BUTTE FALLS BUBBLES

Mr. McGinnis is here visiting Mr. Roop. He has been here once before and since he has come back again, Butte Falls must not be such a slow place, after all.

The Ladies' Aid met with Mrs. Gaunson last Wednesday, where they are doing some sewing.

The two lower rooms of our school held a little entertainment Friday afternoon. The sixth and fifth grades had a play which they made themselves. The primary room also had a dialogue. All the mothers were invited. After the entertainment the mothers stayed and had cookies and coffee. They also talked of the progress of the school.

Mr. and Mrs. Marcus Baker have moved in their new house.

Miss Nita Sears held a party at her home Saturday night. Everyone had a fine time and enjoyed themselves very much.

Mr. Richardson, while making shakes, sprained his back and has not been at work for a few days.

Guy Bishop cut his foot badly and is now at Phoenix having it doctored.

Mr. Netherland, whose family is in Medford, has moved to Butte Falls for a while.

The Mothers' club met Wednesday at the chapel. Refreshments consisted of lemonade and cookies, and proved the most interesting meeting held this winter.

OSCAR AND ADOLPH

One in the Audience Didn't Like It

AT THEIR GAY PRANKS

JACKSONVILLE ITEMS

W. J. Butterly has returned to Jacksonville, after spending the winter in Portland.

Mrs. Harry Lay and Mrs. Ella Cook were Medford visitors Wednesday, being the guests of Mrs. Blaine Klum.

Miss Lyle Mee entertained the "Black Cat club" at the home of her sister, Mrs. Guy Harper, Thursday, while the Friday afternoon club met with Mrs. F. C. Smith this week.

The moving picture show changed hands this week, Mrs. John Renalt, Jr., taking over the management. Mr. Hansford will make his home in Tacoma for the present.

Mrs. J. Reter entertained ten ladies at her home last Wednesday afternoon. The afternoon was spent with sewing, after which a dainty two-course luncheon was served.

Mrs. Pearl Steward of Medford is visiting her mother, Mrs. M. L. Nelson.

Thomas Fulton, who recently moved to Montague, has purchased the newspaper at that place.

Miss Gertrude Dunning is home again after a sojourn in Medford.

Miss Ethel Dick, who is teaching school at Bamcom, spent Saturday and Sunday at home.

Mrs. T. J. Kenney is spending the week with her daughter, Mrs. Walter Keuter, at Phoenix.

School began again Monday, being closed a week on account of small-pox. Fortunately only one case developed.

Miss Pauline Greaves entertained the following young people at five hundred last Friday evening, Misses Eva Couch, Mary Bageshaw, Jewell Bailey, Louise Ensel, Alice Morgan, Mabel Reeves, Alfred Norris, Fred Collins, Toots Thompson, Norman Cronnie, Billie McIntyre, Lou Baker, Julian Abbott, Raymond Reter, Geo. and Chester Wendt.

Mrs. Charles True and Mrs. Noe of Medford attended the party given by Mrs. J. Reter Wednesday afternoon.

The arrest of Harry Foster has solved the mystery of the petty thieving that has been going on for some time around town. The homes of John and Will Barnum, Judge Neil, W. H. Bowen and Stub Wilson were entered and jewelry and money stolen. The discovery of a photograph in Foster's grip led to his arrest. After a preliminary hearing he was bound over to the grand jury.

W. A. Burr has returned to Jacksonville and is connected with the Opp mine at present.

Mrs. R. B. Dow of Medford has been spending the week with her mother.

Severe Blood Troubles Vanish

With Magic Effect, Great Remedy Makes Disease Disappear.

At almost any drug store you may obtain S. S. S., the famous blood purifier, and you then have the veritable wizard that makes all blood troubles vanish. Your stomach takes kindly to S. S. S., it pushes into your blood, in a purifying way, makes the liver, kidneys, bladder and skin work in harmony; stops accumulations that have caused rheumatism, catarrh, swollen glands, sore throat and skin eruptions. And it is to both prevent these eruptions or to get rid of them that Nature gave us a violent eruption of the skin whenever the system is in a low state of resistance. And it is to both prevent these eruptions or to get rid of them that Nature gave us such an ally as S. S. S. It is purely vegetable, contains no mercury, and yet it overcomes those serious troubles for which mercury has been employed for ages. In every community are people who know this to be true. They owe to S. S. S. their recovery. Get a bottle today. Refuse all substitutes. Read the folder around the bottle that tells of the wonderful work being done by the medical department in assisting Mrs. A. B. R. For a special book on blood troubles address The Swift Specific Co., 51 Swift Bldg., Atlanta, Ga.
