CRISIS IN PEKING OVER JAP DEMANDS

TOKIO, April 21. The crisis which has come into, the negotiations with China as to acceptance of the demands of the Tokio government has been followed by a protracted conference of the cabinet. Members of the genero, or the elder statesmen of Japan, have been communicated with on the subject.

The semi- official press expresses the belief that Japan has brought the unsettled clauses of her demands down to the irreducible minimum and in the event of further procrastination on the part of China she probably will prese for a reply within a given period of time.

The members of the cabinet this statesmen concerning the negotiations. Interest in the situation in ations, which is the inevitable exper- meeting. Peking is increasing.
