

TABLE ROCK TABLETS

John Vincent and wife of Jacksonville were Sunday visitors with relatives here.

Miss Helen Lydiard spent the week end with home folks.

S. M. Nealon and son, Harry, were doing business in the valley towns last Saturday.

S. C. Collins is somewhat under the weather, suffering with a sprained back.

Nye Turpin of Wellen visited over Sunday with the Pendlunds.

Mr. Stoner of Ashland was buying carrots at the Nealon ranch Monday.

Ross Cline, our efficient orchard inspector, was looking over the light situation in these parts Monday.

Will Lydiard and some friends of Medford enjoyed a Sunday visit at the Lydiard home and incidentally inspected the many improvements being made about the house.

A large drive of sheep belonging to William Lewis of Agate are ranging on the upper Table Rock.

Rose Nealon, who is teaching at Revere creek, spent Saturday and Sunday here with home folks.

A traveling salesman for the J. I. Case Threshing Machine Co. was interviewing some of our farmers last Tuesday.

A. L. Vincent, the road supervisor, is doing some road work in the vicinity of Sums Valley.

Mr. Boleo of Medford has leased the Finley pear orchard at this place and will take charge the first of April.

Professor Haight, a music teacher of Medford, is trying to organize a class in music at this place.

William McKinnis and family have moved into one of the houses on the Vincent place, where they expect to spend the spring and summer.

With the Vincent house occupied, there is not a vacant house in this district, and what is better, every one is busy.

E. W. Carleton is assembling a crew of men to lay drain tile next week.

A gentleman of the road, giving his name as Miller and claiming to be a graduate of a Michigan horticultural college, blew in here last week.

According to his story, he had walked many miles looking for work in his line, but without success, and being "all up" of course, went without food, so when he arrived here he was about "all in." His story seemed straight, so Jim Pendlund, who has a big heart, put him to proving, where he worked good until Monday, when, on seeing Jim getting ready to go to town, asked if he might have the day off and accompany him. On arriving in Medford he needed some change and was given a piece of money amounting to a few dollars more than was coming to him, and he is not been seen since.

Next Sunday the Table Rock Sunday school will meet at 2:30 in the afternoon and at 3:30 Rex Waldmuff will hold services. As we only have preaching once a month, we should avail ourselves of this opportunity to hear a good sermon.

Those from here who attended the Martin trial at Jacksonville quite agree with the Mail Tribune that it seemed like a farce, but they also assert that owing to the way the case was handled and the evidence presented to the jury, they could not have done otherwise than acquit the defendant.

The sowing of spring grain is progressing rapidly and the close of the week will see the bulk of it finished.

Nearly all of our farmers seem to be taking more pains than usual with their farm work. The seed beds are being put into fine shape before the grain is sown, much redigged seed is being used and practically every acre is being planted with drills, which place the seed all at the same depth and insure a uniform stand.

At the ball game at this place last Sunday the local team was whipped by the team from Tolo, the score standing 3-6.

Although several errors were made on both sides, the game proved very interesting to the large crowd present. Next Sunday the local team will take on the Central Pointers.

At the last regular meeting of the Arrowhead Literary society, Ed Vincent was elected president and Miss Flora Atkins secretary.

SOME DON'TS

For Stomach and Liver Sufferers Don't take medicine for your Stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of Stomach, Liver and Intestinal Ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered Stomach and Liver, to the discomfort of those you come in contact with.

If you are a Stomach sufferer, don't think you can not be helped; probably worse cases than yours have been permanently restored by Mayr's Wonderful Remedy.

Most Stomach ailments are mainly caused by a catarrhal condition. Mayr's Wonderful Remedy not only removes the catarrhal mucus, but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvellous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—one dose of Mayr's Wonderful Remedy should convince you that you can be restored to health again. Mayr's Wonderful Remedy has been taken and is highly recommended by members of congress, justice of the supreme court, educators, druggists, nurses, manufacturers, priests, ministers, farmers and people in all walks of life.

Send for FREE valuable booklet on Stomach Ailments to Geo. H. Mayr, 154-156 Whiting St., Chicago, Ill.

Mayr's Wonderful Remedy is sold by leading druggists everywhere with the positive understanding that your money will be refunded without question or quibble if ONE bottle fails to give you absolute satisfaction.—Adv.

Face Eruptions Have Deep Significance

Often They Indicate Impurities Deep in the Tissues.

The results shown by S. S. S. in clearing the skin reveal how scorchingly and how deeply this famous blood purifier attacks blood troubles. Facial eruptions are more often significant of impaired nutrition resulting from faulty elimination of body wastes.

Most people realize this to be true. And yet it is a difficult matter to convince such people they should avoid those harmful drugs such as mercury, iodide of potash, arsenic and so on. S. S. S. gives just as good effect without the destructive results, because it is more searching. It goes deep into the circulation wherever the blood flows, but it does not remain to clog the system. And its effect is complete and thorough as indicated by blood tests. One of the strange things today is that so many people are wedded to the notion that mercury is the one remedy. It is not so. There is in S. S. S. a product of nature that is rated one of the most potent principles known for the complete elimination of blood troubles.

Wherever you go there are people who know this to be true from their own experience, for it has been clearly shown there is one ingredient in S. S. S. as essential to health if the blood be impure as the nourishing elements of the grains, sugars and salts of our daily food. Get a bottle of S. S. S. today or any druggist, but insist upon S. S. S., accept no substitutes. And if your case is peculiar or of long standing, write to the Medical Adviser, The Swift Specific Co., 101 Swift Bldg., Atlanta, Ga.

TALK ABOUT A BARGAIN!

How's this? 160 acres prime foothill soil, close in, 75 acres in cultivation, spring water piped in, beautiful building site and above all, ten acres of best young orchard in the west, principally Newtown Pippins, yielding in 1914, second crop, more than 1400 boxes extra fancy export apples.

Practical orchardists know this is the time to buy and export apple orchards. They know, too, the merits of foothill orchard land.

That isn't the point, though. This entire 160-acre tract, overlooking railroad and town, can be bought for only \$6500, on terms that will take care of deferred payments from the product of the orchard. Don't delay about this, or the other fellow will get it.
