CONVICT ON PAROLE KIN OF NATED OREGON FOLKS

LOS ANGELES, April 8.—After evading for twenty-eight hours the officers on his trail, Earl Wyatt, aged 24, a paroled convict from San Quentin penitentiary, was seized by two deputy sheriffs today on a street corner downtown. He was heavily armed. Wyatt is a half brother of Russell Wyatt, former United States district attorney in Portland, and of the former wife of Jonathan Bourne, former United States senator from Oregon. He is known as the "West Gate Burglar," having robbed many fashionable houses in West Gates and Santa Monica more than a year ago, for which offenses he was given five years in San Quentin. He was paroled later and is now charged with having broken his parole and robbed homes in his vicinity. VENZELLOS RETIRES FROM POLITICAL LIFE

PARIS, April 9.—The Haas agency has received a dispatch from its correspondent at Athens, who confirms the report that former Premier Venizelos has announced his decision of retiring from politics. Every argument was used to induce him to reconsider, but M. Venizelos declared his resolution was irrevocable. Nevertheless, the correspondent continues, the hope that he may change his mind is entertained, and the party will campaign for the elections as if the retirement of its leader was provisional.

PARIS, April 9.—Raymond Swoboda, charged with espionage and arson, was interrogated yesterday before the second permanent court martial in Paris. His arrest grew out of the investigation into the fire aboard the steamship La Touraine. His preliminary examination, which was purely formal, concerned only the question of his identity. Swoboda took the opportunity to protest vigorously against his arrest and declared himself ready to face any charges which might be brought against him. He will be transferred from the consciencerie prison to a military jail.

A Valuable Suggestion IMPORTANT TO EVERYONE

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood. During the winter months especially, when we live an indoor life, the kidneys should receive some assistance when needed, as we take less exercise, drink less water and often eat more rich heavy food, thereby forcing the kidneys to do more work than nature intended. Evidence of kidney trouble, such as lame back, annoying bladder troubles, smarting or burning, brick-dust or sediment, sallow complexion, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble. Many physicians claim that an herbal medicine containing no minerals or opiates has the most healing influence. An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp Root. You may receive a sample bottle of Swamp-Root by Parcels Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention the Medford Evening Mail Tribune. Paid Adv.
