

MARRIES TWICE TO CLEAR UP TANGLE

SAN FRANCISCO, April 28.—Dr. Fred A. Steel of Oakland and Miss Harriet Martin of Fresno, were married here last night for the second time in twelve days.

Once before Dr. Steel's hurry caused a legal tangle in his marriages.

In 1913 his first wife was granted an interlocutory decree of divorce in Shasta county. Before the final decree was entered he remained at Reno, November 4. Six months later the second Mrs. Steele applied for an annulment of the marriage.

Before the annulment was granted April 27, and a week after the final decree of divorce was issued to the first wife, Dr. Steele was married to Miss Martin.

The marriage last night, taking place after the divorce decree and the annulment were legally granted, cleared up the marriage tangle.

FLOUNCE ROCK FRILLS

Mr. and Mrs. Irwin and small daughter and Mrs. Charles Lower were calling on friends near Frounce Rock Tuesday.

John Crabtree went to the valley Saturday with a four-horse team, to haul goods.

Pat Walker went to Derby Saturday returning Sunday.

Mr. and Mrs. Will Grieve and Will G. Steel went to Prospect Saturday in an automobile. Mr. Steel expects to go on to Crater Lake.

Mrs. Vaughn came home Monday. Her health is much improved. Miss Milly Gordon of Sams valley came home with Mrs. Vaughn to visit for several weeks.

Mrs. Kerby returned home from San Francisco Tuesday.

Mr. McLeod and Mr. Springer completed the telephone line to the power plant last week. Mr. Embury and Charles Walker also worked at stringing the wires.

Miss Denise Manning spent a couple of days last week with Miss Elsie Tony.

Miss Francis Aiken spent Saturday and Sunday with Mrs. Cobleigh.

Mr. and Mrs. J. J. Brophy took dinner Friday with Peolors and Blauehards and afterwards called on Mr. Phipps and family and Mr. and Mrs. Carl Richardson.

Last Thursday there was much excitement in the community when a team belonging to Joe Phipps ran away down the old Frounce Rock hill with a wagon in which were Mr. and Mrs. Phipps and child and Newt Goodlow. The young man jumped out and was quite severely hurt, and Mrs. Phipps and the baby had a fast ride nearly to the bottom of the hill when they were upset in the punice, tho they were badly bruised and much frightened. Mrs. Phipps had seen the wagon run over her husband and thought he was killed, and Mr. Phipps as soon as he regained his senses, feared his wife and child were killed. Thanks to the telephone the neighbors were soon at the scene of the accident and the injured ones taken home. They are all recovering now, but it is not yet certain how badly Mrs. Phipps may be injured.

There was a very interesting meeting of the W. C. T. U. Saturday held at Mrs. Nelson Nye's. After the meeting Mrs. Nye served sandwiches, doughnuts and tea, and the ladies spent a social hour.

Laurelhurst School closed Friday and the teacher, Miss Leta Peelor, left for her Butte Falls home Saturday with her father. He had come over Thursday and visited till Saturday with his brother, T. M. Peelor and family.

How to Fight Tuberculosis

In a paper read last year before the Texas County Medical Society and published in part in the Louisville "Medical Progress," Dr. J. W. Cahart, of San Antonio, Texas, a physician who has devoted much time to the study of tuberculosis, said: "Since time suits constitute three-fourths of all the mineral substances of the human body, they must be supplied in the foods or supplemented in mineral preparations, or natural extraction, causes with tuberculosis unchecked. The widespread and unchecked spread of tuberculosis and other preventable diseases is due largely to the deficient (time lacking) conditions of multiple throughout the civilized world."

Thus from another authoritative medical source comes justification for the use of lime in the treatment of tuberculosis. Since this is one of the ingredients of Eckman's Alternative, much of the success attending the widespread use of this remedy doubtless is due to the combination of this salt in such a way as to render it easily assimilable. It causes no stomach disturbance, and since it contains neither opiates, narcotics nor habit-forming drugs, it is safe and reliable.

Eckman's Alternative has effected remarkable results in numerous cases of pulmonary tuberculosis (consumption) and allied chronic affections of the throat and bronchial passages. In many instances such conditions, apparently, have yielded completely to it.
