

OREGON AND WASHINGTON VOTE DRY BY MAJORITIES OF 40,000 EACH

EVERY COUNTY IN OREGON GIVES DRY MAJORITY

Chamberlain's Majority to Exceed 20,000, Withycombe's 30,000, Hawley 10,000—McArthur's Lead Over Fiscal Is 3000, With Lafferty in Third Place.

PORTLAND, Or., Nov. 5.—All the candidates for the more important offices at Tuesday's election increased their leads over their opponents today. Twelve counties complete outside of Multnomah gave the prohibition amendment a lead of 12,105. The "drys" are leading in Multnomah and in the scattered returns from every county in the state indicate that nearly all will give "dry" majorities. It is expected that the prohibition amendment will carry by 40,000 votes.

Returns from all counties indicated that Senator George E. Chamberlain, democrat, would receive a majority of about 20,000. He carried more counties than he did six years ago. Dr. James Withycombe, republican, apparently will have a majority for governor of over 30,000.

In the first congressional district scattered returns gave Hawley, republican, incumbent, 22,637; Hollister, democrat, 13,331.

In the second district Summitt, republican incumbent, has increased his majority by a wide margin over his two opponents. The prohibition candidate, Cleaver, has crowded Evans, democrat, from second place. In the third district McArthur, republican, leads Flegel, democrat, by over 3000. Lafferty, independent, is third.

Beun, McBride, Benson and Harris, republicans, apparently have been elected to the supreme court. Gallo-way, democrat, is a close fifth. The republicans elected all the other state officers.

JOHNSON WINS 100,000 PLURALITY OVER FREDERICKS

SAN FRANCISCO, Cal., Nov. 5.—Additional figures reported from all over the state yesterday reduced most of the uncertainty as to the outcome of Tuesday's election to a question of majorities. Doubt remains today in but a few of the contests, and the big issues all seem definitely settled.

There is still a possibility that the anti-prizefight bill will be defeated. Speculation over the United States senatorial contest has simmered down to forecasts on James D. Phelan's final plurality over Representative Joseph R. Knowland. That the democratic party has gained a seat in the upper house of congress from California is now conceded.

While Nolan was trying to return a senator from California for the republican party, he allowed the progressives to gain a voice at Washington by the election of J. A. Elston to congress from his own, the sixth, district. Apparently all other incumbent congressmen have been re-elected. William Kent, independent, had the hardest fight in the first district, but his victory is now certain.

All figures on the gubernatorial vote but tend to swell Governor Hiram W. Johnson's lead over Captain John D. Fredericks, republican, and the progressive administration leader will return to Sacramento with a plurality of approximately 100,000.

Returns from 1878 precincts out of 4585 in the state give a majority against red light abatement of 13,709. Previous returns indicated that the abatement act had been sustained.

Portland is calling for bids for another \$160,000, 24 class room school.

DEMOCRATS TO RULE CONGRESS 25 MAJORITY

Results Show 228 Democrats in the House, 194 Republicans, 7 Progressives, 1 Socialist, 1 Independent—Lead in Senate Likely to Be 14—Johnson Elected in South Dakota.

NEW YORK, Nov. 5.—With four congressional districts still uncertain, results of Tuesday's election show that the democrats elected to the house 228, republicans 194, progressives 7, socialists 1, independent 1. This would give the democrats a majority in the lower house of 25.

Republicans claim the election of James J. Britt, over J. M. Gudger in the Tenth district of North Carolina. N. M. McLean, republican-progressive in the Third Colorado district and C. B. Timberlake in the second Colorado. The democrats claim the election of G. T. Helvering in the Fifth Kansas. In that event there would be a democratic majority of 23.

In the senate, late returns left still somewhat in doubt the elections in Colorado, Wisconsin and Nevada. The election of Edward Johnson, democrat, over Charles H. Burke, republican, in South Dakota, was again for the democrats, which offset the defeat of Roger C. Sullivan, democrat, in Illinois, by Senator Lawrence V. Sherman.

Latest reports from Nevada showed Francis C. Newlands, democrat, leading Samuel Platt, republican, by a little more than 200, with about two-thirds of the precincts heard from. Democrats claim the election of Senator Charles F. Thomas over Hubert Work, republican, in Colorado and the election of Senator Newlands. The republicans claimed the election of Francis E. McGovern, over Paul Hustling in Wisconsin.

This result, if carried out would make the representation in the next senate, 55 democrats, 40 republicans, and one progressive, a democratic majority of 14.

