Effective from August 1, 1914, to August 1, 1915, and guaran cod against any reduction during that time:

Touring Car \$100 410 Renabout ... Town Car 690 F. O. B. Detroit. All cars fully equipped.

(In the United States of America Only.)

Further, we will be able to obtain the maximum efficiency in our factory production, and the minimum cost in our purchasing and sales departments if we can reach an output of 300,000 cars between the above dates,

And should we reach this production we agree to pay as the buyer's share from \$40 to \$60 per car (on or about August 1, 1915) to every retail buyer who purchases a new Ford car between August 1, 1914, and August y, 1915.
