The management of the Star theater, has arranged to show what is known as Paramount pictures. This announcement really marks a new epoch for motion picture patrons in

When the present management took charge of the Star theater, the public was promised good. clean, moral educational and interesting pictures, and Mr. Bernard has taken the utmost care to not only live up to this assurance but has been unremitting in his attempt to secure better photoplays and better features.

At last, however, after a number of unsuccessful attempts he has secured exclusively in this city the Paramount pictures, a feature film service which is acknowledged throughout the motion picture world to furpish some of the best motion pictures produced.

For the benefit of those who are not familiar with the Paramount pictures we wish to say that the corporation releases only the feature productions of the famous players, Lasky Bosworth, and affiliated producers including such famous names as the Frohmans, Belasco, Liebler Co., John Cort. and Morosco.

The names of these producers and their associates are in themselves sufficient guaranty of most artistic and finished productions, and when we add that the list of stars featured in these pictures include such famous Miss Marjorie Hart gave a party stars as Mary Pickford, Dustin Farery building fitted up in anticipa- to her little friends Thursday after- num Henrietta Crosman, Robert Edeson, Hobert Bosworth, Macklyn Ar-State Deputy Organizer Wagar of buckle, Max Pigman, John Barrymore the Brotherhood of American Yeomen Theodore Roberts, May Irwin, W.