CUMMINS' LEAD IOWA INCREASED

DES MOINES, Iowa, Nov. 5.—Senator Cummins' lead over Maurice Connolly for the senatorship was increased today and his plurality was estimated at nearly 40,000. Precincts reporting gave him 160,125 and Connolly 128,7705, an actual lead of 31,429.

For governor 1748 precincts from the state reported 154,507 for Governor Clarke and 135,521 for John T. Hamilton, his democrat opponent.

FIGHTING IN PROGRESS ON MEXICAN BORDER

NOGALES, Ariz., Nov. 5.—Fighting is now in progress near Magdalena, Sonora, between 400 of Governor Maytorena's Villista troops and 350 men which General Benjamin Hill, the Carranza leader in Sonora, sent south last night from Naco. Hill's men burned bridges and stopped northbound trains.

Maytorena hurried men to Magdalena on a special train.

CARSON, Nev., Nov. 5.—Returns from 180 out of 240 precincts in Nevada give for United States senator; Samuel Platt, rep. 7638; Francis G. Newlands, dem., 7642; A. Grant Miller, socialist, 4950.

U. S. SENATOR GEORGE E. CHAMBERLAIN

AUGUSTUS HEINZE, KING OF COPPER, DEAD NEW YORK

SARATOGA, N. Y., Nov. 5.—F. Augustus Heinze, the copper mine owner, who died here last night, left no will. This became known this afternoon when Mr. Heinze's lawyers obtained from Surrogate Ostrander, an order appointing Mrs. Lida M. Fleitmann of New York City, Mr. Heinze's sister, administratrix of his estate.

The papers filed with the court placed a nominal valuation of "more than \$10,000" on his estate. The lawyers intimated that the estate's affairs are somewhat complicated and that public estimates which have been made heretofore are largely in excess of its actual valuation.

Mr. Heinze's body was taken this afternoon to New York City, where the funeral will be held tomorrow.

HOME RULE IS WINNER IN OHIO

COLUMBUS, Ohio, Nov. 5.—Ohio has emerged from the contest over statewide prohibition Tuesday only to enter upon a new campaign upon the same subject, according to official announcement of prohibition leaders today. While it was not conceded formally that the so-called home rule amendment had been adopted, this automatically making wet the 45 counties which heretofore were dry under the Ross Law elections, the Anti-Saloon League trustees were notified that a meeting would be called soon.

TURKISH ARMY READY TO INVADE RUSSIAN FRONTIER

PETROGRAD, Nov. 5.—A Turkish army 20,000 strong consisting of the Ninth, Tenth and Eleventh army corps, is massed along the Caucasian frontier, according to the Novoe Vremya. Many villages have been occupied by the outposts of this army.

This Turkish army, the Novoe Vremya continues, would sit under normal conditions of 80 battalions of infantry; 60 batteries of artillery containing 230 guns and 40 squadrons of regular cavalry, but to it has been added 50 regiments of Kurd cavalry amounting to 20,000 men.

Russia's sudden and energetic advance into Turkey is believed in Petrograd to have been meant to disband and overawe the Kurd tribes, who are little interested in the success of Turkish arms and are more concerned in the safety of their own villages. Among the towns occupied by the Russians is Akhty, an important junction of the highways to the upper Euphrates River.

It is rumored in Petrograd that General Sanders Pasha will assume command of the Turkish troops on the Caucasian front.

WHEAT REACHES HIGHEST MARK IN ITS HISTORY

PORTLAND, Or., Nov. 5.—Wheat reached the highest price in over ten years on the exchange here today and indications were it would go still higher. Top prices were paid for 45,000 bushels, the highest price being \$1.22 for 5000 bushels of blue-stem for January delivery. This was 1 cent better than yesterday's high mark.

BRITAIN ANNEXES ISLE OF CYPRUS IN MEDITERRANEAN

LONDON, Nov. 5, 11:38 a. m.—Great Britain today formally annexed the island of Cyprus in the Mediterranean which nominally formed a part of the Turkish empire.

The defense alliance between Great Britain and Turkey having become annulled at the outbreak of war, the British government decided that it was necessary to appropriate the island in order that proper provision might be made for its government and for its protection.

The island, since the Anglo-Turkish convention of 1878 had been occupied and administered by the Great Britain though it had remained under the suzerainty of the Sultan.

BULL MOOSE NOW IN MINOR PARTIES

FORT DODGE, Iowa, Nov. 5.—"The tremendous slump in the Bull Moose vote over the United States emphatically places it as a minor opposition party henceforth," asserted Representative Frank P. Woods, chairman of the republican national congressional committee here this afternoon. "The result of the election of the various states leads me to predict that the republican party will be returned to administer the government in 1916."

