The Home Economics department of the Greater Medford club met at the library club room Monday afternoon.

Mrs. Coffin gave a delightful piano solo, "Seigmund's Love Song." Mrs. Thierolf sang very beautifully "The Years at the Spring." She was accompanied by Mrs. Isaacs.

Mrs. Harry Lindsay from Central Point then gave an excellent talk on "The Educational Value of Pictures," which was highly appreciated. Mrs. Lindsay had some seventy-five pictures on exhibit, that she had painted while she was abroad, having studied several years in Holland. After refreshments were served a very pleasant social hour was enjoyed.

The meeting was under the direction of Mrs. H. A. Latta and much credit is due Mrs. Latta for her able managing of this work.

The League has made an excellent growth during the past year containing over 130 members at the present time. Although it has made excellent progress in the past it is looking to the future to make more glorious gains. It extends a cordial welcome to all young people.

Little Frances Jean Fabrick, four months old, gave her first party Wednesday afternoon to seven of her little friends of the year. The little ones enjoyed themselves in their own baby way. Mr. Weston came in the afternoon and obtained a splendid picture of the little rose buds.

Those who enjoyed little Miss Jean's hospitality were: Albert Gaddis, six weeks; Hayford Lincoln, seven months; Netta Conrad, four months; Teddie Valentine, six weeks; Winnifred Warner, seven months. While the mothers were partaking of refreshments most of the babies were having a restful nap, after which they were bundled into cabs to be carried home dreaming of their first party.

Among the lodge social evenings for the week was the one held at the L. O. O. F. hall by Olivia Rebekah Lodge No. 28 on Tuesday night. A short program was rendered. The committee in charge were Mr. and Mrs. Volney Dixon, Mr. and Miss Snedcor, Mrs. Yockey and Misses Jane Wilson, Della King and Helen Yockey.

Miss Venita Corties of Eagle Point and Everett McArthur, son of Mr. and Mrs. C. A. McArthur of this city were married at Jacksonville Thursday afternoon and left that night for a short wedding trip to Grants Pass and vicinity.

Recognizing the value of the child of an all around development, physical as well as mental and moral, the teachers of the Roosevelt school have been giving daily work this term in physical culture that has met with the enthusiastic approval of the pupils as well as that of the parents and friends of the school who have visited the classes. In the primary grades the exercises are adapted to draw out the child's innate love of rhythm and to stimulate his desire for rhythmic movement; in the intermediate grades the Swedish movements are used for the purpose of developing a sense of self-expression to lead to co-ordination of the muscles while the older pupils are advanced a step farther and give a very attractive as well as complicated Indian club drill with music.

In order that the interested public may have an opportunity of seeing this work and judging of its value, a demonstration in which all the children of the school will participate, will be given at the Page theater, Friday afternoon, December 4th. The regular drill work will be shown and also the folkgames and dances and the children will wear the national Swedish costume which insures a picturesque staging. Superintendent Collins and the principal, Mrs. I. T. Galliger, extend a cordial invitation to the public to attend this program.

The Roosevelt Parent-Teachers' circle held an interesting meeting Friday afternoon. The opening number Grice's "Hymn of Praise," was beautifully rendered by pupils of the Fifth and Sixth grades. Following this a graceful Swedish folk dance entitled "Mountain Climbing" was participated in by the girls of the Fourth, Fifth and Sixth grades. Miss Wortman played two piano solos.

The subject, "How Shall We Give Our Children the Best Opportunity," was ably handled by Mesdames Leonard and Galliger.

Mrs. Leonard was appointed a member of the moving picture board of censors.

The circle is enthusiastic over the Swedish entertainment which will be given by the school at the Page Theater the afternoon of December 4th. The promoters have a double purpose—entertainment and the raising of funds to pay for the new piano.

The Pythian Sisters held their regular monthly social Wednesday evening. The committee in charge included Mr. and Mrs. A. C. Hubbard, Mr. and Mrs. Ernest McKee, Mrs. John Butler, Mrs. I. L. Hamilton, Mrs. W. H. McGowan, Miss Venita Hamilton, Miss Sadie Van Dyke, Mr. Harry Ling, and Mr. W. H. Singler. Chrysanthemums and red Laurel berries, were used in decorating.

Butler, the men's prize, a deck of cards in a leather case. A supper of hot tamales, home-made chili sauce, pickles, cake and coffee was served. A delightful social time was enjoyed by all.

Lydia W. Deane entertained at her home, 332 North Ivy, on her 11th birthday. The small guests came in different costumes, some of which were very picturesque. The house was beautifully decorated in pink and green. A four course supper was served at 6 p. m. after which games and music were enjoyed until 9 p. m. Miss Lydia acted as hostess. The following guests were present: Mildred Elmer, Thelma Guanaway, Constance Vance, Margaret Harrison, Lorraine Usher, Tall Klum, Jean Loomis, Gladys Hartley, Gertrude Hargrave, Alleen Bell, Liberta Gore.

Chester A. Arthur Post was very much surprised Tuesday afternoon at their regular Post meeting, when about 30 members of the Women's Relief Corps walked in and took possession of the hall. The "Old Boys" were soon commanded to "fall in line" and keeping step to Marching Through Georgia, were led to the dining room where they attacked and came forth victors of a bounteous repast. Over twenty of the Post members were present and are hoping for another surprise.

The Greater Medford Club will hold their next meeting Monday, November 30th.

The Nullo club was entertained on Thursday by Mrs. L. E. Wakeman.

It is with much regret that a host of friends from many of the walks of life in this city note the departure of Mrs. R. C. Kinleyside and family for their new home in Lakeport, Cal. Mrs. Kinleyside has for five years past been identified with church, school and social life in Medford. She was a member of the College Women's club, a member and officer of the Parent-Teachers' circle, a member and earnest worker in the Progressive Women's Bible class of the First M. E. church, and one of the vice-presidents of the Ladies' Aid society of same church, to which she has given so much of her valuable time and labor. Always efficient, willing and untiring in her efforts to do whatever was asked of her, surely she will be missed. The Queen Esther circle of which she was a most valued member, will surely miss her cherry presence at the weekly meetings, she was never absent unless out of the city. But Medford's loss is Lakeport's gain. We most heartily commend Mrs. Kinleyside to the church and social circles of Lakeport. A large number of friends assembled at the station to see Mrs. Kinleyside and family off to their new home, and many wishes for their prosperity in their future home follow them. From a friend and well wisher.

At a meeting of the board of directors of the Drama League Wednesday vacancies in the board were filled by the election of Mrs. George Bounce Carpenter, Mrs. E. H. Hanley and Ralph Bardwell.

Hamill, chairman of the membership committee, Mrs. Willard Campbell was named. Mrs. E. H. Hanley was also appointed chairman of the press committee to take the place of Mrs. G. H. Darggett, resigned.

The work of the club was discussed and it was decided to make every effort to secure Forbes Robertson in Medford when he comes to the coast in December. To do this it will be necessary to secure a guarantee of substantial proportions, but the members of the league believe this can be readily done.

## REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's Vegetable Compound Saved Her Life and Sanity.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind, I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."

Mrs. JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

## Electric Signs

Works longer hours and longer distance. An electric sign is not satisfied with merely answering those who come looking for your store— It not only calls loudly to those who pass your store— It talks brilliantly about you to everyone within several blocks in all directions— Like money out on interest, an electric sign works even while you sleep. The new sign lamps have made it possible for every kind of business. No matter how small, to use electric signs economically. Our representative would be glad to tell you more about this new economy in sign lighting.
