Making It at Home

How to Have the Best Cough

Cough medicines, as a rule contain a large quantity of plain syrup. A pint of granulated sugar with ½ pint of warm water, stirred for 2 minutes, gives you as good syrup as money can buy.

Then get from your druggist 2½ ounces Pines (50 cents worth), pour into a pint bottle and fill the bottle with sugar syrup. This gives you, at a cost of only 54 cents a full pint of pour latter cough syrup than you could have ready made for \$2.50—a clear saving of nearly \$2. Full directions with Pines, It keeps perfectly and tastes good. auto "Doc Yak" on the election and and tastes good.

It takes hold of the usual cough or It's truly astonishing how quickly it loosens the dry, boarse or tight cough and heals and soothes the inflamed mem-

branes in the case of a painful cough, it also store the formation of phlegm in the throat and broughtal tubes, thus ending the persistent losse cough, Pinex is a highly concentrated com-pound of genuine Norway into extract, combined with gualacol, and has been used for generations to heat inflamed membranes of the throat and chest.

To avoid disappointment, ask your druggist for "25 curves of Pinex," and don't accept anything else. A guarantee of absolute satisfaction, or maney promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, 1nd.
