed on the rocks off the Yorkshire coast near here before dawn today, is a matter of doubt tonight. The vessel, however, is a wreck, having broken in two while life savers on shore were shooting lines and trying vainly to make one fast to the ship.

Bearing physicians, nurses and hospital supplies, the Rohilla was on her way to a Belgian or French port to succor the wounded when she was driven ashore. It is understood that all the women on board were saved, including one who was a survivor of the Titanic disaster. The fate of the physicians is uncertain, as is that of the captain and the crew. The total number of persons on board is not known, but some estimates place it at 200.

When the vessel broke in two, eight men could be seen from the shore clinging to a piece of wreckage after part of the ship, and it is assumed that they were swept to their death in the boiling sea. Fourteen bodies had been washed ashore this evening.

SPAIN TO REBUILD WARSHIP FLEET

PARIS, Oct. 31, 3:16 a. m.—The Spanish minister of marine, Admiral Miranda, on the opening of the chamber of deputies at Madrid yesterday introduced a bill regarding the rehabilitation of the Spanish fleet, according to a dispatch from the Madrid correspondent of the Havas agency.

The bill provides for the construction of four fast cruisers at a cost of sixty million pesetas (about \$12,000,000) six torpedo boats, at a cost of thirty million pesetas, twenty-eight submarines and three gunboats.

The measure also makes provision for the coast and submarine defense and other protection.

PRINCE HENRY DIED AT HEAD OF HIS MEN

LONDON, Oct. 31, 8 p. m.—Princess Henry of Battenberg has been informed by the headquarters at the front that her son, Prince Maurice of Battenberg, whose name appeared in the list of killed made public a few days ago, met death leading his company in an attack. The prince was struck by a shrapnel bullet from a bursting shell, and died almost immediately afterward. A dispatch to the Central News says Prince Maurice has been buried near Ypres.

MEXICO TELLS BELGIAN ENVOY TO LEAVE COUNTRY

MEXICO CITY, Oct. 31.—Paul May, Belgian minister to Mexico, was handed his passports today by Minister of Foreign Affairs Fabela. Senor Fabela said he was compelled to take this course because of certain aggressive and disrespectful notes directed to the Mexican government by the Belgian representative.

The minister of foreign affairs will say nothing regarding the nature of the correspondence but it is believed that the notes referred to the operation by the Mexican government of the property of the Mexico Tramways company.

The tramways company is capitalized at \$50,000,000 in gold and a large percentage of the stock is held by Belgian capitalists. The Mexican government took over the property on October 12, after the employees of the road struck for an increase in pay.

Chauncey Florey

Republican Candidate for
COUNTY RECORDER

Was born and raised at Eagle Point. He is twenty-five years old, has a family and lives at Jacksonville.

His father, A. J. Florey, has been postmaster of Eagle Point for over twenty years.

Mr. Florey has been deputy in the county assessor's office for five years; the last two years he has been a member of the town council of Jacksonville; he has been school clerk of the Jacksonville school district for one year and was re-elected again this spring.

He is fully qualified and would make a good county recorder.

Justice W. M. Ramsey

Candidate for Re-election

Judge Ramsay is a Democratic candidate for re-election as Justice of the Supreme Court.

The son of pioneer parents, practically his whole life has been spent in this state.

For forty years he has been a well-known lawyer with an extensive practice throughout the valley counties and in various counties of eastern Oregon, where he has resided a portion of the time.

Self-educated, he was elected County Judge of Yamhill county at the age of twenty-three years, and served a full term.

In 1898 he was the candidate of the Democratic, Populist and Free Silver Republican parties for Justice of the Supreme Court, and while he was beaten by his present colleague, Justice Moore, he ran far ahead of his party vote.

In 1913 he was appointed Justice of the Supreme Court by Governor West, receiving the unanimous indorsement of the then Supreme Court of the State, as well as the two United States Judges at Portland. His appointment was generally satisfactory to the bar of the state.

Judge Ramsey is the only Democrat occupying a place on the Supreme bench of Oregon. It does not seem entirely fair that the whole Supreme Court of the state should be of one political faith.

Every voter is entitled to vote for four candidates for Justice of the Supreme Court. Judge Ramsey's name will be upon the official ballot as nominated by the Democratic and Prohibition parties. We urge that you make him one of the four for whom you vote.

DEMOCRATIC STATE CENTRAL COMMITTEE.

THOS. B. KAY

For State Treasurer

And Approve Honest, Efficient and Faithful Service

As State treasurer he has made a splendid record, transacting during the last two years 30 per cent more business than during the same period of the preceding term, with no increase in expense account.

His faithful work gave him, without opposition, the nomination of the Republican and Progressive Parties and within a few votes, the Democratic nomination, which went to the Prohibition Party candidate.

Mr. Kay is the only state official with the record of returning to the general fund of the state a large part of the appropriation made by the legislature for the running expenses of his office.

He has collected and turned into the general fund \$50,980.50 for interest on state deposits, no part of which would have been received by the state except for the flat salary law which Mr. Kay introduced and secured the passage of while a member of the legislature.

W. H. SINGLER

FOR SHERIFF

The Republican Nominee for Sheriff, now filling an unexpired term by appointment, has at all times and does now invite an investigation of his record by the voters and taxpayers.

The office under my administration has been conducted in the most economical manner consistent with efficient service in every particular in the interests of the taxpayers and the community at large.

To insure efficiency, I retained at a personal financial loss, an expert accountant as chief deputy in the Tax Collecting Department, at a salary considerably in excess of the allowance for such position.

Under the present laws an annual audit is made of all counties in the state, under the supervision and by direction of the State Insurance Commissioner and the State Board of Accountancy. This audit for my office has just been completed, and I quote the following from the certified public accountant who made this audit:

"Grants Pass, Oregon, October 27th, 1914.—Mr. W. H. Singler, Sheriff Jackson County, Jacksonville, Oregon.—Dear Sir: I report that in my audit of your office just made, I find efficiency shown by the correctness of records and the endeavor to improve and simplify the work of the office to meet increased requirements and up-to-date methods. I also find a close compliance with legal requirements of the office."

Very truly yours,

E. M. WILSON
Certified Public Accountant."

If merit and conscientious performance of duty count for anything in public service, I feel justified in asking the loyal support of all voters at the polls. It has been my aim at all times to maintain a clean record in and out of office, and my campaign has been conducted along the same lines, open and above board, which I believe will appeal to all fair-minded and thinking voters.

Assuring you of my thorough appreciation for your favorable consideration, I am,

Respectfully,

W. H. SINGLER,
Candidate for Sheriff.
