A Message To Women

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak.

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HONNUNG, 91 Stanton St., Buffalo, N. Y.

Made Me Well and Strong.

MACEDON, N. Y.—"I was all run down and very thin in flesh, nervous, no appetite, could not sleep and was weak, and felt badly all the time. The doctors said I had poor blood and what I had was turning to water. I took different medicines which did not help me, but Lydia E. Pinkham's Vegetable Compound made me well and strong, and I am recommending it to my friends."—Mrs. FRED CHACE, R. No. 2, Macedon, N. Y.

The Change of Life.

BELTSVILLE, Md.—"By the use of Lydia E. Pinkham's Vegetable Compound I have successfully passed through a most trying time, the Change of Life. I suffered with a weakness, and had to stay in bed three days at a time. Lydia E. Pinkham's Vegetable Compound restored me to perfect health, and I am praising it for the benefit of other women who suffer as I did."—Mrs. W. S. DUVALL, Route No. 1, Beltsville, Md.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs. It has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO., (CONFIDENTIAL) LENS, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
