The children of the sixth grade of the Roosevelt school, under the able direction of Mrs. Galliger, will present "A Midsummer Night's Dream" at the Page theater next Friday afternoon. At the beginning of the school year Mrs. Galliger found this grade very deficient in reading, and it was with some misgiving that the study of this, the lightest of Shakespeare's comedies, was begun in February. The improvement is amazing. The parents, who were at first skeptical, have become enthusiasts. Every member of the class has a speaking part. So pleased was A. C. Allen with the rehearsal that he has decided to use some of the scenes in the movie film for the Panama exposition. The third and fourth grades contribute the fairies and brownies to the "dream" play.

A May pole dance by the first grade will precede the play. It is hoped the proceeds from this entertainment will be sufficient to make the final payment on the piano. Attend this performance and see for yourself what children can do. The following program will be given:

Songs by Roosevelt school, "No Land Like Oregon," "Song of May," "Now Is the Month of Maying"; May pole dance, girls of second grade; "Tinker's Song," first and second grades and fourth and fifth boys; folk game, "Captain Jinks," second grade; folk game, "To Banbury Cross," fourth and fifth grade girls; folk game, "Hot Cross Buns," first grade; "A Midsummer Night's Dream," pupils of sixth grade, cast: Theseus, Perry Gregg; Egeus, Yolande Rummel; Lysander, Wilbur Phelan; Demetrius, Charles Jackson; Philostrate, Velma Hull; Quince, John Bateman; Bottom, Lethew Meadows; Flute, Edward Kelly; Snout, Rupert Maddox; Snug, Marnie Olson; Starveling, Clarence Steward; Oberon, Clare Pickle; Titania, Pauline Johnson; Puck, Bertha Harting; Hippolyta, Bruce Putnam; Hermia, Irma Dyer; Helena, Josephine Lindley; Pinar Blossom, George Cherry; Cobweb, James Henson; Moth, Kenneth Cole; Mustard Seed, Ralph Lunt; attendants on Theseus and Hippolyta, Lois Maxwell, Velma Hull, Sterling Bullock.

Joyful Anticipation of Motherhood

There is apt to be a latent apprehension of distress to mar the complete joy of expectation. But this is quite overcome by the advice of so many women to use "Mother's Friend." This is an external application designed to soothe and lubricate the muscles and to thus relieve the pressure reacting on the nerves, that the ailments is not accompanied by those severe pains said to cause nausea, morning sickness and many local distresses.

Many people believe that those remedies which have stood the test of time, that have been put to every trial under the varying conditions of age, weight, general health, etc., may be safely relied upon. And judging by the fact that "Mother's Friend" has been in continual use since our grandmother's earlier years and is known throughout the United States it may be easily inferred that it is something that women gladly recommend. "Mother's Friend" is prepared only in our own laboratory and is sold by druggists everywhere. Ask for a bottle to-day and write for a special book for expectant mothers. Address Bradford Regulator Co., 307 Lamar Bldg., Atlanta, Ga.

Here are a few of the knotty ones:
"Do you think it wrong for a divorced person to marry, or to marry a divorced person?"
"Does the spirit or soul reincarnate after death, as some believe?"
"Is it possible for the Holy Ghost to descend upon the converts, and they speak in unknown tongues and prophesy?"
"Does the spirit go to heaven at death, or not until after the resurrection?"
"Will the European war retard the progress of Christian civilization in countries that have accepted Christ in recent years?"
The answering of these and other questions will be followed with a sermon on the topic, "The Essence of Christianity."
Morning service at 11 a. m. Topic, "Modern Scholarship and the Bible."