Chairman Woods predicted that the progressive party of the United States "will eventually be controlled by democrats."

GERMAN RUSH TO FRENCH COAST SEEMS CHECKED

England Awaits With Uneasiness Official News as to Fate of Warships Engaged—French Assert Lines Have Nowhere Yielded and Progress Claimed in Certain Portions.

LONDON, Nov. 5.—Although England continued to await today with uneasiness official news as to the fate of certain of her warships in the Pacific, which were engaged last Saturday with a German fleet off the coast of Chile, this anxiety has been in a measure counterbalanced by the apparently favorable situation of the allied arms, both in the western and eastern arenas.

The first German rush for the French coast having been checked, the news of the next few days will determine the truth or falsity of predictions as to the seriousness of the renewed German attempt to get to the coast by a more southerly route. There was nothing in the reports from West Flanders during the forenoon to indicate the trend of the new German attack, although Ypres continued to figure as the military key against which the Germans proposed to deliver their hardest blows.

Opinion here is divided as to whether the French coast has been reached.

War Declared With Turks

Great Britain has declared war on Turkey and the Ottoman government, despite dissensions in the cabinet, is definitely committed to hostilities against Great Britain, Russia, France and Serbia. While Turkey becomes in effect an ally of the Teutonic allies, she is, strictly speaking, waging an independent war upon Russia because of an alleged attack upon her by the Russian navy; and upon the other countries involved because of their espousal of the Russian cause. The new drive for the sea coast of the heavily reinforced German forces in Belgium has been met by a counter offensive of the also augmented armies of the allies in the vicinity of Ypres.

"The Franco-British lines have at no point drawn back," says the afternoon French official statement, "and our troops undertaking the offensive have made notable progress in several directions."

Allies Make Slight Progress

It is declared that the allies have made slight progress to the east of Neuport and the German attacks from Dixmude to the Lys are being made with less energy. Renewed German activity is reported on the center without notable change and on the right of the allies the situation remains deadlocked.

A dispatch from Teheran reports that the Persians are much excited over the clash between Turkey and Russia. The pretender, Salared Dowleh, has proclaimed himself as Germany's candidate for the throne.

OFFICIAL COUNT IN WISCONSIN NEEDED

MILWAUKEE, Wis., Nov. 5.—The Milwaukee Journal's (independent) tabulation of Wisconsin returns for United States senator at 1:30 o'clock this afternoon on all but four counties, gives McGovern, republican, a plurality over Hastings, democrat, of about 600 votes. The counties yet to be heard from are in favor of McGovern. It would seem McGovern is elected.

WOMAN SUFFRAGE LEADS IN MONTANA

HELENA, Mont., Nov. 5.—Scattered returns from 70 per cent of the state show the woman suffrage amendment at noon today is ahead by 100 votes. All of the big cities have been heard from.

Miss Jeannette Rankin, chairman of the state committee, claims the state by 5000 votes.

With complete returns from all precincts except the small ones of Climax and Frounce Rock, Chamberlain's plurality is 2586, and Smith's plurality is 2320. Hollister, democrat, had 272 plurality. Both of these leads will be increased on the complete count. Each of the two carried every precinct but one, Chamberlain losing one of the Ashland precincts by one vote.

Most of the amendments and initiative bills lost the counts by decisive votes, the exception being the citizenship amendment and the two normal school bills.

The wet precincts were Applegate, South Jacksonville, Lake Creek, Medford North Main, Medford South Central, Sterling, Watkins, Wimer.

LITTLE CHANGE IN BATTLE FRONT IN BELGIAN SWAMPS

HAVRE, Nov. 5, via Paris, 2:30 p. m.—The Belgian government issued the following statement:

"The Belgian advanced detachments, which progressed as far as Lombaertsvde toward the Yser between Saint George Capelle and Tervaele could only advance with great difficulty, owing to poor roads and the inundated country. They also were harassed constantly by the infantry and machine gun fire of the enemy.

"The enemy still occupies St. George Capelle and the farms located on the left bank of the Yser, in the neighborhood. Schoorbakke and Tervaele, Stuyvekenskerke were re-occupied by marines.

"To the south of Dixmude the Germans made an attack last night in the direction of Bixschote bridge. They failed in the attempt and were forced to evacuate completely the village of Bixschote to the south of Zandvoorde.

"The enemy continues to attack with the greatest violence along the front of the allies between Hollebecke and Messines. All positions have been held and at certain points the allies have progressed, notably towards Hollebecke and Wytchoete.
