OVER 22 YEARS UNDER ONE MANAGEMENT

Will You Help Make This the Record Year?
These weeks of rain mean crops—money—for every acre in our trade territory. Why not make a record in 1915?
Already hundreds of factories, large and small, are here. Others will come as those now here prosper. You can help, your family can help, your business house can help, simply by asking for and insisting upon getting articles made in Oregon, where price and quality are equal. The following named concerns have subscribed to this campaign:
