

SUGGESTS HONOR FOR DISCOVERER OF CRATER LAKE

Superintendent Steel of the Crater Lake park has sent the following communication to Secretary Lane, suggesting that the discoverer of Crater Lake be commemorated by renaming Glacier peak in his honor as Hillman peak:

"April 5, 1915.
"The Secretary of the Interior, Washington, D. C.
"Sir: It is with sincere regret that I have to inform you of the death at Hope Villa, La., on March 19, 1915, of Mr. John W. Hillman, who on June 12, 1853, discovered Crater Lake. He was the leader of a party of twenty-two prospectors, of whom he was the first to see it.
"Now, therefore, I recommend that the name Glacier peak, applied to one of the highest points on the western rim of the lake, be changed to Hillman peak, and in justification thereof will say, one of the most important mountains of the state of Washington is known as Glacier peak, as also in the state of California, thus leading to unnecessary confusion, and at least one of them should be changed. Such a change would also be a deserved and appropriate recognition of the first white man who ever saw Crater Lake, and for whom some prominent point should be named.
"Very sincerely,
"WILL G. STEEL,
"Superintendent."

MACKLYN ARBUCKLE IN "THE COUNTY CHAIRMAN," AT STAR

News From Our Neighbors

CENTRAL POINT

The new council met on the evening of April 1, and the business of the previous year was audited and the new members were sworn in to office. Isaac F. Williams and Wm. A. Pyburn are the two new members, while W. E. Alexander is retained by re-election. As I. C. Robnett was not a candidate for re-election and the resignation of T. J. Taylor, which occurred several weeks ago, was the only other vacancy, there will be no further change in the personnel of this body at this time. The new council will meet for further organization and the appointment of committees on next Monday evening. J. W. Jacobs as recorder and J. O. Isaacson, treasurer, took their offices. All business for the past year was checked and balanced.

The various churches of the city are planning excellent services for next Sunday morning in commemoration of Easter. In the evening there will be a union meeting of several of the churches at Central hall.

An Easter cantata, entitled, "The Risen King," composed by the writer, P. A. Schaecker and rendered by a picked choir from all the churches, is a special feature of the service. Rev. William B. Hamilton of St. Mark's, Medford, will deliver the sermon. The order of service is as follows:

"The Risen King"; chorus, "This Is the Day"; prayer, Rev. W. A. Diggins; solo, "The Dawn of Hope," Francine McNasser; men's chorus, "As It Began to Dawn"; recitative by men, "But When They Came Unto the Sepulchre"; chorus, "The Lord Is Risen"; recitative by men, "Then They Went Out Quickly and Flew"; chorus, "Weeping for Him"; solo, "They Have Taken Away My Lord"; chorus, "O, Grave, Where Is Thy Victory?"; offertory, "Open the Gates," Mrs. Brayton and Mrs. Strohmeyer; sermon, Rev. W. B. Hamilton; solo, Hosanna, He Lives! Mrs. J. J. Hauri; quartet, "The Magdalene," Mrs. Mulkey, Miss Mickey, George Farnum and Herbert Clark; finale, "Unto Him Who Loved Us"; benediction, Rev. Diggins. George Farnum, musical director.

The school has entered into a contract with the dramatic guild of the University of Oregon to put on their play, "My Man and Lady" in Central Point on the evening of April 15. The cast will include ten picked actors from the department of public expression from the University of Oregon. Dr. A. F. Reedy and Mrs. J. F. Thorne of the university will also assist with the cast. Everybody reserve this date and be on hand for the play. Prices will be placed low enough that all may go.

most impassable condition the county road on both sides of Ruch. Mr. Peckham, formerly of Medford, and who is at present engaged in the electric business at Los Angeles, Cal., arrived from that city on Tuesday and will spend a few days with his family on their ranch on the Little Applegate.

Ray Fawcett returned to Ruch Saturday after spending a few days at Buncom, and will shortly leave there for Crescent City, Cal.

Dr. Cameron was a visitor on the Little Applegate last Friday.

Joe Goldsby motored to Medford last Tuesday.

The new installations at the Sterling power plant are in successful operation and the present stage of water has been the most favorable of the season.

GOLD HILL NUGGETS

One of the main points of discussion around Gold Hill at present is the oncoming election to be held Monday, April 5. The nominees are: First ward, Charles Kill, Silas Fleming; second ward, Roy Cameron, Walter Stieckel; councilman-at-large, W. W. Truax; recorder, B. G. Harding, Ben H. Lampman; treasurer, Lynn W. Smith. The outgoing members of the council are: First ward, Charles Kill; second ward, Roy Cameron; at large, Mrs. Cora J. Truax; recorder, B. G. Harding; treasurer, Lynn W. Smith.

