ORPHAN STEAMER STRIKES ON ROCK

SAN FRANCISCO, March 30.—The United States inspectors announced today that they will investigate the grounding of the steamer General Frisbie on Anita Rock, off the Panama-Pacific exposition, last night, while carrying 75 orphans from the Good Templars Home at Vallejo, Cal., and 89 other passengers. Some of the children suffered slight bruises when thrown by the shock of the vessel's impact.

The General Frisbie remained hung on the submerged rock all night. She was towed off by a tug today. Apparently she is not badly damaged.

DIED

William P. R. Woods, a veteran of the civil war and a pioneer of this city, died at his home, 539 West Tenth street, Tuesday morning, March 30, at 9 o'clock, aged 71 years, 8 months and 12 days. Deceased first came to the Rogue River valley in 1888, engaged in the harness business. The funeral services will be held from the family residence Wednesday afternoon, March 31, at 2 o'clock, the Rev. W. F. Shields of the Presbyterian church officiating. The body will be shipped to Vallejo, Cal., for burial.

Besides a large circle of friends, deceased is survived by two sons, Percy L. and B. R. Woods; both of this city, and two daughters, Blanche and Clara. A brother, C. W. Woods, lives in South Dakota and another, B. F. Woods, in Wisconsin.

NOTICE. All members of the Grizzlies who wish to attend Mr. Steele's lecture under auspices of the K. of P. at Presbyterian church tonight are requested to meet at the library at 7:30.

With Medford Trade is Medford Made

AIRSHIP BOMBS FALL ON RHEIMS

PARIS, March 30.—The French war office this afternoon gave out a report in the progress of the fighting which reads:

"In the Champagne district a German aviator yesterday threw bombs down on the city of Rheims and wounded two persons. One projectile fell of the apex of the cathedral.

"A well directed artillery fire from a French battery forced the Germans to retire in disorder from the village of Jendicourt to the northeast of St. Mihiel.

"At all other points in the war zone the day passed quietly. No infantry engagements took place."

TALENT TALK

The Community club will meet on Wednesday afternoon, at which time a literary program will be rendered.

Mrs. C. P. Scott recently left for her home in Portland. Mrs. Scott's mother, Mrs. R. B. Guild, left the same day for a visit in Ashland.

A baby boy was born Friday, March 26, to Mr. and Mrs. C. E. Gardner.

Master Delevin Smith, from Jacksonville while his father attended the schoolmasters' meeting.

Mrs. C. M. Thomas entertained a few lady friends on Wednesday.

Messrs. Lewis Brown, Charles A. Brown and Peter Vandersuis were in Medford on business Thursday.

James McDonald is again able to be around after a month's illness.

Members of the I. O. O. F. lodge met Sunday afternoon for a rehearsal in preparation for putting on the various degrees during the month of April. All members are requested to attend regularly, as considerable work is in sight for the lodge.

Mrs. Cole of Eagle Point is visiting relatives in Talent this week.

About thirty school men, consisting of superintendents, principals and high school teachers attended a meeting of the Southern Oregon Schoolmasters' club, which convened at the high school Saturday. Dinner was served by the domestic science class under the direction of Miss Gladys Olson, their instructor. The dainty dishes and the excellent way in which it was served was highly praised by the schoolmasters. Hon. J. H. Ackerman, president of the Monmouth State Normal school, and L. P. Harrington, field worker from Salem, were the outside invited speakers for the day. Dr. Bagley sent a case of Bagley's apple juice for the school men to sample, and from the number of empty cans and the words of praise spoken it was greatly appreciated by all.

Miss Ella Gresham will spend Tuesday visiting nearby schools. A substitute from the teachers' training class of the Ashland high school will take her place during the day.

R. J. Luke is expected home from the Nigter Boy mine during the week.

The Parent-Teachers' division of the Community club held a meeting Tuesday evening. The subject up for discussion was, "Playground Equipment." Mrs. C. W. Holdridge was selected to see about getting sand for the sand court now constructed south of the building. All seemed to agree that the rose garden now under way should receive the first attention and

BUSINESS GOOD IN GERMANY

ing out the cheaper lines of goods are hampered by a shortage of raw material.

The linen trade is hampered by a lack of flax, which comes from Russia. Bavarian peasants are planning to devote considerable land to this hitherto neglected crop.

Necessities in Demand

The retail trade is active only in articles of necessity as luxuries have been very largely dispensed with. Dressmakers are less pressed with spring orders than is usual. Cigars and chocolates are in good demand as they are extensively used for gifts to soldiers at the front. Some book music publishers report that their sales are good.

Farmers are among the busiest people in the empire, for the task of replenishing the food supply devolves

WOMEN MAY BE STRONG

and enjoy life whether in the home or business world if they can keep at bay those ailments peculiar to their sex. If every woman realized how Lydia E. Pinkham's Vegetable Compound, that simple remedy made from roots and herbs, goes to the root of the trouble and overcomes such symptoms as backache, headaches, nervousness, and irritability, they would be healthier, happier and stronger. If you suffer from any form of female ill why don't you try it? It will pay you to do so.

AMERICA'S GREATEST CIGARETTE

Makers of the Highest Grade Turkish and Egyptian Cigarettes in the World

upon them and they will have to accomplish it with a diminished number of laborers. Conditions have been materially alleviated by the transfer of city industrial workers to the country. It is reported that the usual acreage of grain will be planted and preparations are being made on a large scale for spring and summer work.
