MONEY RAISED BY SOCIETY VAUDEVILLE TO BEAUTIFY CITY

As there seems to be some misunderstanding about the use to be made of the proceeds of the Rose society vaudeville to be given at the Page theater on December 7-8, the society desires to make its intentions clear. Appreciating the work of the Greater Medford club and its sister organizations in planting trees along the Pacific highway and realizing the attention this will attract from the many tourists traveling up and down the coast to and from the Panama Pacific exposition next summer, the society feels that some effort should be made to beautify Medford itself, so that its already widespread reputation as a beauty spot may be justified and it may be the center of attraction in the valley. With this end in view, it was decided to give the vaudeville show, and with the proceeds, in conjunction with the Greater Medford club, proceed with the cleaning up and beautification of the city, and at the same time justify the existence of the society by planting roses so profusely that Medford will divide honors with Portland as the "Rose City," and, with out climatic advantages there is no reason why we should not even excel Portland as far as the quality of the display is concerned. The society is supported (?) by subscriptions and admissions to the rose show, so that all the proceeds of the vaudeville show will be devoted to the project outlined in this announcement.

STOP BUYING EXPENSIVE COUGH REMEDIES Make the Best at Home

Money spent for the old-style, ready-made cough syrups in bottles holding only 2 to 2 1/2 ounces is very largely wasted because most of them are composed principally of sugar and water. Yet you have to pay the same price as if it was a medicine. Stop wasting this money. You can make a better cough medicine at home at one-fifth the cost. Merely go to the drug store named below and ask for 2 ounces (50c worth) of Schiffmann's Concentrated Expectantant. Mix this with one pint of granulated sugar and one-half pint of boiling water, which makes a full pint (16 ounces). This new, simple, pleasant remedy is guaranteed to relieve the worst cough or cold. Also excellent for Bronchial Asthma, Bronchitis, Croup, Hoarseness and Whooping Cough. One bottle will make enough home-made cough medicine to probably last the whole family the entire winter. Children like it, it is so pleasant to take and it positively contains no chloroform, opium, morphine or other narcotics, as do most cough mixtures. Keep it on hand in case of emergency and stop each cough before it gets a firm hold. This store has been authorized to return the money in every single case where it does not give perfect satisfaction or is not found the best remedy ever used. Absolutely no risk in buying this remedy under this positive guarantee. For sale here by Medford Pharmacy