The Gold Hill concert band made its first public appearance in their new uniforms last Sunday afternoon at the band stand. The organization consists of twenty-two pieces and make a splendid showing. They expect to shortly commence a series of concerts in the nearby towns.

"The Dust of the Earth" is the title of the junior-senior play to be given at the Gold Hill opera house by the local high school Tuesday, April 6. The cast of characters is as follows: David Moore of Maple Farm cottage, Richard Morelock; Susan Moore, his wife, Vera Davidson; Elizabeth, the daughter, Mary Truax; Jerry, their son, William Foley; Rev. Dr. Templeton, a young divine, Ben Haymond; Miss Arabella, the village newspaper, Elsie Miller; John Rydler, the young master of The Maples, Horron Beeman; Wandering Tom, a mystery, Clinton Walker; Old Moss, his companion, Ernest Lyman; Nell "the dust of the earth," Agnes Dietrich.

Estelle Igo Bassler of Grants Pass gave a very interesting and instructive entertainment at the Methodist church last Friday night, March 26, under the auspices of the Progressive Bible class. The funds were to apply on a piano recently purchased for the church. Her impersonation of a small girl was exceptionally good and brought forth much applause. The vocal solos were also greatly enjoyed, and should she come again she is assured of a crowded house.

On Tuesday evening the Greater Gold Hill club met at the club rooms.

WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Medford People Have Learned This Fast

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, weak kidneys may be the cause. The slightest symptom of kidney trouble is too serious to neglect. Doan's Kidney Pills have earned their fame by their effectiveness in strengthening the kidneys and keeping them well. Can Medford readers demand further proof of their merit than the following statement?

Mrs. Jane Waterman, Phoenix, Ore. says: "Any exertion or being on my feet caused backache and pains across my loins. I had headaches and dizzy spells and blurring before my eyes. All these showed that my kidneys needed attention. Doan's Kidney Pills lived up to all the claims made for them. All the ailments that distressed me so much were removed."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Waterman had. Foster-Milburn Co., Props., Buffalo, N. Y.—Adv.

for the regular session. The subject of installing curbs on the north side of Fourth avenue was again brought up and discussed. Fred W. Dodge of the committee for the investigation of this improvement, offered as his suggestion a pledge to be signed by all property owners affected. According to figures he said the cost would not be over 50 cents per foot, and might be considerable less. C. M. Shaver reported progress on the boys' athletic club, as numerous articles had already been donated. J. H. Beeman was very enthusiastic over having secured the attention of the Pacific Highway and Hotel company of Seattle, sufficiently that they had decided to make Gold Hill one of the fourteen division points. He displayed as evidence one of the folders put out by the "jitney" people, showing six pictures of Gold Hill and vicinity, and several strings of fish caught near this place. Also saying that Gold Hill is at last coming to her rightful place, as it is now advertised as the nearest point to Crater Lake on the Pacific highway and Southern Pacific line. Another subject resur-

rected was the park for this city, and it was finally decided to clear the block north of the primary school building, provide walks and install rustic seats and other similar articles. A motion was made that a permanent mining committee be appointed. The chairman asked that he be allowed until the next meeting. For the next bi-weekly luncheon the president named Harry Porter as being in charge. After the adjournment W. H. Miller and J. W. Hicks served a luncheon, consisting of salad, sandwiches and coffee.

HARRY LAUDER

World-famous Scotch Comedian, says:

"Tuxedo, for mildness, purity and fragrance, THE tobacco for me. With my pipe filled with good old TUXEDO, all my troubles go up in smoke. In all my world-wide travels I've yet to find its equal as a slow-burning, cool-tasting, sweet-flavored tobacco. TUXEDO satisfies me completely."

Harry Lauder

Tuxedo Keeps the World in Good Humor

Here is the man whose life work is to make millions of people happy. In pursuing his call, he travels the wide world over. He is a great lover of his pipe, and in all sorts of corners of the earth he has tried all sorts of tobaccos.

What is his unqualified statement in regard to Tuxedo? Read it again: "I've yet to find its equal." This is the frank and candid opinion of thousands and thousands of experienced, judicious smokers. Tuxedo is absolutely the best all-around tobacco that modern tobacco science can make.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Uncorking a tin of Tuxedo is like lifting the lid on concentrated sunshine. And then, when you fire up! Well! The first puff's a revelation, the second's a revolution, the third just gets you happy-like! Then you're off—just as sure as you'll see the green grass and hear the birds sing next Spring.

The exclusive "Tuxedo Process" brings out the unsurpassed mildness, delicate fragrance and mellow flavor of the Burley leaf in a way that has never been successfully imitated. At the same time it refines the tobacco until every trace of harshness and "bite" disappears.
