PROHIBITION LOSE IN FOUR STATES

CHICAGO, Nov. 4.—Prohibition was defeated in three states yesterday, with both sides claiming victory in a fourth. California and Washington voted strongly against the ousting of saloons. Arizona voted to go dry. Colorado, the other western state voting on the subject, is claimed by both the anti-saloon league and those who favor saloons.
 Ohio defeated a prohibition amendment also, but in Illinois, agents of the anti-saloon league asserted they had gained a victory in electing a state legislature composed of a majority of prohibition advocates.

SIX STATES DEFEAT EQUAL SUFFRAGE

CHICAGO, Nov. 4.—Woman suffrage suffered a setback in the election yesterday, six states voting against granting the franchise to women and women candidates undergoing defeat at the polls. In Illinois where women gained the right to vote for all statutory officers only recently, the number of votes cast by that sex fell off greatly.
 Ohio, Missouri, North Dakota, South Dakota, Nebraska and Nevada voted against granting votes to women.

THOMAS ELECTION IN COLORADO IN DOUBT

DENVER, Colo., Nov. 4.—The contest between Chas. S. Thomas, democratic incumbent, and Hubert Work, republican, for the United States senate, as well as the Colorado congressional election in three districts were in doubt early today.
 Both sides still claimed victory in the prohibition contest. There were indications, however, that the majority against prohibition in Denver would not be sufficient to overcome the huge vote in its favor cast in other portions of the state.

SULLIVAN CARRIES CHICAGO BY 59,058

CHICAGO, Nov. 3.—Complete official figures on the senatorial election for Chicago gave Roger Sullivan, democrat, a plurality of 59,058 over Senator Lawrence H. Sherman. Official returns from Cook county outside Chicago reduced Sullivan's lead in the county to 55,000. Half the precincts outside Chicago gave Sherman a plurality of 35,238, leaving him fewer than 20,000 votes to gain in the remaining half of the down-state precincts to be elected.

JOHNSON'S LEAD FOR GOVERNORSHIP GROWS HOURLY

SAN FRANCISCO, Cal., Nov. 4.—Today's returns from yesterday's election in California served only to accentuate the victory of Governor Hiram Johnson, progressive candidate for re-election, but left the United States senatorship in doubt, with indications pointing to the election of James D. Phelan, democrat. At noon Phelan's lead had increased to more than 2000 votes and was creeping upward at a snail's pace. Joseph R. Knowland, republican, was in second place, far in front of Francis Heney, progressive.
 Menger returns from the first congressional district indicated that Representative William Kent, running as the progressive and socialist candidate, was being hard pressed by Edward H. Hart, republican. Hart was in the lead at noon, but he had been favored by the fact that a majority of the precincts reporting were in districts regarded as his stronghold. In no other congressional district in the state did either party seem likely to gain or lose a member of the California delegation, except in the sixth, where the race for the seat vacated by Joseph R. Knowland remains close.
 Of the proposed new laws, prohibition and the eight-hour proposition have been snowed under, together with the constitutional convention measure, while the red-light abatement act appears to have won and the fate of the anti-prize fight measure is in doubt.

JOHNSON CARRIES LOS ANGELES, 20,000

LOS ANGELES, Cal., Nov. 4.—Estimates that Johnson would carry Los Angeles county by 20,000 still stood today. No new figures were available. Fredericks had a plurality in only four of the precincts that reported. Election officials will be counting ballots here until tomorrow.

ARIZONA DRY AS RESULT OF ELECTION BY 2,000 PLURALITY

PHOENIX, Ariz., Nov. 4.—Arizona, classical western home of the falset-front saloon and chappareeroed connoisseurs of ray and bourbon, went dry in the election yesterday. Returns early today indicated that prohibition had won the state, but by an as yet unestimated majority. Wet leaders early today conceded the victory of the drys by about 600. Dry leaders claimed the state by at least 2000.
 Prohibition will go into effect January 1. After that date liquor may not be brought into or manufactured in the state. The amendment providing that liquor elections may not be held oftener than once in eight years seems to have been defeated, so that the wet element probably will have the opportunity to force the issue again at the next state election.
 Exceedingly meager returns indicate the defeat of the anti-blacklist measure, and that providing that at least 80 per cent of the employees in mines shall be Americans. These measures occasioned a keen struggle throughout the state between labor interests and their opponents.
 Democratic officers were re-elected, including United States Senator Mark Smith and Representative Carl Hayden. Despite a warm fight waged on Governor Hunt within his own party, he was re-elected over Ralph Cameron, his republican opponent by a large plurality that which took him into office in 1910. His estimated plurality today was 3000.

JOHNSON'S BIG LEAD IN CALIFORNIA SHOWN

OAKLAND, Cal., Nov. 4.—So slow was the count in Alameda county that at 8 o'clock but six precincts were completed. These gave: For governor, Johnson 361, Fredericks 111, Curtin 61. For United States senator, Knowland 259, Phelan 130, Heney 118. For prohibition 176, against 476.

SULLIVAN RUNS NECK AND NECK WITH SHERMAN

CHICAGO, Nov. 4.—Lawrence H. Sherman, republican, and Roger C. Sullivan, democrat, were running neck and neck for the honor of being the next United States senator from Illinois, according to incomplete returns today from yesterday's election.
 Returns from 2000 out of 2788 precincts in the state outside of Chicago gave Sullivan 156,718 votes and Sherman 196,677. If this ratio is continued Sherman's down-state plurality would about equal Sullivan's plurality of 55,000 in Chicago.
 Raymond Robins, progressive, despite a vigorous campaign in his behalf by Colonel Roosevelt, is running a poor third. Robins had the support of all the Chicago papers and made the most vigorous campaign of the trio.
 Apparently the only progressive vote in the state was in the eleventh district, where Ira C. Copley was re-elected to congress.
 The republicans elected all state officers by vast majorities.
 The democrats suffered severely in their Illinois congressional representation, losing ten out of the twenty seats held in the house. The republicans gained twelve congressmen, including six former representatives. Among these is former Speaker Joseph G. Cannon, who was defeated for re-election two years ago. He carried four out of the six counties in his district.
 In Chicago the democrats elected all the county officers.

COX DEFEATED FOR OHIO GOVERNORSHIP

COLUMBUS, Ohio, Nov. 4.—Governor James M. Cox, democrat, this morning conceded his own defeat at the polls yesterday, and sent a telegram of congratulation to Frank B. Willis, republican, who will succeed him in office.

UTAH IN DOUBT IN CLOSE ELECTION

SALT LAKE CITY, Utah, Nov. 4.—At 11 o'clock today the result of what appears to be the closest election in the history of the state remains in doubt, with a prospect that practically complete returns will be required to determine the result.
 The vote between Smoot, republican, and Moyle, fusion (democratic-progressive) for senator is especially close, with both sides claiming victory. The republicans carried Weber, the second county of the state, and fusionists apparently carried Salt Lake, the largest county.

COMPTROLLER CALLS FOR BANK STATEMENT

WASHINGTON, Nov. 4.—The comptroller of the currency today issued a call for the condition of all national banks at the close of business Saturday October 31.
