STATE OF OREGON, COUNTY OF JACKSON .-- SS,

We, the undersigned, county court of Jackson County, do hereby certify that the above is a true, fair and complete estimate of the probable expenses of said county for the ensuing year and probable receipts from sources other than direct taxation upon real and personal property in its

jurisdiction during the enusing year.

We further certify that the estimate of expenses of the various institutions of the county, of the amount required for public enterprises, roads, bridges, etc., and of all other expenses of the county as therein set out, is just and is based upon a careful study of the expenses of the county during the past and a thorough examination of its probable needs during the year for which such estimate is made. That each and every item therein is believed to be necessary for the proper transaction of the business of the county, the protection of its property and interests and to be for the public welfare. That every expense estimated is in accordance with law, and is legitimate charge against the county.
