The Utah interests, represented by Mr. Bramwell, were recently combined with a capitalization of \$8,000,000 and announced last week the intention to erect three new factories in southern Idaho and northern Utah, where, outside of Belgium, it has reached its highest development.

Bramwell, head representative of the Utah sugar interests seeking acreage, at 7:30 o'clock this evening at the hotel Medford on the mezzanine floor. At this time details and preliminary plans will be discussed and arranged and plans made to launch a whirlwind campaign by the beginning of the new year.

One committee is composed of members of the Farmers' and Fruit-growers' league, and the other named by W. H. Gore, chairman of the recent mass meeting.

The Fruit-growers' and Farmers' league committee is composed of Geo. B. Carpenter as chairman and W. B. V. Campbell, S. Vilas Beekwith, C. A. Knight, Bert Anderson, Ed Hanley and J. A. Perry.

Both committees will act as a unit, and from them sub-committees will be appointed for the routine work, etc.

F. S. Bramwell of the beet sugar interests arrived in the city this morning and this afternoon is making a tour of the valley inspecting conditions with Manager J. T. Sullivan of the Roguelands company.

The members of the committee were selected with the idea that they would be heart and soul behind the movement for the founding of a new industry and payroll.

Upon Business Basis
