It Will Be Here--In the Morning! The New Reo the Fifth--\$1050 F. O. B. Lansing

WE HAVE JUST BEEN ADVISED that our new Reo the Fifth, "the incomparable Four," demonstrator has arrived--by the time you read this it will have been unloaded and will be at our show rooms.

WE HAVE BEEN BESIEGED by scores of persons eager to get a first look at this latest edition of the famous Reo the Fifth--"the incomparable Four."

DO YOU KNOW that since November 10th there hasn't been a Reo car obtainable at the factory--last of the 1914 series was shipped on that day.

DID YOU SAY SOMETHING about "hard times"? Reo has never known such a thing. Reo value--Reo service--Reo cars--have always commanded a market greatly in excess of the possible supply--always.

THERE HAS NEVER BEEN A TIME when, even with its wonderful factory facilities, the Reo Motor Car Company has been able to furnish all the Reos needed to fill the demand. Never a time.

SO THE EAGERNESS of buyers to see this new Reo is nothing unusual.

AND THIS LATEST Reo the Fifth--this 1915 edition of that famous car that has set the standard and maintained the lead in its price class for several years--is destined to increase its popularity and its leadership.

NEVER WAS SUCH VALUE. You read, of course, in the big two-page ad how it was possible to produce a car of such size--a bigger as well as an improved and refined car--at \$125 less than formerly. Now \$1050--last season \$1175.

LET US REPEAT--a bigger, better car--up to the minute in every detail of design and finish and equipment, including the best one-man top made, and for less money. No other could do it. None but Reo!

BUT YOU CAN'T appreciate fully what this value is until you have seen and driven this car.

IF YOU COME EARLY you will be one of the first--you will see it almost as soon as we do. There'll be a crowd--for many, like yourself, have been waiting to see it.

AND, OF COURSE, we need not remind you that, with no Reos obtainable during the past two months and thousands having already decided they will join the Reo contingent "and be sure" for the coming year, your order will have to be in early to insure an early delivery. Better drop in on your way to the office--we'll be here.
