

SCENIC ROADWAY AT ROPER'S BUNION IMPROVES ASHLAND

ASHLAND, Jan. 22.—A notable improvement to the park and drive system of the town is the scenic roadway now being constructed around Roper's Bunion, and which when connected up with other portions of the various driveway development features will constitute a veritable "El Camino Real," and that, too, on a not very small scale either. The new road will extend to both sides of the canyon. From it is afforded some of the finest views of canyon, city and valley. In elevation it is the highest of any of the scenic driveways, of which the city has several. Over 25 men are employed on the job, which is quite an item in an employment way these quiet times. The wages paid are \$2 per day on an eight-hour basis. The new roadway skirts around Sentinel Point and runs a considerable distance before gently sloping by an easy grade to the main canyon road. It is not merely a trail, but will be developed into a good substantial road over which both teams and autos can travel in safety.

Notes and Personalities. Mr. and Mrs. C. W. Root left Wednesday for California, where they will tour various portions of the state between San Francisco and San Diego for a period which will extend over several weeks.

Ashland has a new millinery store, just opened by Mrs. E. A. Smith, a new-comer from Seattle. The store is located on Oak street.

The Ashland Fruit association directors meet Saturday to elect a permanent manager and transact other important business. In accordance with retrenchment measures in vogue, it is rumored that the directors recently elected are on the lookout for a man who can fill the dual role of manager and bookkeeper combined.

Notwithstanding that the big new high school building uses crude oil in its heating plant, it requires 160 cords of wood to tide the school buildings collectively over the winter season, that being the amount on the average annually contracted for. The wood must be fir, cut from green trees, not over eight nor under four inches in diameter.

Miss Calla Bissel is the new assistant accountant at the city hall, succeeding Mrs. Edna Nell Torrence. She is a recent graduate of the Ashland Polytechnic.

Jackie-Ball Series. The initial basketball game of the season in the interscholastic series will be played here, at the high school gymnasium, Saturday, January 23, between the local high school and Kina Mills high, of Siskiyou county. The visitors are champions of northern California. There will be a preliminary game by young ladies. The high school being quite a ways out, there will be auto service to that building from and to the Plaza.

Numerous friends of Mr. and Mrs. Tom Fason, of Medford, are congratulating them over the twin event arrival at their home recently.

The big new "Enders" block on Main street is now fully occupied. Kohagen having taken possession of the only vacant room with his stock of notions. The room he vacated will now be occupied by Cook & DeWitt's billiard parlors.

L. D. McKee, late assistant postmaster, left for the east Wednesday, accompanied by his family. His destination is Indiana, where he may conclude to locate.

Land Mark Discarded. Another ancient landmark is going. The Baptist church edifice, which passed into the discard several years ago on account of the erection of a fine new house of worship, is being dismantled. The work of a wrecking crew is transposing a lot of the old building material into repair jobs and additions to various houses about town. The old church was built about 30 years ago, and Baldwin Beach was supervising architect and contractor. Pastor Russell was the minister of that period. Church street was not named after this edifice, however, but due to the fact that years ago the Presbyterians owned a lot in that locality on which they never built. John Wick is the name of the vandal who is tearing the old church down.

A Good Resolution. To help build up Medford payrolls by smoking Governor Johnson or Mr. Pitt Ogara.

MASS MEETING OF SPORTSMEN ACT AT ASHLAND

The Ashland mass meeting of sportsmen Thursday evening which was a rousing affair, adopted resolutions similar to those adopted in Medford and sent the following letter to each of the local representatives at Salem.

Dear Mr. Wagner: At a mass meeting of the Ashland Rod and Gun club and sportsmen of Ashland held on January 21, 1915, the enclosed resolutions were adopted, and we desire you as our representative to work against the re-opening of upper Rogue river and for the closing above the mouth of the Illinois river to commercial fishing. We also desire you to work and vote for house bill No. 18, restricting net fishing in the Willamette river. We also ask to work and vote against house bill No. 191, as we most earnestly desire the fish and game commission to continue the expenditure of the game and fish license moneys and against the diversion of any portion to the general or county fund and we wish to adopt the program adopted by the State League of Sportsmen club.

