The Proof is Here the Same as Everywhere

For those who seek relief from kidney backache, weak kidneys, bladder ills, Doan's Kidney Pills offer hope of relief and the proof is here in Medford, the same as everywhere. Medford people have used Doan's and Medford people recommend Doan's the kidney remedy used in America for fifty years. Why suffer? Why run the risk of dangerous kidney ills—fatal Bright's disease. Here's Medford proof. Investigate it.

F. W. Gray, 507 W. Palm St., Medford, Ore., says: "My kidneys began to bother me and caused severe pain. I think the trouble was made worse by the strain of being on my feet so much. Sometimes during the day's work, my back pained me dreadfully and by night I could hardly stand. After I quit work, I couldn't rest. I happened to hear of Doan's Kidney Pills and began using them. They were just what I needed and cured me in a short time."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Gray had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

LARGE SALE OF FOREST RESERVE TIMBER, ODESSA

Forest Supervisor Erickson reports the sale to the Lamm Lumber company of Klamath Falls, Ore., 26,650,000 feet of national forest timber on upper Klamath lake, in southern Oregon. The timber, which is situated on the drainage area of Odessa creek, in township 36 south, range 6 east, Willamette meridian, Crater national forest, consists of 24,000,000 board feet of western yellow pine and sugar pine, 2,000,000 board feet of Douglas fir and 650,000 board feet of white fir snow timber.

The price for the timber is \$3.50 per 1000 for yellow pine and sugar pine, and 50 cents per 1000 for Douglas fir and white fir, based on the log scale in the woods, to be paid in installments of not less than \$5000 each in advance of cutting.

The sale agreement with the forest service allows the company until June 1, 1915, for the construction of the sawmill, logging roads and other preliminary improvements, and four years from that date for the cutting and removal of the timber. It further provides for co-operation in fire prevention and reasonably close utilization of the timber.

Of the total sum of \$85,325 that this sale will bring into the United

States treasury, 25 per cent will be expended on local roads and schools and an additional 10 per cent on the improvement of roads within the national forests.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't eating, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."—Adv.