ASHLAND SIGNING FOR SUGAR BEETS AND OFFERING LAND

ASHLAND, Jan. 22.—We, the undersigned residents of the Rogue River valley, agree to plant sugar beets on the number of acres set after our names, if and when a satisfactory contract be presented to us by the best sugar company to be located in the Rogue River valley. In accordance with the foregoing stipulations the following residents of this locality have signed us to further the beet planting campaign now being made hereabouts:

Emil Peil, 11 acres, Rogue River orchards tract; O. J. Rathbun, 20 acres, adjacent to city East Main street; C. L. Cunningham, 15 acres, Kingsbury Springs neighborhood; F. W. Moore, 20 acres, Dead Indian road; F. C. Homes, Jr., 10 acres, Bellevue district; G. W. Dunn, 10 acres, near Ayer's Spur; George W. Owen, 10 acres, Bear creek; W. E. Jeter, 10 acres, east city limits; John Gibson, 3 acres, Bellevue; W. C. Gibson, 6 acres, Lampon creek; J. W. Rogers, 3 acres, east city limits; L. S. Sharke, 20 acres, Bear creek; E. T. Staples, 10 acres, Rogue River orchards; James Clark, 10 acres, Rogue River orchards; C. B. Lambkin, 10 acres, near Eagle Mike.

The foregoing pledges aggregate 168 acres and there are others pending. One of the chief ones is a 100-acre tract controlled by a syndicate of Ashland and Medford capitalists, which is said to be available with the exception of a limited acreage already sown to wheat.

In addition to this acreage, a goodly number of the big ranchers throughout this portion of the valley, notably the Barrons, Owens and Dunns—agree to lease any number of other tracts, large or small, for this specific purpose. This offer is made with a view of not cultivating beets themselves, but of leasing the land instead to others who will embark in the enterprise. It is expected that quite a number will avail themselves of this offer.

NOTICE OF SHERIFF'S SALE UNDER EXECUTION. Abarilla Davis, plaintiff vs. W. C. Murphy, defendant.

By virtue of an execution, decree and an order of sale, duly issued out and under the seal of the circuit court of the state of Oregon, in and for the county of Jackson, dated the 20th day of January, 1915, in a certain cause therein, wherein Abarilla Davis, as plaintiff, recovered a judgment on the 16th day of January, 1915, against W. C. Murphy for the sum of One Thousand (\$1000) Dollars with interest thereon from said 14th day of November, 1914, at the rate of 10 per cent per annum and the further sum of \$53.67 taxes and interest thereon at 6 per cent per annum from January 16th, 1915, and the further sum of Seventeen and 49/100 (\$17.49) Dollars costs, which judgment and decree was enrolled and docketed in the clerk's office of said court in said county on the 16th day of January, 1915, and is of record in volume 22 of the Circuit Court Journal at page 502 thereof.

I am commanded by said execution and order of sale to satisfy the judgment above named by selling hereinafter described real property, I will therefore on

TUESDAY the 23rd day of FEBRUARY, 1915, at the hour of 10 o'clock a. m. of said day, at the front door of the court house in Jacksonville, Jackson county, Oregon, offer for sale and will sell at public auction, subject to redemption, to the highest bidder for cash, all the right, title, interest and claim of the defendant W. C. Murphy, in and to the following described real property, lying and being situated in Jackson county, Oregon, to-wit:

The southeast quarter (SE 1/4) of the southwest quarter (SW 1/4) of the southeast quarter (SE 1/4) of the southeast quarter (SE 1/4) of section fifteen (15) township thirty-seven (37) south of range one (1) west of the Willamette Meridian.

All of the above described real property will be sold at said time and place in the manner provided by law for the sale of real property under execution, to satisfy the judgment in favor of the above named plaintiff and against the above named defendant.

W. H. SINGLER, Sheriff. By E. W. WILSON, Deputy.

NOTICE FOR BIDS. Notice is hereby given that the county court of Jackson county, Oregon, will at its next regular meeting in February, to-wit, on the 23rd day of February, 1915, take up for consideration the proposals of auto truck owners, for the hauling of buck-shot gravel from McAndrews hill near Medford, to various points on the public highways within a radius of 10 miles therefrom.

The loading of the trucks will be done by steam shovels at the expense of Jackson county.

The actual amount of gravel to be hauled can not be definitely given at this time, but it is probable that the quantity will be sufficient to keep a number of auto trucks going during the entire season that is good for road building.

The party submitting the bid will be required to show the price per yard per mile.

Address all bids to the undersigned marked "Sealed Bids." The county court reserves the right to reject any or all bids.
